Fast Food Andrew F. Smith,2016-04-15 The single most influential culinary trend of our time is fast food It has spawned an industry that has changed eating the most fundamental of human activities From the first flipping of burgers in tiny shacks in the western United States to the forging of neon signs that spell out Pizza Hut in Cyrillic or Arabic scripts the fast food industry has exploded into dominance becoming one of the leading examples of global corporate success And with this success it has become one of the largest targets of political

criticism blamed for widespread obesity cultural erasure oppressive labor practices and environmental destruction on massive scales In this book expert culinary historian Andrew F Smith explores why the fast food industry has been so successful and examines the myriad ethical lines it has crossed to become so As he shows fast food plain and simple devised a perfect retail model one that works everywhere providing highly flavored calories with speed economy and convenience But there is no such thing as a free lunch they say and the costs with fast food have been enormous an assault on proper nutrition a minimum wage labor standard and a powerful pressure on farmers and ranchers to deploy some of the worst agricultural practices in history As Smith shows we have long known about these problems and the fast food industry for nearly all of its existence has been beset with scathing expos s boycotts protests and government interventions which it has sometimes met with real changes but more often with token gestures blame passing and an unrelenting gauntlet of lawyers and lobbyists Fast Food ultimately looks at food as a business an examination of the industry s options and those of consumers and a serious inquiry into what society can do to ameliorate the problems this cheap and tasty product has created *Discovering Nutrition* Paul M. Insel, Elaine Turner, Don Ross, 2010 *Discovering Nutrition* Third Edition is a student friendly introduction to nutrition on a non majors level Coverage of material such as digestion metabolism chemistry and life cycle nutrition is clearly written accessible and engaging to undergraduate students **Undoctored** William Davis, 2017-05-09 Conventional health care is no longer working in your favor but thankfully Dr Davis is In his New York Times bestseller *Wheat Belly* Dr William Davis changed the lives of millions of people by teaching them to remove grains from their diets to reverse years of chronic health damage In *Undoctored* he goes beyond cutting grains to help you take charge of your own health This groundbreaking expos reveals how millions of people are given dietary recommendations crafted by big business are prescribed unnecessary medications and undergo unwarranted procedures to feed revenue hungry healthcare systems With *Undoctored* the code to health care has been cracked Dr Davis will help you create a comprehensive program to reduce reverse and cure hundreds of common health conditions and break your dependence on prescription drugs By applying simple strategies while harnessing the collective wisdom of new online technologies you can break free of a healthcare industry that puts profits over health *Undoctored* is the spark of a new movement in health that places the individual not the doctor at the center His plan contains features like A step by step guide to eliminating prescription medications Tips on how to distinguish good medical advice from bad 42 recipes to guide you through the revolutionary 6 week program *Undoctored* gives you all the tools you need to manage your own health and sidestep the misguided motives of a profit driven medical system **The Goat World** , 1929
