## **Rape Victim:**

**Rape and Its Victims** United States. Department of Justice,1975      Maternal & Child Health Nursing Adele Pillitteri,2010 Growing research shows that many children from immigrant and refugee families are not doing well in school due in part to linguistic and cultural disadvantages Teaching dual language learners requires cultural sensitivity an understanding of language acquisition and intentional teaching strategies Combining research and techniques this resource helps early childhood educators support dual language learners as they develop the skills necessary for school readiness and success      Policing Rape Katrin Hohl,Elizabeth A. Stanko,2024-07-05 The policing of rape is in permacrisis This book addresses the question of why police investigations continue to fail most rape victim survivors and puts forward a framework for what policing can do to change this Low conviction rates and poor victim survivor experiences are the hallmarks of the rape justice gap Three decades of research policy and legal changes have tweaked rape investigations to alleviate some of their ills however for the majority of victim survivors the process remains gruelling Police forces are notoriously resistant to reform even in the face of rapidly declining public trust The starting point of this book is the recognition that if we want profound change in policing we must try something new To do so the authors move from asking What is it about rape that makes it so difficult for police to investigate it well to asking What is it about the police that makes it so difficult for police to investigate rape well Policing Rape sets out a practice oriented theoretical framework for radically and sustainably transforming rape investigations rape prevention and the quality of officer engagement with victim survivors The authors reflect on the journey of putting this framework into practice within Operation Soteria Bluestone as a step on the path towards a radical transformation of rape policing This book is essential reading for all those looking to understand and improve the policing of rape      **Social Psychology and Human Sexuality** Roy F. Baumeister,2001 Presents a selected group of influential articles dealing specifically with the social aspects of sexuality topics covered include differences between male and female sexuality virginity harassment rape and coercion and jealousy      Violence Against Women Claire M. Renzetti,Raquel Kennedy Bergen,2005 This is an edited volume of 12 articles previously published in Social Problems that may be considered among the most influential in the development of the sociological study of violence against women

**Revisiting the 'Ideal Victim'** Marian Duggan,2018-07-04 Nils Christie s 1986 seminal work on the Ideal Victim is reproduced in full in this edited collection of vibrant and provocative essays that respond to and update the concept from a range of thematic positions Each chapter celebrates and commemorates his work by analysing evaluating and critiquing the current nature and impact of victim identity experience policy and practice The collection expands the focus and remit of victim studies addressing key themes around race gender faith ability and age while encompassing new and diverse issues Examples include sex workers as victims of hate crimes victims experiences of online fraud and recognising historic child sexual abuse victims in Ireland With contributions from an array of academics including Vicky Heap Sheffield Hallam

University Hannah Mason Bish University of Sussex and Pamela Davies Northumbria University as well as a Foreword by David Scott The Open University this book evaluates the contemporary relevance and applicability of Christie's Ideal Victim concept and creates an important platform for thinking differently about victimhood in the 21st century

**Victimology and Victim Assistance** Yoshiko Takahashi, Chadley James, 2018-11-14 Victimology and Victim Assistance offers insights into the criminal justice system from the perspective of often overlooked participants victims Delving into victim involvement in the criminal justice system the impact of crime on victims and new directions in victimology and victim assistance authors Yoshiko Takahashi and Chadley James provide crucial insights and practical applications into the field of victim assistance With an emphasis on advocacy intervention and restoration this book examines real issues and barriers in the criminal justice system for victims and offers a way forward for future criminal justice or other human service professionals
