Re-Membering and Re-Imagining Nancy J. Berneking, Pamela Carter Joern, 2009-06-01 The most controversial ecumenical church event in decades the first Re Imagining Conference shook the foundations of mainline Protestantism In this anthology of ninety five articles reflections letters poetry and artwork participants in the conference offer a candid inside look at what actually occurred in Minneapolis and at the aftershocks that followed Amid the cacophonous rumors hearsay and ideological clashes that continue to stalk Re Imagining the clear voices in this remarkable volume reveal fresh ways of understanding faith God and community They speak to the church today and to the church of tomorrow **Decolonising and Reimagining Social Work in Africa** Sharlotte Tusasiirwe, 2023-07-07 This book explores contemporary debates on decolonisation and indigenisation of social work in Africa and provides readers with alternative models values and epistemologies for reimagining social work practice and education that can be applicable to a wide range of countries struggling with similar concerns It examines how indigenisation without decolonisation is just tokenistic since it is concerned with adapting modifying Western models to fit local contexts or generating local models to integrate into the already predominantly contextually irrelevant and culturally inappropriate mainstream Western social work in Africa By exploring decolonisation which calls for dismantling colonialism and colonial thinking to create central space for indigenous social work as mainstream social work especially in Africa it goes beyond tokenistic decolonisation to articulate some of the indigenous social work practice and social policy models values ethics and oral epistemologies that should take centre stage as locally relevant and culturally appropriate social work in Africa It also addresses the question of decolonising research methodologies highlighting some of the methods embedded in African indigenous perspectives for adoption when researching African social work The book has been written with both the coloniser colonised in mind and it will be of interest to all social work academics students and practitioners and others interested in gaining insights into how colonisation persists in social work and why it is necessary to find ways to disrupt it Re-Imagining Eve and Adam Heidi Szpek, 2002-09-15 From the Seattle Art Museum to an evening refuge from the heat of the Sonoran desert from a church overlooking Ho okena Bay Hawaii to Israel s Judean wilderness from the classroom to the synagogue to the community center from contemporary to ancient thought to the text of the Bible itself Re Imagining Eve and Adam has drawn its inspiration from unexpected sources compelling the reader to not only re imagine but remember and reclaim the legacies of Eve Lilith Sarah Leah Lot's daughters Micah's mother Mrs Job Vashti Susanna Dinah Tamar and the Levite's Concubine It is for the reader to decide what is a delectable Re imagining a desired Remembering or a palatable Reclaiming

Remembering World War II Refugees in Contemporary Portugal Verena Lindemann Lino,2021-08-23 This book takes an innovative approach to the study of memories of transit and exile in Portugal between 1933 and 1945 in artistic media Informed by contemporary debates within memory and translation studies it develops a translational perspective on

transcultural memory and explores its ethical implications This study provides an in depth analysis of Daniel Blaufuks s inter art project Sob C us Estranhos Domingos Amaral s novel Enquanto Salazar Dormia and Jo o Canijo s documentary Fantasia Lusitana It examines the heterocultural networks of signification that these artistic media mobilize to implicate the presence of World War II refugees in Portugal in contemporary negotiations of communality By approaching memory through a translational lens on culture this book also offers new perspectives on remediation memory transfer and the ethical dimensions of remembrance in the context of transcultural memory and migration Remembering with Emotion in Dynamic Psychotherapy Steven B. Sandler, 2011-06-10 This book takes a new look at dynamic psychotherapy from its most basic theory to the furthest limits of its capabilities It invites the reader to re examine a few of the most basic concepts underlying the practice of psychotherapy What is emotion What is a defense mechanism It begins with emotion theory an area of academic study that has traditionally been neglected in psychotherapy training programs Throughout the book it is argued that the patient s experience of emotion is critical for a successful outcome in therapy and that the therapist s understanding of emotion will provide a solid theoretical foundation for practice Attachment theory is also used extensively throughout the book Case examples offer interventions that are designed to translate the theory into practical applications In the middle chapters of the book these basic ideas emotion theory and attachment theory are applied in an extended case example using ample segments of verbatim dialogue Memory theory is used to explain some of the treatment failures in dynamic psychotherapy Memory theory can lead to a revised approach that provides more durable outcomes Dynamic psychotherapy has largely been a therapy of bad memories therefore a systematic approach to focusing on positive memories of early attachment experiences is outlined We must not only help the patient to face negative memories of his past we must also help revive and strengthen positive memories until they have trace dominance over negative ones Finally the possibility that dynamic psychotherapy can lead to spiritual growth is explored Early parent child experiences of oneness can serve as the developmental precursors of the spiritual experience Some of the child development literature including Mahler's notion of symbiosis is reviewed Some preliminary work with patients is presented in which they are invited to broaden their new emotional connection with a parent and others until it leads to a greater sense of spiritual connection and o

