Stars for Freedom Emilie Raymond, 2015-05-01 From Oprah Winfrey to Angelina Jolie George Clooney to Leonardo DiCaprio Americans have come to expect that Hollywood celebrities will be outspoken advocates for social and political causes However that wasn't always the case As Emilie Raymond shows during the civil rights movement the Stars for Freedom a handful of celebrities both black and white risked their careers by crusading for racial equality and forged the role of celebrity in American political culture

Focusing on the Leading Six trailblazers Harry Belafonte Ossie Davis Ruby Dee Sammy Davis Jr Dick Gregory and Sidney Poitier Raymond reveals how they not only advanced the civil rights movement in front of the cameras but also worked tirelessly behind the scenes raising money for Martin Luther King Jr s legal defense leading membership drives for the NAACP and personally engaging with workaday activists to boost morale Through meticulous research engaging writing and new interviews with key players Raymond traces the careers of the Leading Six against the backdrop of the movement Perhaps most revealing is the new light she sheds on Sammy Davis Jr exploring how his controversial public image allowed him to raise more money for the movement than any other celebrity The result is an entertaining and informative book that will appeal to film buffs and civil rights historians alike as well as to anyone interested in the rise of celebrity power in American society A Capell Family Book A V Ethel Willis White Book The Nonesuch and Others Brian Lumley, 2022-01-08

The Nonesuch and Others features a new Brian Lumley hero the Man With No Name As stated in the introduction the Man With No Name is just an innocent bystander who happens to be standing by in the wrong place at the wrong time a witness to terrifying occurrences monstrous events who can never be one hundred percent positive that the things he has experienced are real And why not Because a man who sees pink elephants might as easily see just about anything Neither hero nor anti hero the Man With No Name is narrator of the three stories in this collection but in The Nonesuch he s at least seen to be brave if not actually heroic However if you the reader were confronted by the bizarre inexplicable nonesuches whose paths tend to cross his in the following stories well how brave would you be Stories included in this collection The Thin People Stilts The Nonesuch **Elvis in Vegas** Richard Zoglin, 2020-11-10

Enfant Terrible! Murray Pomerance, 2002-11-01 The one thing everybody knows about Jerry Lewis is that he is beloved by the French those incomprehensible hedonistic strangers across the sea The French understand him while in the U S he is at best a riddle not one of us Lewis is someone we take profound pleasure in excluding if not ridiculing *Enfant Terrible* Jerry Lewis in American Film is the first comprehensive collection devoted to one of the most controversial and accomplished figures in twentieth century American cinema A veteran of virtually every form of show business Lewis s performances onscreen and the motion pictures he has directed reveal significant filmmaking talents and show him to be what he has called himself a total filmmaker Yet his work has been frequently derided by American critics This book challenges that easy reading by taking a more careful look at Lewis s considerable body of work onscreen in 16 diverse and penetrating essays Turning to such films as *The Nutty Professor* *The Ladies Man* *The King of Comedy* *The Delicate Delinquent*

Living It Up The Errand Boy The Disorderly Orderly Arizona Dream and The Geisha Boy the contributors address topics ranging from Lewis's on and offscreen performances the representations of disability in his films and the European obsession with Lewis to his relationship with Dean Martin and Lewis's masculinity Far from an out of control hysteric *Enfant Terrible* instead reveals Jerry Lewis to be a meticulous master of performance with a keen sense of American culture and the contemporary world Contributors include Mikita Brottman Scott Bukatman David Desser Leslie A Fiedler Craig Fischer Lucy Fischer Krin Gabbard Barry Keith Grant Andrew Horton Susan Hunt Frank Krutnik Marcia Landy Peter Lehman Shawn Levy Dana Polan Murray Pomerance and J P Telotte

Crazy Good Interviewing John B. Molidor, 2012-05-29 How acting a little crazy and thinking outside of the box can get you the job you want Ever hear of a job candidate stretching out on the interviewer's floor to fill out an application Or an applicant who sees nothing wrong with texting during the interview Securing a job interview is a golden opportunity The crazy bad behavior described above will not net a job offer *Crazy Good Interviewing* shows readers that crazy good behavior however can make an applicant stand out favorably in a sea of mediocrity Take the candidate who created a keynote presentation on his iPad to show what he could bring to the job or the one who created a DVD highlighting her abilities *Crazy Good Interviewing* is a book geared toward those who are looking for work in this tough economy Addresses how slightly eccentric behaviors can tip the scales in the applicant's favor Delves into how to access your three key strengths how to use body language effectively how to prepare a five sentence history that builds a bridge to the interviewer and more Turn just plain crazy into crazy good and land the job at your next interview

The Saturday Review, 1923 Self Contained Emma John, 2021-05-06 There is a piece of cod wisdom regularly dispensed to single women romance will arrive when you least expect it I had assumed it would also make its own travel arrangements too Emma John is in her 40s she is neither married nor partnered with child or planning to be In her hilarious and unflinching memoir *Self Contained* she asks why the world only views a woman as complete when she is no longer a single figure and addresses what it means to be alone when everyone else isn't In her book she captures what it is to be single in your forties from sharing a twin room with someone you've never met on a group holiday because the couples have all the doubles with ensuite to coming to the realisation that maybe your singleness isn't a temporary arrangement that maybe you aren't pre married at all and in fact you are self contained The book is an exploration of being lifelong single and what happens if you don't meet the right person don't settle down with the wrong person and realise the biggest commitment is to yourself

The Contemporary Review, 1908 This Might Get a Little Heavy Ralphie May, Nils Parker, 2017-12-12 There was a time when Ralphie May was one of the biggest standup comedians in the country both by ticket sales and by tonnage While some things changed Ralphie lost half his body weight others did not he will be remembered as one of the most successful comics of his time Completed just months before his untimely passing in *This Might Get a Little Heavy* Ralphie takes readers on a behind the scenes tour of his life and career one that winds across the country over obstacles

beyond heartbreak and through the golden age of stand up Raised in poor rural Arkansas by a single mom who struggled to make ends meet Ralphie s early years were the perfect breeding ground for the kind of pain and stress and adversity that only comedy can cure Bitten by the comedy bug at a Methodist sleep away camp when he was 12 years old Ralphie seized a once in a lifetime opportunity six years later at an open mic in a pizza parlor Mentored and inspired by legendary comedian Sam Kinison to move to Houston where he got his start Ralphie packed his bags and never looked back A major headliner for over twenty five years in This Might Get A Little Heavy Ralphie finally tells the world how a chubby poor kid from Clarksville went from Arkansas to Houston to Hollywood and beyond Full of never before told stories from Ralphie s life This Might Get A Little Heavy will bust your gut pull at your heart strings and touch your soul
