Ralph Nader:

Ralph Nader Nancy Bowen, 2002-01-01 A biography of the consumer advocate who has devoted his life to crusading for citizens rights and who ran as the Green Party's presidential candidate in 2000

Ralph Nader Patricia Cronin Marcello, 2004-09-30 Traces the life and career of consumer advocate Ralph Nader discussing his run for the presidency and his role in protecting the consumer

Ralph Nader Kevin Graham, 2000-12-15 This authorized biography based on numerous interviews with Ralph Nader and his family and friends succinctly covers his fascinating and exciting life Everything from his childhood to his famous 1965 auto safety book *Unsafe at Any Speed* to his 2000 presidential campaign is included along with many stories of his life never before published This biography provides both young readers and adults an engaging summary of Ralph Nader's influential life with comments from well known authorities such as Pulitzer Prize winner David Halberstam and Public Citizen's Joan Claybrook

In Pursuit of Justice Ralph Nader, 2004-06-01 Ralph Nader is one of America's most controversial and uncompromising public figures He is a man on a mission who believes that taking on the powers that be involves more than just talking about it it also means taking action From car safety in the 1960s to opposition to the World Trade Organization in the 1990s Nader's work has increased government responsiveness to citizens served as a check against the abuse of power by big business and shaped the political consciousness of a nation Nader's sense of mission is infused in all of his work especially his weekly columns *In Pursuit of Justice* a collection of Nader's most recent trenchant articles written in the years immediately following the publication of *The Ralph Nader Reader* Nader addresses a broad array of issues among them corporate crime and power government accountability media control consumer rights healthcare congressional reform nuclear power and energy racial discrimination poverty food and drug safety air and water pollution fair taxation product liability protection union democracy living family wage unfair lending practices community radio industrial hemp banking pension law telecommunications and the importance of character Nader has even sponsored consumer initiatives to reform university governance educational testing daily newspapers women's health care legal services and professional sports all of which are reflected in these sharp and sometimes humorous essays As informative as it is pleasurable to read section after section of *In Pursuit of Justice* slices through government and corporate propaganda and reveals the corruption bias and injustice that all too often connect politics with big business thereby impeding the pursuit of justice Collecting more than one hundred of his most recent writings *In Pursuit of Justice* conveys Nader's inimitable sense of both the global political economy and our nation's democratic promise

The Ralph Nader Reader Ralph Nader, 2000-11-07 Four generations of Americans have come to associate Ralph Nader with the political issues that have defined our age be it car safety in the 1960s or the anti WTO demonstrations that recently shut down Seattle His work has successfully shaped the Left increased government accountability made possible new laws and served as a powerful check against abuses of corporate power In this landmark collection the essays that reveal the

intellectual social and political underpinnings of this legendary citizen advocate are brought together for the first time In The Ralph Nader Reader we follow the trajectory of Nader s concerns from 1956 to the present and his personal evolution from consumer advocate to presidential candidate The result is a monumental book an invaluable resource for anyone interested in a unique vision of democracy that places citizenship over consumerism communities over corporations and public interest over private power **Ralph Nader Congress Project** Ralph Nader,1975-12 Breaking Through Power Ralph

