Queens Smuggler:

The Queen's Smuggler Dave Jackson, Neta Jackson, 1991 If Sarah's desperate mission fails her family is in peril of their lives

Sea Queens Jane Yolen, 2010-07-01 In 1963 Jane Yolen released a book called PIRATES IN PETTICOATS because the idea of women as pirates fascinated her but there wasn't much information about these women who made their livelihoods plundering on the high seas Scholars have dug up a bounty of new information since then and Jane still fascinated revisits the ladies who loot Discover such great pirates as Artemisia the Admiral Queen of Persia who sailed the seas from 500 to 480 BC At one point there was a 10 000 drachma prize for anyone who could capture her There was Rachel Wall who ran away from her strict upbringing and became a murderous pirate terrorizing the waters of the Atlantic coastline of America She was hanged for her deeds Possibly the most famous woman pirate of all was Grania O Malley daughter of an Irish chieftain She plagued the English and was arrested several times always gaining her freedom to pirate some more Meet ten other female pirates on their ships in battle and in disguise in this intriguing look at the wayward women of the waves Christine Joy Pratt's pen and ink illustrations are alive with action and excitement Here be a true and accurate account of the most low down scurviest but the prettiest black hearted pirates you'll ever love to read about The Queen's Smuggler

Dave Jackson, 2016-06-07 THE QUEEN'S SMUGGLER Introducing William Tyndale Sarah Poyntz is the daughter of an English merchant who operates a shipping business from Antwerp Belgium in 1535 Her father is very interested in the ideas of William Tyndale who has fled England as a condemned outlaw for refusing to stop his translation work of the English Bible Tyndale believes that the Word of God should be read by the common people in their own language a belief shared by the Poyntz family But when Tyndale is captured and imprisoned Sarah becomes the only hope for saving his life If she can successfully smuggle a copy of Tyndale's New Testament into the hands of the king's wife Queen Anne perhaps she can persuade him to spare Tyndale's life If Sarah's desperate mission fails her family is in peril of their lives Will she have the courage to go through with it Can Tyndale's life be spared **Queen's Smuggler** Dave Jackson, 1994 Fairy Queens Saga Amber Argyle, 2017-09-06 Rule 1 Never bargain with the fae Rule 2 Never fall for the enemy To be with the one they love three women must break the fae curse that bound their families as immortal enemies Of Ice and Snow The fourth throwaway son of the clanchief Otec witnesses his faraway mountain village come under attack while all the other men are off to war Cut off from his clan and dodging raiders he must trust a foreign woman stalked by a dark mysterious magic as they race to save his family from a life of slavery and his kingdom from utter destruction Winter Queen Never bargain with the fae A dying man delivers a terrible warning a civil war has begun between neighboring clans As healer and clanmistress Ilyenna is tasked with keeping the wounded alive and her people fed in the midst of a seemingly endless winter But she is taken captive she discovers the feud between clans is merely a distraction from something far worse Of Fire and Ash There is one rule above all others never bargain with the fae for such bargains always morph into curses But as the droughts worsen

Nelay must rely more and more on her forbidden sight to keep her family alive When her father goes missing she risks exposure to find him before time runs out Summer Queen To rise from the ashes first she must burn As Nelay s kingdom is pummeled into submission Nelay realizes a bigger power is at play than that wielded by mere mortals Perhaps the only way to defeat the fae is to embrace the curse they gave her For only Nelay can stand between the cinders of her once great nation and the vengeance of the Winter Queen Of Sand and Storm By law any child born in Idara is free even if that child is born in a slave brothel Unfortunately for Cinder she has grown into a beauty that surpasses even the renown of her mother and grandmother making her far too valuable a commodity to lose The slaveholder calls in Cinder s debts forcing her into a dangerous game where her very freedom is the prize Daughter of Winter Bargains Only the desperate need them Only the desperate make them And always the desperate pay Isolated in a northern queendom Elice dreams of color and music and life So when a whaling ship crashes just offshore she doesn t hesitate to rescue the lone survivor Adar who quickly becomes her friend She must keep him hidden from her mother at all costs for if the Winter Queen discovers him trespassing she ll kill him Unbeknownst to Elice a bargain was made long ago A bargain she was born to fulfill Winter s Heir Unless Elice can force the immortal queens to unite the magic of winter and summer the magic will die and take the world with it *The Queen of the Seas. A tale of sea and land* F. Claudius ARMSTRONG,1867 *Smuggler's Lair* Virginia Henley,2016-05-10 There is always a time for love Victoria Carswell will not be bound by society s dictates least of all the clothes that constrict her But while brazenly skinny dipping in view of her beloved Bodiam Castle abandoned for many years or so she thinks she s overcome by a distinct and thrilling sensation of being watched When she decides to explore the castle the ancient hallways and dusty byways take her on an unexpected journey into the distant past Swept back from her staid Victorian era to the comparatively bawdy times of Georgian England Victoria is quickly wooed by a pirate smuggler In Falcon s arms she revels in expressing herself unreservedly in a liberating spirit of adventure and recklessness And she is rightly devastated when she suddenly finds herself back in her world separated from her pirate seemingly forever But she may learn that time might just be on her side Previously published in *Lords of Desire* **The Queen's Taxes** John Noble,1870 **Fan Toy the Opium-Queen; Or, The Bradys and the Chinese Smugglers** ,1901 *The Smugglers* Charles George Harper,1909

Opinions have ever been divided on the question of the morality or the immorality of smuggling This is not in itself remarkable since that subject on which all men think alike has not yet been discovered but whatever the views held upon the question of the rights and wrongs of the free traders craft they have long since died down into abstract academic discussion Smuggling is indeed not dead but it is not the potent factor it once was and to what extent Governments are justified in taxing or restricting in any way the export or the import of goods will not again become a living question in this country until the impending Tariff Reform becomes law There have been those who reading the proofs of this book have variously found in it arguments for and others arguments against Protection but as a sheer matter of fact there are in these pages no studied
