**Symbolism in the Fourth Gospel** Craig R. Koester, 2003-02-19 Craig Koester's respected study uses the symbolic language of the Gospel of John as a focus to explore the Gospel's literary dimensions, social and historical context, and theological import. This edition is fully revised and updated and includes a number of new sections on such topics as Judas and the knowledge of God. Fresh treatments are given on a number of issues, including the Gospel's Christology. This new edition offers both new insights and proven worth for students and scholars alike. *Study John's Gospel* Paul Avent, 2010-09-28 There is no available information at this time. [Movies that Matter](#) Richard Leonard, 2010-06 A lively, discerning guide to what's good, beautiful, and true at the movies. Richard Leonard SJ expertly guides readers through some of the most popular recent films and shows us how even the most unlikely movies can encourage us to pray and draw closer to the divine. Fascinating, lively, and often witty. James Martin SJ, author of *My Life with the Saints*. This thought-provoking and inspiring work by popular film critic and Jesuit Richard Leonard explains how movies are today's parables and why people of faith need the skills to converse about them intelligently and productively. In *Movies That Matter*, Leonard views fifty important movies through a lens of faith and offers surprising insights on the spiritual dimension of each film. From *Finding Nemo* to *Gandhi* to *The Godfather*, Leonard's informed Christian point of view guides us to a new appreciation of both the films and our own spiritual beliefs. Leonard also lists teachable moments found in each movie and provides questions for personal reflection or group dialogue. In addition, Leonard teaches today's religious educators, parents, and film buffs how to read a film with the eyes of faith and how to meaningfully engage with others through the media of film. He offers realistic advice on such topics as valuing our story, sex, and violence in films, ratings, and how to be a critical consumer. This entertaining and reliable guide will enrich your movie-watching experience. *Movies That Matter* is a book every person in pastoral ministry will want to use as he or she seeks to be relevant and faithful in a media world. Rose Pacatte FSP, coauthor *Lights Camera Faith*. ***Raised from the Dead*** Frank Turner, 2009-04 *Raised from the Dead* is the personal account of award-winning TV news anchor Frank Turner's triumphant journey through abandonment, sexual abuse, drug addiction, and three fatal cocaine overdoses. It also includes fascinating insight into his involvement with the Nation of Islam as Louis Farrakhan's former son-in-law. Your image of what a stonecold cocaine junkie crackhead looks like probably doesn't include an impeccably dressed, very professional, and extremely articulate television anchor delivering your evening news. But it should. For twenty-five years, the life of two-time Emmy award-winning broadcaster, investigative reporter, and news anchor Frank Turner was a roller coaster ride that took him from the heights of achievement to the depths of addiction. With no choice but to build upon his damaged foundation of abandonment, abuse, and sexual molestation as a child, Turner simultaneously constructed a brilliant career and a tormented life. Even as he interviewed kings and presidents, mayors, and moguls, reported on disasters, and major developments of all kinds, gathered and delivered the most exciting news stories from around the world, Frank's most shocking and powerful story was always his own. But it has never been told until now.

**Women in John's Gospel** Susan Miller, 2023-01-26 Closely examines John's portrayal of women in relation to discipleship and the theme of new creation arguing that these depictions are influenced by his apocalyptic world view By employing historical and literary methods of biblical interpretation to analyse John's presentation of women and gender Miller explores the extent to which John gives any indications of the female role in both John's community and the beginnings of the Christian faith Beginning with the Virgin Mary's portrayal at the wedding at Cana where she prompts Jesus to carry out his first sign Miller then thoroughly assesses several crucial female characters in John to stress how Jesus' female followers truly recognise him as the Messiah These include the Samaritan woman Martha and Mary of Bethany and Mary Magdalene and her encounter with Jesus in the garden Crucially Miller suggests that John's frequent use of woman links these female followers particular Jesus' venerated mother with the figure of Eve in Genesis and she concludes that women are associated with the hour of Jesus when he casts out the ruler of the world and inaugurates the new creation