Nader,2016-09-12 Nader s assessment of how concentrated wealth and power undermine democracy is clear and compelling but it s his substantive vision of how we ought to respond that makes Breaking Through Power essential reading Written just before Donald Trump s Electoral College victory Nader s latest book reads with even greater urgency now Yes Magazine In Breaking Through Power Ralph Nader draws from a lifetime waging and often winning David vs Goliath battles against big corporations and the United States government In this succinct Tom Paine style wake up call the iconic consumer advocate highlights the success stories of fellow Americans who organize change and work together to derail the many ways in which wealth manipulates politics labor media the environment and the quality of national life today Nader makes an inspired case about how the nation can and must be democratically managed by communities guided by the United States Constitution not by the dictates of big businesses and the wealthy few This is classic Ralph Nader a crystallization of the core political beliefs and commitments that have driven his lifetime of advocacy for greater democracy Ralph Nader is the grand progressive of our time We overlook his words at our own peril This book is required reading Cornel West Ralph Nader s Breaking Through Power is a brilliant analysis of corporate power and the popular mechanisms that can be used to wrest back our democracy No one has been fighting corporate domination longer or understands it better than Nader who will go down in history not only as a prophet but an example of what it means to live the moral life We disregard his wisdom and his courage at our peril Chris Hedges Pulitzer Prize winner and author of Wages of Rebellion The Moral Imperative of Revolt Nader goes beyond delineating the problem and provides a critical prescription to battle the toxicity of unjust power one that every individual can and must embrace Nomi Prins author All the Presidents Bankers People are recognizing that our founding fundamental values of fairness justice and opportunity for all the very values that define our America are being shoved aside to create an un America of plutocracy and autocracy Ralph Nader s new book Breaking Through Power provides progressive boat rockers with inspiration and a plan for reclaiming America from the greedy Plutocrats and Fat Cats who think democracy is for sale to the highest bidder Jim Hightower I read Ralph Nader for the same reasons that I read Tom Paine He knows what he thinks says what he means and his courage is a lesson for us all Lewis Lapham Nader insists on speaking up for the little people and backs his arguments and decent sentiments with hard facts Publishers Weekly This book is short easy to read and deserves more than five stars Nader speaks for the average American and backs up his arguments with facts This is extremely highly recommended Paul Lappen Midwest Book Review About Ralph Nader Named by The Atlantic as one of the hundred most

influential figures in American history and by Time and Life magazines as one of the most influential Americans of the twentieth century Ralph Nader has helped us drive safer cars eat healthier food breathe better air drink cleaner water and work in safer environments for more than four decades Nader's recent books include *Animal Envy* *Unstoppable* *The Good Fight* and the bestseller *Seventeen Traditions* Nader writes a syndicated column has his own radio show and gives lectures and interviews year round

Told You So Ralph Nader, 2013-05-28 What sets Ralph Nader apart is that he has moved beyond social criticism to effective political action The New York Times Nader is at his polemical best inveighing against specific issues from the skyrocketing costs of college education to the Keystone XL pipeline to new traffic safety concerns that harken back to his pivotal game changing 1965 book *Unsafe at Any Speed* Admirers of Nader will find much to savor here as will anyone seeking to understand the mind of a man who singlehandedly sparked a new era of citizen driven political and consumer activism Publishers Weekly The column is the most natural literary form for a citizen's advocate and Ralph Nader may be its most robust and forceful practitioner Told You So The Big Book of Weekly Columns presents a panoramic portrait of the problems confronting our society and provides examples of the many actions an organized citizenry could and should take to create a more just and environmentally sustainable world Drawing on decades of experience Nader's columns document the consequences of concentrated corporate power threats to our food water and air the corrosive effect of commercialism on our children the dismantling of worker rights and the attacks on our civil rights and civil liberties Nader also offers concrete suggestions to spark citizen action and achieve social change

Let's Start the Revolution Ralph Nader, 2024-07-23 In his latest eye opening exploration political maverick Ralph Nader dissects the astonishing twists and turns of the 2020 presidential election a race that left the nation on the edge of its seat Although Joe Biden clinched victory with a substantial popular vote lead Nader unveils the precarious nature of the outcome where a mere 100 000 votes in key swing states could have catapulted Donald Trump back to the presidency In *Let's Start the Revolution* Nader asks How did the Democrats despite winning the 2020 election find themselves teetering on the edge of defeat The answers he finds lie in the Democratic Party's gradual decline into decrepitude a self isolation from blue collar America an unhealthy fixation on corporate funding and an alarming aversion to introspection Nader argues that the Democrats abandonment of their base and failure to address critical issues allowed the Republicans to solidify their hold on key states *Let's Start the Revolution* exposes the insular nature of the Democratic Party apparatus adept at fundraising but detached from the grassroots movements that truly define the political landscape Nader argues that the focus on dollars over principles has eroded the authenticity of the Democratic Party's rhetoric on workers consumers and children Drawing on historical parallels and real life examples Nader unearths

