Rare Visions And Roadside Revelations:

Rare Visions & Roadside Revelations Randy Mason, 2002 Companion book to KCPT's award winning public television series Includes an amazing array of art and oddities food and fun and a world of creativity in some of the most unexpected places Weird Michigan Linda S. Godfrey, 2006 Explores ghosts and haunted places local legends cursed roads crazy characters and unusual roadside attractions found in Michigan World Heritage and National Registers Thomas R. Gensheimer, Celeste Lovette Guichard, 2017-09-08 Historic sites celebrate defining moments in history memorialize important events and people and contribute to the character of the locations where they are situated Heritage designation both globally and nationally is an inherently contested issue As detailed in this volume concerns of politics and identity criteria for designation impacts on communities and sites and challenges to management planning are central to any understanding of the process by which heritage sites are created developed and maintained The idea for this volume originated at a symposium hosted by the Savannah College of Art and Design Contributors address such topics as the need to revamp criteria for designation the effect historic site recognition has on local communities the challenges encountered in maintaining a site and issues linked to specific political climates or actions and group identity The contributors constitute an international cast of leading scholars employees and policy makers all of whom have had extensive experience with World Heritage and National Register site stewardship The work will be an invaluable reference for historians architects and those committed to the preservation of national monuments American Folk Art Kristin G. Congdon, Kara Kelley Hallmark, 2012-03-19 Folk art is as varied as it is indicative of person and place informed by innovation and grounded in cultural context The variety and versatility of 300 American folk artists is captured in this collection of informative and thoroughly engaging essays American Folk Art A Regional Reference offers a collection of fascinating essays on the life and work of 300 individual artists Some of the men and women profiled in these two volumes are well known while others are important practitioners who have yet to receive the notice they merit Because many of the artists in both categories have a clear identity with their land and culture the work is organized by geographical region and includes an essay on each region to help make connections visible There is also an introductory essay on U S folk art as a whole Those writing about folk art to date tend to view each artist as either traditional or innovative One of the major contributions of this work is that it demonstrates that folk artists more often exhibit both traits they are grounded in their cultural context and creative in the way they make work their own Such insights expand the study of folk art even as they readjust readers understanding of who folk artists are *Self-Taught, Outsider and Folk Art* Betty-Carol Sellen, 2016-02-09 Much has changed in the world of self taught art since the millennium Many of the recognized masters have died and new artists have emerged Many galleries have closed but few new ones have opened as artists and dealers increasingly sell through websites and social media The growth and popularity of auction houses have altered the relationship between artists and collectors In its third edition this book

provides updated information on artists galleries museums auctions organizations and publications for both experienced and aspiring collectors of self taught outsider and folk art Gallery and museum entries are organized geographically and alphabetically by state and city *The New Encyclopedia of Southern Culture* Carol Crown,Cheryl Rivers,Charles Reagan Wilson,2013-06-03 Folk art is one of the American South s most significant areas of creative achievement and this comprehensive yet accessible reference details that achievement from the sixteenth century through the present This volume of The New Encyclopedia of Southern Culture explores the many forms of aesthetic expression that have characterized southern folk art including the work of self taught artists as well as the South s complex relationship to national patterns of folk art collecting Fifty two thematic essays examine subjects ranging from colonial portraiture Moravian material culture and southern folk pottery to the South s rich quilt making traditions memory painting and African American vernacular art and 211 topical essays include profiles of major folk and self taught artists in the region **Canoeing the Great Plains**

Patrick Dobson,2015-05-01 Tired of an unfulfilling life in Kansas City Missouri Patrick Dobson left his job and set off on foot across the Great Plains After two and a half months 1 450 miles and numerous encounters with the people of the heartland Dobson arrived in Helena Montana He then set a canoe on the Missouri and asked the river to carry him safely back to Kansas City hoping this enigmatic watercourse would help reconnect him with his life In Canoeing the Great Plains Dobson recounts his journey on the Missouri the country s longest river Dobson a novice canoeist when he begins his trip faces the Missouri at a time of dangerous flooding and must learn to trust himself to the powerful flows of the river and its stark and serenely beautiful countryside He meets a cast of characters along the river who assist him both with the mundane tasks of canoeing portaging around dams and reservoirs and finding campsites and with his own personal transformation Mishaps mistakes and misadventures plague his trip but over time the river shifts from being a frightening adversary to a welcome companion As the miles float by and the distinctions blur between himself and what he formerly called nature Dobson comes to grips with his past his fears and his life beyond the river EPHEMERIS --The Book of Time --2 Red Jordan

Arobateau,2010 Capturing Nature Patsy Pittman Light,2008-02-11 Over a period of some twenty years Mexican born artisan Dionicio Rodr guez created imaginative sculptures of reinforced concrete that imitated the natural forms and textures of trees and rocks He worked in eight different states from 1924 through the early 1950s but spent much of his early career in San Antonio where several of his creations have become beloved landmarks More than a dozen of Rodr guez s works have been included on the National Register of Historic Places Patsy Pittman Light has spent a decade documenting the trabajo r stico rustic work of Rodr guez along with its antecedents in Europe and Mexico and the subsequent work of those Rodr guez trained in San Antonio Rodr guez s unique and unusual art will fascinate those new to it and delight those to whom it is familiar San Antonio sites such as the bus stop on Broadway the faux bois bridge in Brackenridge Park and the rocks on the Miraflores Gate at the San Antonio Museum of Art along with the Old Mill at T R Pugh Memorial Park in North Little Rock

and Memorial Park Cemetery in Memphis are just a few of the locations covered in this volume celebrating the life and work of a Latino artisan. Students and devotees of Texas and Southwestern art will welcome this book and its long overdue appreciation of this artist. Additionally, this book will commend itself to those interested in Latino studies, art history, and folklore.
