Poems of Praise and Worship Shane Anders,2006-12 Most people would define poetry as the rhythm of words or the rambling of one s thoughts To me it is not just making words rhyme or the ramblings of thoughts but rather putting into words and expressing the deepest feelings of a person s heart To be enjoyed poems do not have to contain any type of rhythmic beat but rather an arrangement of verses to convey to us beauty and eloquence For example Hebrew poetry in the Old Testament from the book of Job through Song of Solomon was written to show us the love wisdom and the awesome power of the almighty God The poems which I have written were inspired from verses recorded in the Bible It is my hope that this book will encourage the Christian believer to develop and exercise a spiritual discipline in their every day walk with our Lord and Savior Jesus Christ

Poems in Praise of Practically Nothing Samuel Hoffenstein,1928

Gemspirations Rowena Stenis,2014-03 Many people influenced my desire to write poetry My mother wrote poetry and set a good example My father was a language professor at a university and the major discussions during our meals concerned

words My musical training made it natural to think of poetry as the music of words and to see the rhythm and rhyme in the use of words Several poems were written while I was growing up but serious writing came later Years later while on an automobile trip with my husband and children in the western U S we visited with many of our friends and relatives I wrote thank you notes to them in poetry Other inspiration came from life s experiences such as watching wildlife meeting other people being with family and seeing the effects of aging One poem was inspired by talking to a Japanese lady about forgiveness love and acceptance After fifty years of marriage many people asked for marriage advice which I explained in a poem called Marriage Advice My poems have appeared in the yearly publications of the International Library of Poetry as well as in the World of Poetry anthology A music publisher in Nashville Tennessee saw some of my poems and has set some to music and put them on CDs One of the latest is Marriage Advice which says to put Jesus in the center of your life and pray My first book of poetry entitled Reflections was published in 1994 by Carlton Press

The Fields of Praise Marilyn Nelson,1997

The Holy Worm of Praise Philip Schultz,2002 the holy worm of our tongues singing praise our faces shining like cities our being one among many our climbing Jacob s ladder to rock in the arms of angels our walking here and there on the earth and looking around Philip Schultz s work has always evoked a brilliant cavalcade of people and images that make you want to laugh and cry at the same time Yehuda Amichai but the poems in this new collection his first in fifteen years register a movement from desire pain and loss to sympathy understanding and love In these meditations on friendship and the forgotten of our world these elegies for the displaced and cherished dead there is something new and wonderful praise From the seemingly trivial hums and beeps of an answering machine to the painful experience of being touched by Alzheimer s these extraordinary poems suffuse human experience with the wonder laughter and luminosity of life With an intensity akin to prayer they celebrate love be it sexual familial romantic or otherwise in all its wonder and complexity singing praise for what is most vulnerable beautiful and innocent in ourselves

Between Hebrew and Arabic Poetry Yosef Tobi,2010-07-14 The book includes sixteen studies about medieval Hebrew poetry compared with Arabic poetry It is well known that since the tenth century medieval Hebrew poets took Arabic poetry as the ultimate paradigm in terms of prosody language purism and rhetorical devices and even in regard to poetical genres However the concept unifying all studies in this book is that a comparative examination must consider not only the identical elements in which Hebrew poetry borrowed from the Arabic one but also what is much more significant what Hebrew poetry stubbornly set itself at a distance from Arabic poetry The conclusive result of this sort of examination is that Hebrew poetry combined selectively borrowed Arabic poetical values with traditional ethical Jewish values to create a distinctive poetical school

Poetry in the Hebrew Bible David Orton,2022-04-11 An appreciation of

the form and artistry of texts is essential to the understanding of their content and nowhere is this more evident than in the case of biblical poetry But poetic form is also worthy of appreciation in its own right and as the studies in this collection show Hebrew poetry can be seen as a monument to the literary artistic achievement of the ancients Great strides have been made in the investigation of the form and structure of the biblical texts and no new study of the Hebrew Bible can afford to ignore the fruitful work that has been done in this field This useful collection presents in a handy format an ample harvest of research by many of the world's leading Hebrew Bible scholars who have published their work in the pages of *Vetus Testamentum* in recent decades It provides a fascinating reflection of the continuing new discoveries of the richness of the biblical text which informs the lively present day study of the Hebrew Bible as world literature

The Dream of the Poem, 2009-01-10 Hebrew culture experienced a renewal in medieval Spain that produced what is arguably the most powerful body of Jewish poetry written since the Bible Fusing elements of East and West Arabic and Hebrew and the particular and the universal this verse embodies an extraordinary sensuality and intense faith that transcend the limits of language place and time Peter Cole's translations reveal this remarkable poetic world to English readers in all of its richness humor grace gravity and wisdom The Dream of the Poem traces the arc of the entire period presenting some four hundred poems by fifty four poets and including a panoramic historical introduction short biographies of each poet and extensive notes The original Hebrew texts are available on the Princeton University Press Web site By far the most potent and comprehensive gathering of medieval

Hebrew poems ever assembled in English Cole's anthology builds on what poet and translator Richard Howard has described as the finest labor of poetic translation that I have seen in many years and an entire revelation a body of lyric and didactic verse so intense so intelligent and so vivid that it appears to identify a whole dimension of historical consciousness previously unavailable to us The Dream of the Poem is Howard says a crowning achievement *Poetry and Prayer* Francesca Bugliani Knox, John Took, 2016-03-03 Interdisciplinary and ecumenical in scope Poetry and Prayer offers theoretical discussion on the profound connection between poetic inspiration and prayer as well as reflection on the work of individual writers and the traditions within which they stand An international range of established and new scholars in literary studies and theology offer unique contributions to the neglected study of poetry in relation to prayer Part I addresses the relationship of prayer and poetry Parts II and III consider these and related ideas from the point of view of their implementation in a range of different authors and traditions offering case studies from for example the Bible Dante Shakespeare and Herbert as well as twentieth century poets such as Thomas Merton Denise Levertov W H Auden and R S Thomas **Conversations in the River of Praise** Candace A. Reigle, 2008-11-18 Prayers are so often just wish and want lists without any sense that anyone is even listening to us But when we make the effort to listen to others we can learn some surprising things and this is true in our relationship to God as well In thirty some years of regular church attendance I should have known of God's love But knowing of something and actually experiencing it are two very different things I learned much and was comforted much and even changed much by the pouring out of my heart and God's outpouring of love in return I offer here the blessings with which I have been blessed All praise and thanks to God **The Praises of Poetry** Capel Lofft, 1775 [The Poetry of Praise](#) J. A. Burrow, 2011-03-03 One of the chief functions of poetry in Antiquity the Middle Ages and the Renaissance was to praise gods people and things Heroes and kings were glorified in many varieties of praise and the arts of encomium and panegyric were codified by classical rhetoricians and later by writers on poetry J A Burrow's study spans over two thousand years from Pindar to Christopher Logue but its main concern is with the English poetry of the Middle Ages a period when praise poetry flourished He argues that the decline of praise in English literature since the seventeenth century which has meant that modern readers and critics find it hard to appreciate this kind of poetry This erudite but accessible account by a leading scholar of medieval literature shows why the poetry of praise was once so popular and why it is still worth reading today **Poet's Choice** Edward Hirsch, 2006 A collection of revised and expanded writings culled from the author's popular Washington Post Book World Poet's Choice column demonstrates how poetry responds to world challenges and introduces the work of more than 130 writers