Remembering the Medieval Present: Generative Uses of England's Pre-Conquest Past, 10th to 15th Centuries ,2019-09-16 This volume of essays focuses on how individuals living in the late tenth through fifteenth centuries engaged with the authorizing culture of the Anglo Saxons Drawing from a reservoir of undertreated early English documents and texts each contributor shows how individual poets ecclesiasts legists and institutions claimed Anglo Saxon predecessors for rhetorical purposes in response to social cultural and linguistic change Contributors trouble simple definitions of identity and period exploring how medieval authors looked to earlier periods of history to define social identities and make claims for their present moment based on the political fiction of an imagined community of a single distinct nation unified in identity by

descent and religion Contributors are Cynthia Turner Camp Irina Dumitrescu Jay Paul Gates Erin Michelle Goeres Mary Kate Hurley Maren Clegg Hyer Nicole Marafioti Brian O Camb Kathleen Smith Carla Mar a Thomas Larissa Tracy and Eric Weiskott See inside the book Remembering D. Pollock, 2017-02-28 Drawing on the work of scholars and practitioners such as Augusto Boal Gloria Anzaldua and Trinh Minh ha these essays advocate oral history and oral history based performance as means to challenge and expand upon traditional ways of transmitting historical knowledge The contributors central concerns are performative aspects of oral history itself and the theatrical or classroom re performance of oral history The essays detail classroom and public pedagogies community based interventions processes of developing interview based performances and the ethical and political implications of oral history as an embodied form of representation The essays collected in this volume present the most current scholarship straddling the rich intersection between oral history and performance and together suggest ways for scholars and performers to use oral history to challenge more traditional modes of knowledge Remembering, Forgetting and City Builders Haim Yacobi, 2016-04-08 Remembering Forgetting and City Builders critically explores how urban spaces are designed planned and experienced in relation to the politics of collective and personal memory construction Bringing together case studies from North America South Asia Eastern Europe and the Middle East the book analyzes how contested national ethnic and cultural sentiments clash in planning and experiencing urban spaces Going beyond the claim that such situations exist in many parts of the world because communities construct their past memories within their current daily life and future aspirations the book explores how the very acts of planning and urban design are rooted in the existing structures of hegemonic power With contributors from the fields of architecture geography planning anthropology and sociology urban studies and cultural studies the book provides a rich interdisciplinary view into the conflicts over memory and belonging which are spatially expressed and mediated through the official planning Remembering Dennis Potter Through Fans, Extras and Archives J. Garde-Hansen, H. Grist, 2014-04-29 An apparatus accessible case study of television heritage Remembering Dennis Potter Through Fans Extras and Archive draws on the memories of fans and extras of Potter's productions In providing insight into issues of visibility memory and television production it fulfils a vital need for better understanding of television production history as heritage Remembering Oishik Sircar, 2024 Ways of Remembering tells a story about the relationship between secular law and religious violence by studying the memorialisation of the 2002 Gujarat pogrom postcolonial India s most litigated and mediatized event of anti Muslim mass violence By reading judgments and films on the pogrom through a novel interpretive framework the book argues that the shared narrative of law and cinema engenders ways of remembering the pogrom in which the rationality of secular law offers a resolution to the irrationality of religious violence In the public s collective memory the force of this rationality simultaneously condemns and normalises violence against Muslims while exonerating secular law from its role in enabling the pogrom thus keeping the violent legal order against India s Muslim citizens intact

