A Companion to German Cinema Terri Ginsberg, Andrea Mensch, 2012-02-13 A Companion to German Cinema A Companion to German Cinema regards the shifting terrain of German filmmaking and film studies against their larger social contexts with twenty two newly commissioned essays by well established and younger scholars in the field While several of these focus on classic topics such as Weimar cinema Fifties cinema New German Cinema and its legacy and Holocaust film the collection is distinguished by its focus on new developments and the innovative light they may shed on earlier practices A Companion to German Cinema includes essays on Berlin Film Neue Heimat Film New Comedy post Wall documentaries the post Wende RAF genre and Rabenmutter imagery as well as on the persistently overlooked and under theorized Indianerfilme post AIDS documentaries sexploitation films and new multicultural and transnational films produced in Germany under the auspices of the European Union Organized into three movements representing the significance of these developments for their aesthetic theorization A Companion to German Cinema challenges its readers to address critical gaps in the field with the aim of opening it further onto new terrains of intellectual engagement

**Raspberry Reich** Wolf Mankowitz, 1979-01-01

**Guerrilla Aesthetics** Kimberly Mair, 2016-05-01 The violent operations performed in the 1970s by West German urban guerrillas such as the Red Army Faction RAF were so vivid and incomprehensible that it seemed to be more urgent to produce spectacle than to be politically successful In *Guerrilla Aesthetics* Kimberly Mair challenges the assumption that these guerrillas sought to realize specific political goals Instead she tracks the guerrilla fighters plunge into an avant garde inspired negativity that rejected rationality and provoked the state Focusing on the Red Decade of 1967 to 1977 which was characterized not only by terrorism and police brutality but also by counterculture aesthetics Mair draws from archives grey literatures popular culture art and memorial and curatorial practices to explore the sensorial aspects of guerrilla communications performed by the RAF as well as the 2nd of June Movement and the Socialist Patients Collective Turning to cultural and artistic responses to the decade and its legacy of raw public feelings Mair also examines works by Eleanor Antin Erin Cosgrove Christoph Draeger Bruce LaBruce Gerhard Richter and others Reconsidering an enigmatic period in the history of terrorism *Guerrilla Aesthetics* innovatively engages with the inherent connections between violence performance the senses and memory

Postwall German Cinema Mattias Frey, 2013-05-01 Since the fall of the Berlin Wall there has been a proliferation of German historical films These productions have earned prestigious awards and succeeded at box offices both at home and abroad where they count among the most popular German films of all time Recently however

the country's cinematic take on history has seen a significant new development the radical style content and politics of the New German Cinema With in depth analyses of the major trends and films this book represents a comprehensive assessment of the historical film in today's Germany Challenging previous paradigms it takes account of a postwall cinema that complexly engages with various historiographical forms and above all with film history itself *"The Lives of Others" and Contemporary German Film* Paul Cooke,2013-06-26 This volume offers the first book length academic investigation of Florian Henckel von Donnersmarck's Oscar winning film *The Lives of Others* 2006 The aim of this edited collection is twofold On the one hand it offers new insight into one of the most successful German films of the past two decades placing *The Lives of Others* within its wider historical political aesthetic and industrial context On the other it offers this group of scholars which includes many of the leading international figures in the field opportunity to make a series of interventions on the state of contemporary German film and German film studies

**Horror after 9/11** Aviva Briefel,Sam J. Miller,2012-08-24 Horror films have exploded in popularity since the tragic events of September 11 2001 many of them breaking box office records and generating broad public discourse These films have attracted A list talent and earned award nods while at the same time becoming darker more disturbing and increasingly apocalyptic Why has horror suddenly become more popular and what does this say about us What do specific horror films and trends convey about American society in the wake of events so horrific that many pundits initially predicted the death of the genre How could American audiences after tasting real horror want to consume images of violence on screen *Horror after 9 11* represents the first major exploration of the horror genre through the lens of 9 11 and the subsequent transformation of American and global society Films discussed include the *Twilight* saga the *Saw* series *Hostel* *Cloverfield* *28 Days Later* remakes of *The Texas Chainsaw Massacre* *Dawn of the Dead* and *The Hills Have Eyes* and many more The contributors analyze recent trends in the horror genre including the rise of torture porn the big budget remakes of classic horror films the reinvention of traditional monsters such as vampires and zombies and a new awareness of visual technologies as sites of horror in themselves The essays examine the allegorical role that the horror film has held in the last ten years and the ways that it has been translating and reinterpreting the discourses and images of terror into its own cinematic language

