## Rape Of Sita:

*The Rape of Sita* Lindsey Collen, 2004 Banned upon its first publication in Mauritius winner of the prestigious Commonwealth Prize for Best Novel in Africa this stylistically radical novel is both starkly modern in its conception and reminiscent of ancient myth in its captivating narrative and allegorical power Deftly blending oral and literary traditions Collen has crafted a short epic that evokes legacies of oppression and resistance of women of cultures and of nations Through the intersecting frames of Indian African and European cultures that make up the tiny African island nation of Mauritius emerges Sita a living legend in her country and activist in the national struggle for independence She is also a strong woman who has buried a secret that threatens to overwhelm her As Sita makes terrifying plunges into the black hole of her fragmented memory her painful and angry search to come to terms with her past extends beyond her own violation Echoing ancient folk tales and religious prophecies Sita's modern day struggle to remember her own history and rape comes to symbolize all rapes all violations and all colonizations *Rape of Sita* Lindsey Collen, *The Rape of Sita* Lindsey Collen, 1995 Sita is a strong woman champion of the repressed inspiration to the weak a living legend in Mauritian society She has also buried a secret that threatens to overwhelm her very self Told in lyrical tones by Iqbal the Umpire Sita's story echoes ancient myths folk tales and religious prophecies Yet in the modern landscape of the 1980s Sita must struggle to remember her own history and her own rape which comes to symbolise all rapes all violations all colonisations Literature Suppressed on Religious Grounds Margaret Bald, 2014-05-14 Literature Suppressed on Religious Grounds Revised Edition profiles the censorship of many such essential works of literature The entries new to this edition include extensive coverage of the Harry Potter series which has been frequently banned in the United States on the grounds that it promotes witchcraft as well as entries on two popular textbook series The Witches by Roald Dahl Women Without Men A Novel of Modern Iran and more Also included are updates to such entries as The Satanic Verses by Salman Rushdie and On the Origin of Species by Charles Darwin *Dedicated to the People of Darfur* Luke Reynolds, Jennifer Reynolds, 2009-09-11 Life's changes They happen every day Some large some small A few are very personal Others impact the world Dedicated to the People of Darfur Writings on Fear Risk and Hope includes original and inspiring essays that celebrate the glories gained from taking risks breaking down barriers and overcoming any obstacles Nobel and Pulitzer Prize winners a gallery of O Henry award recipients and many best selling authors come together to share personal and compelling challenges and experiences From contemplations on past drug use to reflections on gun control social justice passion and its sacrifices and adventures such as skydiving mountain climbing and golfing the topics vary greatly This kaleidoscopic anthology is a commentary on the lives of prominent literary artists and ordinary citizens who have made simple yet powerful choices that provoked change in one's self and for humanity much the same way that Luke and Jennifer Reynolds do by building this invaluable collection for readers and the world of human rights Not too long ago as struggling graduate students Luke and Jennifer Reynolds

conceived this uniquely themed volume as a way to raise funds to support ending the genocide in Darfur Some people carry signs others make speeches many take action What is most special about this book is that it extends beyond words and ideas into a tangible effort to effect change To this end all royalties from the sales of Dedicated to the People of Darfur Writings on Fear Risk and Hope will benefit The Save Darfur Coalition an organization that seeks to end the genocide in Darfur Sudan

**Hybridity** Vanessa Guignery,Catherine Pessa-Miquel,François Specq,2011-09-22 Over the last two decades the unstable notion of hybridity has been the focus of a number of debates in cultural and literary studies and has been discussed in connection with such notions as m tissage creolization syncretism diaspora transculturation and in betweenness The aim of this volume is to form a critical assessment of the scope significance and role of the notion in literature and the visual arts from the eighteenth century to the present day The contributors propose to examine the development and various manifestations of the concept as a principle held in contempt by the partisans of racial purity a process enthusiastically promoted by adepts of mixing and syncretism but also a notion viewed with suspicion by those who decry its multifarious and triumphalist dimensions and its lack of political roots The notion of hybridity is analysed in relation to the concepts of identity nationhood language and culture drawing from the theories of Mikhail Bakhtin Homi Bhabha Robert Young Paul Gilroy and Edouard Glissant among others Contributors examine forms of hybridity in the work of such canonical writers as Daniel Defoe Robert Louis Stevenson Thomas De Quincey and Victor Hugo as well as in contemporary American and British fiction Neo Victorian and postcolonial literature
