Raoul Le Fevre The History Of Jason:

The History of Jason John Munro, 1913 **Revival: Caxton's History of Jason (1913)** William Caxton, 2018-09-03 This book is based on William Caxton's translation of 15th century French author Raoul Lefèvre's book *Histoire de Jason* he wrote in 1460. The *Histoire de Jason* is known from 20 manuscripts and 30 different printed editions and was translated in English in 1477 by William Caxton and in Dutch in 1485. Lefèvre was the chaplain of Philip the Good, the creator of the Order of the Golden Fleece which was based on the classical Jason story.

We have not used OCR (Optical Character Recognition) as this leads to bad quality books with introduced typos. 2. In books where there are images such as portraits, maps, sketches, etc. We have endeavoured to keep the quality of these images so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

The History of Jason Raoul Lefèvre, William Caxton, 1913 *The History of Jason* Raoul Lefèvre, William Caxton, 1913 **The History of Jason** William Caxton, 2015-07-20 Excerpt from *The History of Jason* Translated From the French of Raoul Le Fevre. In preparing this text for the press, I had the advantage of William Morris's type-written copy of the Romance, a copy which I believe he had had prepared for his own press but never used and which his executors very kindly handed over for the use of the Early English Text Society. In the text itself, now reprinted for the first time, I have indulged in much less interference with the original than is usual in the case of editing a manuscript, feeling that scholars may most usefully be served by the reproduction as near as may be of Caxton's text in as full a possible

details The few departures made from the original seemed more or less imperative The difficulty of following the dialogue in such talk as that between Jason and Corfus p 32 led me to adopt inverted commas The initials of proper names are capitalized where Caxton has occasionally used a lower case letter and the few contractions whereby he sometimes effected his spacing have been expanded In punctuation other than that mentioned above the original has been sedulously followed and though Caxton was not so liberal of points as the modern typographer his own system with which the text may easily be read and his own occasional disregard of it are probably more desirable here than our own lavishness I had hoped to have included in this volume the Introduction the collation with the French original the Notes and the Glossary but pressure of other affairs has forced me to postpone these for a second volume at some future time About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
