British Masculinity in Transatlantic Cinema Carolyn Owen-King, 2024-12-12 British Masculinity in Transatlantic Cinema explores the Hollywood careers and stardom of British male actors who had fought in the first World War In an apparently incongruous development in the years after the armistice some of the men who fought in Scottish regiments during World War I found some degree of career success in Hollywood s film industry two of which included Ronald Colman and Basil Rathbone Through exploring transatlantic film history this book uncovers the ways in which these men were presented in media and on screen arguing that they carry with them even in films made at the height of censorship an appealing and attractive queerness Owen King expands on Eve Kosofsky Sedgwick s theory of homosocial homosexual continuum and offer readings of film texts that use her theories to survey gender and sexual identities within Hollywood s Golden Era

The Woman's Film of the 1940s Alison L. McKee,2014-04-03 This book explores the relationship among gender desire and narrative in 1940s woman s films which negotiate the terrain between public history and private experience The woman s film and other form of cinematic melodrama have often been understood as positioning themselves outside history and this book challenges and modifies that understanding contextualizing the films it considers against the backdrop of World War II In addition in paying tribute to and departing from earlier feminist formulations about gendered spectatorship in cinema McKee argues that such models emphasized a masculine centered gaze at the inadvertent expense of understanding other possible modes of identification and gender expression in classical narrative cinema She proposes ways of understanding gender and narrative based in part on literary narrative theory and ultimately works toward a notion of an androgynous

spectatorship and mode of interpretation in the 1940s woman s film Not All Were Heroes: A Private in the Corps of Engineers in the Pacific During World War II Herbert L. Martin,2007 The daily life of a soldier in World War II in journal entries with drawings by the author **We Can Take It!** Mark Connelly,2014-07-10 We Can Take It shows that the British remember the war in a peculiar way thanks to a mix of particular images and evidence Our memory has been shaped by material which is completely removed from historical reality These images including complete inventions have combined to make a new history The vision is mostly cosy and suits the way in which the Britons conceive of themselves dogged good humoured occasionally bumbling unified and enjoying diversity In fact Britons load their memory towards the early part of the war Dunkirk Blitz Battle of Britain rather than when we were successful in the air or against Italy and Germany with invasions This suits our love of being the underdog fighting against the odds and being in a crisis Conversely the periods of the war during which Britain was in the ascendant are perversely far more hazy in the public memory *A Rose for Mrs. Miniver* Michael Troyan,2010-09-12 In this first ever biography of Greer Garson Michael Troyan sweeps away the many myths that even today veil her life The true origins of her birth her fairy tale discovery in Hollywood and her career struggles at Metro Goldwyn Mayer are revealed for the first time Garson combined an everywoman quality with grace charm and refinement She won the Academy Award in 1941 for her role in Mrs Miniver and for the next decade she reigned as the queen of MGM Co star Christopher Plummer remembered Here was a siren who had depth strength dignity and humor who could inspire great trust suggest deep intellect and whose misty languorous eyes melted your heart away Garson earned a total of seven Academy Award nominations for Best Actress and fourteen of her films premiered at Radio City Music Hall playing for a total of eighty four weeks a record never equaled by any other actress She was a central figure in the golden age of the studios working with legendary performers Clark Gable Marlon Brando Elizabeth Taylor Errol Flynn Joan Crawford Robert Mitchum Debbie Reynolds and Walter Pidgeon Garson s experiences offer a fascinating glimpse at the studio system in the years when stars were closely linked to a particular studio and moguls such as L B Mayer broke or made careers With the benefit of exclusive access to studio production files personal letters and diaries and the cooperation of her family Troyan explores the triumphs and tragedies of her personal life a story more colorful than any role she played on screen A House Made of Light George E. Toles,2001 An examination of how the escapism offered by movies is really a form of homecoming for the viewer **The Woman Who Pretended to Be Who She Was** Wendy Doniger,2005 Many cultures have myths about self imitation stories about people who pretend to be someone else pretending to be them in effect masquerading as themselves This great theme in literature and in life tells us that people put on masks to discover who they really are under the masks they usually wear so that the mask reveals rather than conceals the self beneath the self In this book noted scholar of Hinduism and mythology Wendy Doniger offers a cross cultural exploration of the theme of self impersonation whose widespread occurrence argues for both its literary power and its human value The stories she considers

range from ancient Indian literature through medieval European courtly literature and Shakespeare to Hollywood and Bollywood They illuminate a basic human way of negotiating reality illusion identity and authenticity not to mention memory amnesia and the process of aging Many of them involve marriage and adultery for tales of sexual betrayal cut to the heart of the crisis of identity These stories are extreme examples of what we common folk do unconsciously every day Few of us actually put on masks that replicate our faces but it is not uncommon for us to become travesties of ourselves particularly as we age and change We often slip carelessly across the permeable boundary between the un self conscious self indulgence of our most idiosyncratic mannerisms and the conscious attempt to give the people who know us personally or publicly the version of ourselves that they expect Myths of self imitation open up for us the possibility of multiple selves and the infinite regress of self discovery Drawing on a dizzying array of tales some fact some fiction *The Woman Who Pretended to Be Who She Was* is a fascinating and learned trip through centuries of culture guided by a scholar of incomparable wit and erudition

Women in War Celia Lee, Paul Edward Strong, 2012-06-19 The changing role of women in warfare a neglected aspect of military history is the subject of this collection of perceptive thought provoking essays By looking at the wide range of ways in which women have become involved in all the aspects of war the authors open up this fascinating topic to wider understanding and debate The discuss how particularly in the two world wars women have been increasingly mobilized in all the armed services originally as support staff then in defensive combat roles They also consider the tragic story of women as victims of male violence and how women have often put up a heroic resistance and examine how women have been drawn into direct combat roles on an unprecedented level a trend that is still controversial in the present day The collection brings together the work of noted academics and historians with the wartime experiences of women who have remarkable personal stories to tell The book will be a milestone in the study of the recent history of the parts women have played in the history of warfare Authors Dr Juliette Pattinson Professor Mark Connolly Georgina Natzio Christine Halsall Jonathan Walker Major Imogen Corrigan Dr Halik Kochanski Dr T A Heathcote Elspeth Johnstone Mike Ryan Grace Filby Dr George Bailey Tatiana Roshupkina Leicester Chilton Paul Edward Strong Celia Lee John Lee [The Ring of Truth](#) Wendy Doniger, 2017-04-03 Why are sex and jewelry particularly rings so often connected Why do rings continually appear in stories about marriage and adultery love and betrayal loss and recovery identity and masquerade What is the mythology that makes finger rings symbols of true or as the case may be untrue love The cross cultural distribution of the mythology of sexual rings is impressive from ancient India and Greece through the Arab world to Shakespeare Marie Antoinette Wagner nineteenth century novels Hollywood and the De Beers advertising campaign that gave us the expression A Diamond is Forever Each chapter of *The Ring of Truth* like a charm on a charm bracelet considers a different constellation of stories stories about rings lost and found in fish forgetful husbands and clever wives treacherous royal necklaces fake jewelry and real women modern women s revolt against the hegemony of jewelry and the clash between common sense and conventional narratives about rings Herein lie

signet rings betrothal rings and magic rings of invisibility or memory The stories are linked by a common set of meanings such as love symbolized by the circular and unbroken shape of the ring infinite constant eternal a meaning that the stories often prove tragically false While most of the rings in the stories originally belonged to men or were given to women by men Wendy Doniger shows that it is the women who are important in these stories as they are the ones who put the jewelry to work in the plots