the pitfalls of relying on political and media consultants who prioritize corporate interests over the needs of the people isolating candidates from progressive citizen organizations and obstructing crucial campaign winning agendas As Nader dissects the Democratic Party's stagnation he offers a compelling narrative on its post 2010 decline exploring the devastating impact of gerrymandering and the loss of over 1000 state legislative seats The book highlights the party's inability to connect with voters missing opportunities for meaningful engagement and perpetuating a cycle of defeat The Democrats have written off competing in half the country and have ceased to be a true national party Let's Start the Revolution is not just a critique but a call to action Nader advocates for a genuine relationship between the Democratic Party and the everyday lives of the people it seeks to represent Based on his deep understanding of the necessities anxieties and dreams of millions of families Nader charts a path forward a path that prioritizes authenticity community engagement and a relentless pursuit of the common good In a political landscape marred by a divide and rule polarization emanating from the power struggle between the major parties this book serves as a vital roadmap for revitalizing democracy empowering all citizens and steering the Democratic Party away from cronyism and complacency Ralph Nader's latest work is a rallying cry for those who believe in the power of the people to arouse the heart of American democracy No Contest Ralph Nader, Wesley J. Smith, 1998-12-22 The legal rights of Americans are threatened as never before In No Contest Ralph Nader and Wesley J Smith reveal how power lawyers Kenneth Starr perhaps the most notorious among them misuse and manipulate the law at the expense of fairness and equity Nader and Smith document how corporate lawyers File baseless lawsuits Use court secrecy to their unfair advantage Engage in billing fraud Nader and Smith sound the warning that this system wide abuse is eroding our basic legal rights and propose a positive commonsense vision of what should be done to reverse the corporate inspired corruption of civil justice Timely incisive and highly readable this is a book for all citizens who believe that prompt access to justice is the backbone of democracy and a precious right to be reclaimed *Civic Self-respect* Ralph Nader, 2025-04-15 An inspiring exploration of democracy that separates the concept of a citizen into various roles providing a clarifying mission to all who read this call to action and civic participation In this concise volume Ralph Nader our trusted voice on corporate power and civic resistance goes right to the most basic taproots of an aspiring democracy its people and their roles in creating and sustaining community These roles including citizen voter worker taxpayer consumer and parent contribute to civic self respect and one's own significance in society As federal judge Learned Hand said in 1944 during a famous brief speech at Central Park New York City neither the laws the courts or other related institutions can be saved without the underlying exercise of the democratic spirit by the people Civic Self Respect argues the importance to recognize the centrality in the development of a civic personality as distinguished from a private personality with the two co existing for a moral life participating in the common good As Nader's mother said when her friends would wonder how she could be raising four children and still have so much time for community engagements What's the difference One depends on each other the

