

American Flag

By Maya Anthony

Stars and Stripes Forever

Beneath the vast blue sky it waves,
A symbol strong and true.
Through winters cold and summers blaze,
It stands, red, white, and blue.

To many, it's a beacon bright,
A light of hope and pride.
It guides us through the darkest night,
Always by our side.

So raise it high and let it fly,
For freedom it does stand.
The emblem of our nation's heart,
Over sea and land.

Poems of American Patriotism Brander MATTHEWS, 2019-01-29 An attempt has been made in the present collection to gather together the patriotic poems of America those which depict feelings as well as those which describe actions since these latter are as indicative of the temper of the time It is a collection for the most part of old favorites for Americans have been quick to take to heart a stirring telling of a daring and noble deed but these may be found to have gained freshness by a grouping in order The arrangement is chronological so far as it might be that the history of America as told by her poets should be set forth Here and there occur breaks in the story chiefly because there are fit incidents for song which no poet has fitly sung as yet The poems have been printed scrupulously from the best accessible text and they have not been tinkered in any way though some few have been curtailed slightly for the sake of space In a few cases where the whole poem has not fallen within the scope of this volume only a fragment is here given When this has been done it is pointed out Brief notes have been prefixed to many of the poems making plain the occasion of their origin and removing any chance obscurity of allusion Poems of American Patriotism, 1776-1898 Brander Matthews, 2023-10-01 Poems of American Patriotism 1776
