**The Ravens of Odin** Robert G. Picard,1988      The Ravens of Odin Robert G. Picard,1988      *The Media Welfare State* Ole J. Mjøs,Hallvard Moe,Trine Syvertsen,Gunn Sara Enli,2014-10-22 A dynamic examination of the media industry in the Nordic countries during the transition to today's digital environment      **Latin American Journalism** Michael B. Salwen,Bruce Garrison,2013-11-05 Produced to fill a gap in current knowledge about the state of journalism in Latin America this timely book chronicles how recent changes toward democratization and privatization in the region have influenced mass media industries and the practice of journalism Written as a tribute to earlier books about the development and status of Latin American news organizations this text provides a readable overview of journalism in the area Unlike those in previous works these chapters are divided by issues and subject matter instead of by nations and regions Each chapter concludes with a spotlight case study to illustrate the reading material These features along with several easy to follow tables topical examples suitable for class discussions and a variety of sources including original interviews with media professionals all combine to form the most up to date book currently available on this constantly changing subject      Media, Market, and Democracy in China Yuezhi Zhao,1998 Media Market and Democracy in China is an astonishingly close look at the intertwining nature of the Communist Party and the news media in China how they affect each other and what the future might hold for each How do market forces influence the media in China How does the Party both introduce and try to contain the market's influence How do commercial imperatives both accommodate and challenge Party control To answer these and other questions Yuezhi Zhao interviewed a wide range of scholars media administrators and media professionals During five months in China in 1994 and 1995 she monitored media content carried out extensive documentary research in Beijing and held off the record meetings with Chinese media insiders The first study of its kind to trace the Chinese print and broadcast media from the 1920s to 1996 this work will be must reading for students of journalism mass communications political science and China studies as well as for media and business professionals and policy makers who need to understand what's happening to China and its mass media      **Media Ethics and Justice in the Age of Globalization** S. Rao,H. Wasserman,2015-04-28 This book uses global perspectives to address questions of media ethics and justice in a local and transnational global environment and examines the common denominator running through such disparate investigations of theories and practices of media ethics and justice in the democracies of India South Africa Pakistan and the United States      **The Handbook of Comparative Communication Research** Frank Esser,Thomas Hanitzsch,2013-06-19 The Handbook of Comparative Communication Research aims to provide a comprehensive understanding of comparative communication research It fills an obvious gap in the literature and offers an extensive and interdisciplinary discussion of the general approach of comparative research its prospect and problems as well as its applications in crucial sub fields of communications The first part of the volume charts the state of the art in the field the second section introduces relevant

areas of communication studies where the comparative approach has been successfully applied in recent years the third part offers an analytical review of conceptual and methodological issues and the last section proposes a roadmap for future research

**Management and Economics of Communication** M. Bjørn Rimscha, 2020-06-08 This handbook combines the perspectives of communication studies economics and management and psychology in order to provide a comprehensive economic view on personal and mass communication It is divided into six parts that comprise 1 an overarching introduction that defines the field and provides a brief overview of its history 1 chapter 2 the most commonly used theoretic frameworks for the analysis of communication economics and management 4 chapters 3 the peculiarities of the quantitative and qualitative methods and data used in the field 3 chapters 4 key issues of the field such as the economics of language labor in creative industries media concentration branding etc 10 chapters 5 descriptions of the development trends and peculiarities of the field in different parts of the world written by scholars from the respective region 10 chapters 6 reflections on future directions for the field both from a managerial and from an economics perspective 1 chapter The authors of the individual chapters represent different academic disciplines research traditions and geographic backgrounds The reader will thus gain multifaceted insights into the management and economics of communication

Comparing Media Systems Daniel C. Hallin, Paolo Mancini, 2004-04-12 Building on a survey of media institutions in eighteen West European and North American democracies Hallin and Mancini identify the principal dimensions of variation in media systems and the political variables which have shaped their evolution They go on to identify three major models of media system development the Polarized Pluralist Democratic Corporatist and Liberal models to explain why the media have played a different role in politics in each of these systems and to explore the forces of change that are currently transforming them It provides a key theoretical statement about the relation between media and political systems a key statement about the methodology of comparative analysis in political communication and a clear overview of the variety of media institutions that have developed in the West understood within their political and historical context