family and the community This book argues for how important it is for our educational system to teach the essentials of civic responsibility beyond its occupational or technical emphasis because the emergence of such a public minded personality is so essential for understanding the world and shaping civil societies **Ralph Nader** ,1973 The Good Fight Ralph Nader,2005-07-05 Straight talk about George W Bush corporate government and the whole charade of presidential campaigning from the last honest man in American politics Ralph Nader brilliant visionary relentless activist may be the most honest man left in politics And yet his presidential campaigns have faced consistent opposition mainly from Democrats afraid that competition from an inspiring independent could dent their voting block Now in The Good Fight Nader swings back harder than ever at those who want to block the American people from having more voices and choices and have lost touch with the concept that votes must be earned not inherited or entitled While taking on corporate occupied Washington and the government s daily abuse of ordinary citizens he urges a speedy return to stronger civic motivation If fed up citizens don t actively join the fight for better leadership then ultimately we have no one to blame but ourselves for the inadequate checks on the erosion of our civil liberties In an era when politicians sell us rhetoric and then sell out our principles Nader stands as a crucial voice of candor The Good Fight is a stirring response to politics as usual one that will captivate readers of all political stripes and help us define what we must do to shape the brightest future for our nation **Whistle Blowing** Ralph Nader,Peter J. Petkas,Kate Blackwell,1972 The Good Fight Ralph Nader,2009-03-17 Straight talk about George W Bush corporate government and the whole charade of presidential campaigning from the last honest man in American politics Ralph Nader brilliant visionary relentless activist may be the most honest man left in politics And yet his presidential campaigns have faced consistent opposition mainly from Democrats afraid that competition from an inspiring independent could dent their voting block Now in The Good Fight Nader swings back harder than ever at those who want to block the American people from having more voices and choices and have lost touch with the concept that votes must be earned not inherited or entitled While taking on corporate occupied Washington and the government s daily abuse of ordinary citizens he urges a speedy return to stronger civic motivation If fed up citizens don t actively join the fight for better leadership then ultimately we have no one to blame but ourselves for the inadequate checks on the erosion of our civil liberties In an era when politicians sell us rhetoric and then sell out our principles Nader stands as a crucial voice of candor The Good Fight is a stirring response to politics as usual one that will captivate readers of all political stripes and help us define what we must do to shape the brightest future for our nation Ralph Nader for President , Features information about American lawyer and consumer advocate Ralph Nader 1934 and his campaign to win the 2000 U S presidential election provided by the Nader 2000 General Committee Inc Notes that Nader is the candidate for the Green Party Includes a biography press releases and information about news and events Highlights Nader s viewpoints on current issues **"Only the Super-Rich Can Save Us!"** Ralph Nader,2011-01-04 In the cozy den of the large but modest house in Omaha where he has lived since he started on

his first billion Warren Buffett watched the horrors of Hurricane Katrina unfold on television in early September 2005 On the fourth day he beheld in disbelief the paralysis of local state and federal authorities unable to commence basic operations of rescue and sustenance not just in New Orleans but in towns and villages all along the Gulf Coast He knew exactly what he had to do So begins the vivid fictional account by political activist and bestselling author Ralph Nader that answers the question What if What if a cadre of superrich individuals tried to become a driving force in America to organize and institutionalize the interests of the citizens of this troubled nation What if some of America s most powerful individuals decided it was time to fix our government and return the power to the people What if they focused their power on unionizing Wal Mart What if a national political party were formed with the sole purpose of advancing clean elections What if these seventeen superrich individuals decided to galvanize a movement for alternative forms of energy that will effectively clean up the environment What if together they took on corporate goliaths and Congress to provide the necessities of life and advance the solutions so long left on the shelf by an avaricious oligarchy What could happen This extraordinary story written by the author who knows the most about citizen action returns us to the literature of American social movements to Edward Bellamy to Upton Sinclair to John Steinbeck to Stephen Crane reminding us in the process that changing the body politic of America starts with imagination

Culture Wars Roger Chapman,2010 Although openness and inclusion are cornerstones of life in the United States intolerance and reactionary politics are also very real As the nation prepares to elect a new president The Culture Wars addresses the key defining issues of contemporar

Cutting Corporate Welfare Ralph Nader,2000-10-03 In this groundbreaking pamphlet based on testimony he delivered before Congress Ralph Nader describes how corporations are picking our pockets and what we can do to stop them While the United States continues to experience unprecedented cuts in social service programs and millions of Americans go without health insurance massive corporations continue to reap huge sums of taxpayer money through corporate welfare corporate subsidies bailouts giveaways and tax escapes Cutting Corporate Welfare details numerous appalling examples of corporate welfare including the giveaway of the public airwaves which by definition belong to the people to private radio and television stations including the latest 70 billion gift of the digital spectrum taxpayer subsidies for giant defense corporation mergers and commercial weapons exports to governments overseas and the practice of making patients pay twice for drugs first as taxpayers subsidize the drugs development and again as patients after the federal government gives monopolistic control over the chemical s manufacture to a price gouging drug company Cutting Corporate Welfare sounds a wake up call for those concerned about how we are being pick pocketed by big business and what we can do to stop it
