Ravens Ransom:

Raven's Revenge Roy French, 2005 *Raven's Revenge* In a sequel to his award winning *Raven's Honor* and *Raven's Fury* Roy French returns with another tale of the Raven aka Daniel Riordan once the most feared of all paramilitary enforcers in Ireland When Riordan joins the firm run by a security specialist named Brian Featherstone Feather to his friends his first assignment takes him across the ocean to France where he is to act as an intermediary for a ransom delivery Through no fault of his own the handover goes horribly wrong and Riordan is wounded However he recognizes the kidnapper as Sean Wallace a hard case from his previous life and vows to track him down To do so he must return to the hinterlands of Belfast and seek out connections that have long lain dormant Many surprises lie in store for him and he finds himself being played like a pawn in a chess game He tracks down his prey and exacts revenge but just as he thinks he has resolved the case an assault comes from an unexpected quarter leaving a friend dead in its wake Angered by the deceptions and misdirection he discovers that Major Skinner the head of covert operations was behind the entire operation and used him deliberately as bait to kill Wallace Knowing the truth now makes Riordan a liability and the Major will stop at nothing to ensure that it does not surface But Riordan has one last surprise for the Major Once again French takes us on an adrenaline pumping ride with former friends becoming fervent enemies There is barely time to catch a breath before the pace accelerates and our hero is thrown into situations where it seems almost impossible for him to survive The action as always never lets up and the plot has more twists and turns than an Irish laneway

Chasing Raven Jayne Fresina, 2015-12-16 *Raven Deverell* laughs her way through life and through men on a dare and a jest She's having fun never letting anybody too close and thumbing her nose at the strict rules of society Why comply with standards set by the upper classes since she's been told she will never belong there And she wouldn't want to anyway As one of those scandalous rebellious Deverells she does as she pleases and nobody would dare get in her way Until a stray wink from the back of a horse brings her mischief to the disdainful attention of Sebastian Hale Born to duty and a title Hale lives his life by those proper rules and he will not let this wayward young woman in a most improper pair of men's riding breeches set his world asunder She might think it amusing to masquerade as a male jockey and claim victory over his horse but this is one wicked reckless game she won't win As the Earl of Southerton he is a man above reproach a man who can make or ruin a reputation And he doesn't like to lose The scandalous Miss Deverell has chosen the wrong opponent to wager against this time Perhaps she has finally met her match
