## **Raising Lazarus A Memoir:**

Raising Lazarus Robert Jon Pensack, 2005-05 Raising Lazarus is Dr Robert Pensack's personal memoir of his battle to maintain his sanity in the face of extraordinary suffering. Dr Pensack's story chronicles his near life-long struggle with a mortal illness Hypertrophic Cardiomyopathy or HCM formally known as IHSS a genetic illness marked by abnormality of the heart muscle. After the disease claimed the life of his young mother the adolescent Pensack and his brother Richard who also suffered from HCM went on to become chronic research heart patients at The National Institutes of Health in Bethesda Maryland. They endured a litany of surgeries and multiple near death experiences caused by cardiac arrests until thirty years later both received heart transplants that saved their lives. Remarkably and coincidentally Dr Pensack played a vital role in the evolution of organ transplantation and in his own survival helping to produce one of the anti rejection drugs with which he himself was later treated at the time of his greatest need. From recounting his feeling of being condemned to an existence laden with insufferable burden to the hope restored through the ultimate gift of life Raising Lazarus is Dr Pensack's inspirational story of survival and triumph. Extraordinary A doctor's memoir of his struggle against his own illness. An intimate account of the remarkable medical advances of the last few decades from a unique point of view. Campbell, MD, 2006-06-26 All of us repeatedly grieve, heal and reinvent ourselves throughout our lives. Being aware of and active in this inherent aspect of our existence I believe to be a less painful and more satisfying way of living than blindly struggling with or resisting these natural processes. John S Campbell M D author of *A Journey: Creative Grieving and Healing*. We all die, he seems to be telling us. What is far more important is that we live a meaningful life before that time comes. We all need to dig deep to find our own wisdom so we may understand what John is telling us.