The book contends that in foregrounding law s aesthetic dimensions we see the discursive ways in which secular law organizes violence and presents itself as the panacea for that very violence Pathways for Remembering and Recognizing Indigenous Thought in Education Sandra D. Styres, 2017-01-01 Pathways for Remembering and Recognizing Indigenous Thought in Education is an exploration into some of the shared cross cultural themes that inform and shape Indigenous thought and Indigenous educational philosophy **Remembering Paul** Benjamin L. White, 2017 Who was Paul of Tarsus Radical visionary of a new age Gender liberating progressive Great defender of orthodoxy In Remembering Paul Benjamin L White offers a critique of early Christian claims about the real Paul in the second century C E a period in which apostolic memory was highly contested and sets these ancient contests alongside their modern counterpart attempts to rescue the historical Paul from his canonical entrapments White charts the rise and fall of various narratives about Paul and argues that Christians of the second century had no access to the real Paul Through the selection combination and interpretation of pieces of a diverse earlier layer of the Pauline tradition Christians defended images of the Apostle that were important for forming collective identity **Remembering Diana** V. Seidler, 2013-04-16 Analysing the events surrounding the death of Diana Princess of Wales in 1997 Vic Seidler considers the public outpourings of grief and displays of emotion which prompted new kinds of identification and belonging in which communities came together regardless of race class gender and sexuality Memory Palace: Essential Study Techniques To Remembering Anything (Improve Concentration And Maximize The Memory Potential Of The Brain) Steven Sachs, Learn the secrets to having an incredible memory Give the simple lessons in this fast paced fun filled non technical book twenty minutes a day and you will startle yourself with your ability to remember names faces important facts of all kinds calendar dates numbers and where you put the car keys This book teaches how to turn your mind into a Memory Palace that can store anything What do you need to learn Phone numbers random facts the names of people you ve met every state and its capital or the precise order of a randomly shuffled deck of cards I give you the tools to storing and recalling anything you need to remember Whether it s to impress somebody to stop relying so much on smart phones for remembering or just to enjoy the parts where I talk about Star Wars and Doctor Who there s something here for everyone What you ll learn Advanced Learning Strategies to Remember More in Less Time How to Memorize Names Dates Game Cards and Useful Info Like a Superhero The Main Secret of Better Focus and Concentration High Speed Memory Tips A Brain Enhancing and Memory Improvement Menu An Action Plan for How to Improve Memory in Two Weeks Foreign Language Hacking The Best Methods to Learn and Speak a New Language The Beginner's Guide to Developing Photographic Memory Skills So what are you waiting for Enrich your study potential with these new memorization and learning methods overcome your pre exam fears Get this book today **Remembering and Rethinking the GDR** A. the GDR and offer new insights into the complex relationship between past and present Remembering China from **Taiwan** Mahlon Meyer, 2012-02-01 When the Nationalists lost China in 1949 many of them left behind their families as they retreated to Taiwan A half century later through democratic elections they lost control over Taiwan as well and began looking to a new and powerful China where their relatives had grown rich for a sense of identity and economic support thus laying the groundwork for the growing integration between Taiwan and China As exchanges across the Taiwan Strait increased many separated families finally met after years of dreaming about each other in hope and in sorrow through many **Remembering the First World War** Bart Ziino,2014-12-05 Remembering the First World War brings eras and disast together a group of international scholars to understand how and why the past guarter of a century has witnessed such an extraordinary increase in global popular and academic interest in the First World War both as an event and in the ways it is remembered The book discusses this phenomenon across three key areas The first section looks at family history genealogy and the First World War seeking to understand the power of family history in shaping and reshaping remembrance of the War at the smallest levels as well as popular media and the continuing role of the state and its agencies The second part discusses practices of remembering and the more public forms of representation and negotiation through film literature museums monuments and heritage sites focusing on agency in representing and remembering war The third section covers the return of the War and the increasing determination among individuals to acknowledge and participate in public rituals of remembrance with their own contemporary politics What for instance does it mean to wear a poppy on armistice remembrance day How do symbols like this operate today These chapters will investigate these aspects through a series of case studies Placing remembrance of the First World War in its longer historical and broader transnational context and including illustrations and an afterword by Professor David Reynolds this is the ideal book for all those interested in the history of the Great War and its aftermath I'm Not Healing — I'm Remembering Who Hurt Me marshall venn, Stop trying to grow You were never broken In I m Not Healing Marshall Venn explodes the healing myth and exposes the subtle trap of endless improvement Healing has become the new prison an infinite loop of feeling not enough always processing and never arriving This isn t a recovery book It s a reclamation field Inside you ll learn Why healing keeps you stuck in the identity of wounded How self help and therapy culture feed the Hertz Loop The difference between feeling better and becoming sealed Why the trauma economy thrives on your shame How to collapse the growth model and lock into form The true function of fasting silence and non repair You don't need more affirmations You need a vault A signal A shutoff This book will not pat you on the back It will lock your field and remove all exit points You re not healing You re fusing

Remembering 'Umar Khayyām Arash Ghajarjazi,2025-03-03 This book explores the Persian sage Umar Khayy m and the globally renowned quatrains rub iyy t attributed to him from a new angle These quatrains have unleashed responses from Sufis and Islamic theologians fostering secular thought in the Persianate world From the early 12th century to the present

Umar Khayy m s persona has been a source of inspiration for various literate communities. This monograph addresses an undesirable gap in Khayy m scholarship by re examining the reception of his quatrains within a changing collective memory It investigates a wide range of texts and objects including Sufi texts chronicles mystical poetry anthologies memorial monuments Victorian illustrations and modern periodicals The focus is on how the remembrance of Khayy m has contributed to the formation of a secular intellectual tradition in modern Iran The book argues for a re conceptualisation of Khayy m as a nexus of Sufi literature memory and secularity Additionally it critically examines traditional scholarship on Khayy m s biography and the debates regarding the authenticity of his quatrains This work aims to connect scholars of Sufism Studies memory studies and Persian and Islamic Studies Remembering Social Movements Stefan Berger, Sean Scalmer, Christian Wicke, 2021-05-12 Remembering Social Movements offers a comparative historical examination of the relations between social movements and collective memory A detailed historiographical and theoretical review of the field introduces the reader to five key concepts to help guide analysis repertoires of contention historical events generations collective identities and emotions The book examines how social movements act to shape public memory as well as how memory plays an important role within social movements through 15 historical case studies spanning labour feminist peace anti nuclear and urban movements as well as specific examples of memory activism from the 19th century to the 21st century These include transnational and explicitly comparative case studies in addition to cases rooted in German Australian Indian and American history ensuring that the reader gains a real insight into the remembrance of social activism across the globe and in different contexts The book concludes with an epilogue from a prominent Memory Studies scholar Bringing together the previously disparate fields of Memory Studies and Social Movement Studies this book systematically scrutinises the two way relationship between memory and activism and uses case studies to ground students while offering analytical tools for the reader