*Encyclopedia of British Humorists* Steven H. Gale,1996 First Published in 1996 Routledge is an imprint of Taylor Francis an informa company

*Baader-Meinhof and the Novel* J. Preece,2012-04-14 The Baader Meinhof Group and other violent underground organizations have provided material to many novels by leading German and international writers This book is the first to examine this rich literary corpus treating it as a political unconscious which expresses submerged anxieties and moral blind spots in Europe's most powerful country

*Deleuze and Politics* Ian Buchanan,2008-05-20 This volume in the *Deleuze Connections* series debates and extends Deleuze's political thought through engagement with contemporary political events and concepts Against recent critique of Deleuze as a non political thinker this book explores the specific innovations and interventions that Deleuze's profoundly

political concepts bring to political thought and practice The contributors use Deleuze's dynamic theoretical apparatus to engage with contemporary political problems themes and possibilities including micropolitics cynicism war democracy ethnicity friendship revolution power fascism militancy and fabulation

**Far from Heaven** Glyn Davis,2011-01-31 This book is a study of *Far from Heaven* a commercially successful film that nevertheless sits rather ambiguously on the boundary between independent and mainstream cinema operating as an alternative to blockbuster fare

Screening the Red Army Faction Christina Gerhardt,2018-07-12 *Screening the Red Army Faction* Historical and Cultural Memory explores representations of the Red Army Faction RAF in print media film and art locating an analysis of these texts in the historical and political context of unfolding events In this way the book contributes both a new history and a new cultural history of post fascist era West Germany that grapples with the fledgling republic's most pivotal debates about the nature of democracy and authority about violence its motivations and regulation and about its cultural afterlife Looking back at the history of representations of the RAF in various media this book considers how our understanding of the Cold War era of the long sixties and of the RAF is created and re created through cultural texts

**Deleuze and Cinema** Felicity Colman,2011-06-01 Gilles Deleuze published two radical books on film *Cinema 1 The Movement Image* and *Cinema 2 The Time Image* Engaging with a wide range of film styles histories and theories Deleuze's writings treat film as a new form of philosophy This cinema philosophy offers a startling new way of understanding the complexities of the moving image its technical concerns and constraints as well as its psychological and political outcomes *Deleuze and Cinema* presents a step by step guide to the key concepts behind Deleuze's revolutionary theory of the cinema Exploring ideas through key directors and genres Deleuze's method is illustrated with examples drawn from American British continental European Russian and Asian cinema *Deleuze and Cinema* provides the first introductory guide to Deleuze's radical methodology for screen analysis It will be invaluable for students and teachers of Film Media and Philosophy

**Che's Afterlife** Michael J. Casey,2012-06-06 In 1960 Cuban photographer Alberto Korda captured fabled revolutionary Ernesto Che Guevara in what has become history's most reproduced photo Here Michael Casey tells the remarkable story of this image detailing its evolution from a casual snapshot to an omnipresent graphic plastered on everything from T shirts to vodka to condoms and into a copyrighted brand As Casey follows it across the Americas and through cyberspace he finds governments exploiting it and their dissenters attacking it merchants selling it and tourists buying it We see how this image is ultimately a mercurial icon that still ignites passion and a reflection of how we view ourselves

*Dragonwars* J. Bowyer Bell,2018-02-06 For centuries international order has been troubled by small wars insurrections and revolts low intensity conflicts With the implosion of the Soviet empire many thought such violence could be eradicated through the growth of democracy open societies and increased productivity and education Instead the world remains filled with turmoil pogroms famine civil war rebellion and terror often instigated by armed and dangerous zealots To Americans such killers seem alien and inexplicable fanatics without reason beyond the reach of

conventional containment or retaliation J Bowyer Bell here explores the psychological and strategic ecosystems which he terms dragon worlds of modern political violence and suggests how America might effectively deal with it Dragonwars combines analysis with historical examples drawn from America's involvement with armed struggle in Lebanon Central America Greece and Vietnam In each instance Bell argues American policy was flawed by lack of empathy and historical understanding combined with a belief that failure could be traced to mistakes in details and procedures The break up of the old bipolar U S Soviet confrontation released suppressed ambitions tribal greed and greater flexibility for the small player With new technologies of terror zones of security will become smaller since open societies present attractive targets for zealots Bell rejects the notion that massive force can effect a swift and final result Instead a new type of warrior will be required one versed in history and empathetic to the belief systems of the dragonworlds in which they are deployed Bell acknowledges that his proposals run counter to American belief and practice but argues that in the face of insoluble conflicts incremental advantages through limited altered global arena Dragonwars will prove an indispensable guide for policymakers military planners historians and political scientists