**The Miracles of Jesus According to John** Stephen S. Kim, 2010-07-08 In our age of theological relativism Jesus' question to His own disciples continues to ring true Who do the people say that the Son of Man is Through Jesus' seven miracles and His seven I Am sayings the apostle John provides a clear answer to that all important question Furthermore what do Jesus' miracles represent Are they designed to point to something or someone In our supernatural crazed culture that affects even evangelical Christianity it is refreshing to be reminded that biblical miracles were never arbitrary but were always purposeful authenticating God's message and His messenger's In the Gospel of John the miracles of Jesus are both Christological that is they highlight Jesus' Person and eschatological that is they foreshadow the work the Messiah will do in His future Advent The miracles remind us that God's desire for every believer is first and foremost a spiritual relationship with Him through His Son Furthermore Jesus' miracles also remind us that God's work in and for every believer will be fully and ultimately realized in the everlasting life

*The Standard*, 1916 Applied New Testament Bible Commentary Tom Hale, Steve Thorson, 2012-12-10 The wisdom found in God's Word is timeless as relevant today as when it was first written And the challenge for believers remains unchanged how do we apply these truths to our everyday world The Applied Commentary series is a fresh approach to Bible study connecting great wisdom with your life today Each Scripture passage is enhanced with insights on key themes and ideas Featured articles provide a deeper look at essential concepts while the contemporary language allows for easy reading And because some subjects are open to interpretation for discussion we've included perspectives from leading theologians from all backgrounds and denominations The result An interactive approach to Scripture that will challenge your ideas and build your faith which is what reading the Bible is all about

**The Cross-and-Resurrection** Deolito V. Vistar Jr., 2020-01-17 Deolito V Vistar Jr argues that Jesus' signs in the Fourth Gospel do

not simply refer to the eight major miracles recounted in the Gospel but also include deeds that are non miraculous In the context of this broad reference the author argues that the cross and resurrection is the supreme sign of all back cover

**Wandering in Darkness** Eleonore Stump, 2012-09-13 Only the most naive or tendentious among us would deny the extent and intensity of suffering in the world Can one hold consistently with the common view of suffering in the world that there is an omniscient omnipotent perfectly good God This book argues that one can Wandering in Darkness first presents the moral psychology and value theory within which one typical traditional theodicy namely that of Thomas Aquinas is embedded It explicates Aquinas's account of the good for human beings including the nature of love and union among persons Eleonore Stump also makes use of developments in neurobiology and developmental psychology to illuminate the nature of such union Stump then turns to an examination of narratives In a methodological section focused on epistemological issues the book uses recent research involving autism spectrum disorder to argue that some philosophical problems are best considered in the context of narratives Using the methodology argued for the book gives detailed innovative exegeses of the stories of Job Samson Abraham and Isaac and Mary of Bethany In the context of these stories and against the backdrop of Aquinas's other views Stump presents Aquinas's own theodicy and shows that Aquinas's theodicy gives a powerful explanation for God's allowing suffering She concludes by arguing that this explanation constitutes a consistent and cogent defense for the problem of suffering

*Glory, Grace, and Truth* Alexander Tsutserov, 2009-02-24 In *Glory Grace and Truth* Alexander Tsutserov argues that three concepts of the revelation of God as Jesus are unfolded throughout the Gospel of John in terms of a ratification of the covenant of the presence of God The covenantal aspects of glory confirming the presence of God are evident in Jesus the visible appearance of God the intrinsic character of God the miraculous splendor of God in Jesus's incomparable signs deeds wonders and marvelous acts and the divine honor of God in the Son glorified by the Father Grace upon grace alludes to the requests to confirm the presence of God All believers gained the grace of the presence of God in Jesus rather than Moses alone encountering the grace of the presence at Sinai The Gospel of John depicts ratification of the covenant of the presence of God in Jesus according with the covenantal articles Grace and truth alludes to Exodus 34:6 Each allusion in John depicts the full graciousness and integrity of God's character The Son possesses and bestows the Father's character onto believers by means of the Holy Spirit who is full of grace and truth The divine character and the divine Law complement each other in believers thus fulfilling the Scripture In essence the revelations of God at Sinai and in Jesus are the same In quality the latter surpasses the former in all three aspects glory grace and truth
