Readers LOVE Kate Field Exceptional depth to the characters and a beautiful story Loved loved loved it Amazon reviewer Lively fluid writing a cracking plot and the most magical of characters that will truly warm your heart Amazon reviewer I absolutely loved it and I mean I really loved it it may be one of my favourite reads Amazon reviewer *Table Talk* ,1916 *Raising Cain* Gallatin Warfield,2025-05-01 His father s death on a deserted road is regarded as a natural passing but Sergeant Joe Brown suspects foul play He has his suspicions and when his prime suspect is suddenly found dead too he is charged with the murder With Brown s reputation and career at stake it s up to prosecutor Gardner Lawson to defeat flamboyant defense attorney Kent King in a trial that will take many shocking twists and turns before arriving at its shattering conclusion **The Mystery of Iniquity** William H. Shurr,2021-12-14 This book is the first to consider the work of Herman Melville s later years as a whole in the light of his life and reading during those years and of the intellectual and artistic ambience of the later nineteenth century With the exception of *Billy Budd* almost all of the writing Melville produced between 1857 and 1891 is poetry Until now little attention has been given to the poetry and it has been customary to view Melville s final masterpiece *Billy Budd* against the background of the earlier fiction almost as if the writing of the intervening thirty four years had not existed William H Shurr who has studied the poems with close attention to the Melville manuscripts in the Houghton Library at Harvard University contends that Melville s poetry merits more attention and appreciation than has hitherto been accorded it

Concerned principally with the maturation of Melville's darker themes he has been the first to study the carefully designed sequences in which Melville published his poems He has also discovered in the poems thematic patterns among them Melville's heterodox Christology and his concept of a particular kind of individualism found in what he calls the transcendent act that shed new light on the complexities of Billy Budd
