Poetry Of William Butler Yeats:

Selected Poetry William Butler Yeats, 1991 This new selection includes the final book from the unfairly neglected narrative poem *The Wanderings of Oisín* and a number of lyrics from Yeats's work as poetic dramatist together with other short pieces which have not achieved canonical status It breaks new ground by allowing the reader to engage with a dozen poems in alternative versions in many other cases it provides significant variants so that Yeats's struggle to revise his poetry and to remake himself can be experienced with unusual immediacy *The Collected Poems of W.B. Yeats* William Butler Yeats, 1989 The *Collected Poems of W.B. Yeats* includes all of the poems authorized by Yeats for inclusion in his standard canon Breathtaking in range it encompasses the entire arc of his career from luminous reworkings of ancient Irish myths and legends to passionate meditations on the demands and rewards of youth and old age from exquisite occasionally whimsical songs of love nature and art to somber and angry poems of life in a nation torn by war and uprising In observing the development of rich and recurring images and themes over the course of his body of work we can trace the quest of this century's greatest poet to unite intellect and artistry in a single magnificent vision Revised and corrected this edition includes Yeats's own notes on his poetry complemented by explanatory notes from esteemed Yeats scholar Richard J Finneran The *Collected Poems of W.B. Yeats* is the most comprehensive edition of one of the world's most beloved poets available *A Selection from the Love Poetry of William Butler Yeats* William Butler Yeats, 1913 *Heaven's Embroidered Cloths* William Butler Yeats, 1996 As a boy Yeats dramatized himself as a sage magician or poet and when fellow poet Katharine Tynan first met him in 1885 he seemed to her all dreams and gentleness His lifelong interest in the myths legends and folk history of his native Ireland his fascination with magic and the occult the theatre language politics love and friendship are all prevalent in this collection of poems He was a visionary poet and uses symbols to evoke rather than to describe and in 1923 he was awarded the Nobel Prize for Literature The book is illustrated by a range of predominantly Irish painters including the poet's younger brother Jack B Yeats *Yeats's Poems* William Butler Yeats, Warwick Gould, 1996
