Sublimity James Kirwan, 2014-02-04 Sublimity addresses the nature of the sublime experience itself and the function that experience has played and continues to play within aesthetic discourse The book both updates and revises existing treatments of the sublime in the eighteenth century examines its neglected role in the nineteenth century aesthetics and

analyzes the significance of the modifications the concept has undergone in order to serve the interests of contemporary aesthetics The book thus offers the most comprehensive coverage of the history of the sublime available *Alternate Views, Alternate Universes* David B. Mattingly, Cathleen Cogswell, 1996 **Irrational Exuberance in the U.S. Housing Market** Mr. Christopher W. Crowe, 2009-03-01 The recent housing bust has reignited interest in psychological theories of speculative excess Shiller 2007 I investigate this issue by identifying a segment of the U S population evangelical protestants that may be less prone to speculative motives and uncover a significant negative relationship between their population share and house price volatility Evangelicals focus on Biblical prophecy could account for this difference since it may enable them to interpret otherwise negative events as containing positive news dampening the response of house prices to shocks I provide evidence for this channel using a popular internet measure of prophetic activity and a 9 11 event study I also analyze survey data covering religious beliefs and asset holding and find that end times beliefs are associated with a one third decline in net worth consistent with these beliefs providing a form of psychic insurance Scheve and Stasavage 2006a and 2006b that reduces asset demand
