Ransomed, Redeemed, and Forgiven David H. McIlroy, 2022-07-05 Images connected to money are found frequently in the Bible and in the hymns and songs Christians sing The ideas of ransom redemption and forgiveness are a key part of how the work of Jesus on the cross is described But what do the pictures of ransom redemption and forgiveness actually mean How would they have been understood by the first hearers of the gospel How do they link to kidnapping slavery and debt Using practical examples from his experience as a banking lawyer and from history David McIlroy shows how power money and sin combine to trap us leaving us in desperate need of a redeemer to rescue us This book will deepen your understanding of Jesus s death enrich your worship and inspire you to share and demonstrate the transformative power of the salvation achieved through the cross and resurrection
