Rat Stew:

Soyala's Saga Richard Donahue,2015-03-31 Author House Review The Sixth Coming is set within an original mythology to fascinating results It combines vividly realized characters with spiritual themes and elements of Aztec lore There is an incredible array of exciting sequences that could provide great material for adapting this work into another medium Due to the nontraditional structure and storytelling style live theater could be an interesting option Film is another option perhaps animation could make the most of the impressive locations creatures and spectacles There are several elements that are very well suited for a film or theater piece Because both these mediums usually feature the interactions between characters the strong personalities of The Sixth Coming are essential to capture Soyala is a great heroine from her borderline petulance over the Builders gift to her reluctant and confused acceptance of her destiny She isn't perfect which makes her all the more compelling as she overcomes overwhelming odds Kajika Burilgi and the Minstrel are wonderful supporting characters Each of these brothers has his own distinct personality and their squabbling provides comic relief Burilgi and the Minstrel in particular provide humor Kajika could bring in sex appeal for female audiences while Soyala and Xochiquetzal could do so for males Xochiquetzal Tona teotl is a fascinating villain Her sinister sexuality when welcoming Soyala and Kajika could play very well in a film The later scenes on the Barge are thrilling due to Tona teotl's increasingly evident madness These scenes would provide terrific moments for an actor to really chew up the scenery The Shield Maidens story begins with the reader being introduced to her loved ones Each character is well developed and had distinctive characteristics When bad things happen to them we also feel her loss We also learn more about how she came to be and how important loyalty is to her survival The places that this story takes us to are either incredibly beautiful or eerily foreboding The creatures in it are also very uniquely described and incredibly different from the mundane realm that we currently inhabit Tremontaine: Book 2 Ellen Kushner,Tessa Gratton,Mary Anne Mohanraj,Joel Derfner,Racheline Maltese,Paul Witcover,2017-05-02 Welcome to Tremontaine where ambition love affairs and rivalries dance with deadly results In this serial Ellen Kushner and a team of writers return readers to the world of scandal and swordplay introduced in her cult classic novel Swordpoint Readers familiar with the series will find a welcome homecoming while new fans will learn what makes Riverside a place they will want to visit again and again Tremontaine follows Diane Duchess Tremontaine whose beauty is matched only by her cunning Rafe Fenton a handsome young scholar with more passion than sense Ixkaab Balam a tradeswoman from afar with skill for swords and secrets and Micah a gentle genius whose discoveries herald revolution Sparks fly as these four lives intersect in a world where politics is everything and outcasts are the tastemakers Tread carefully dear reader and keep your wit as sharp as your steel **Uncle Brucker the Rat Killer** Leslie Peter Wulff,2017-07-11 Sixteen year old Walt thinks he's left his problems behind him when he runs away from a broken home to live with his eccentric uncle The simple semi rural semi anti social lifestyle seems at first to be exactly what Walt wants but he soon learns his new life isn't just about ditching school and
