McDonald, 2022-11-03 Recently retired Air Force commando Thomas Mazuko was looking forward to a quiet future spent teaching karate in his small Tampa Florida studio His dreams were of little more than days on the sandy beaches and nights in the company of his wife and children Little did he know that his instinctive reaction to witnessing the mugging of an elderly woman would set in motion a chain of events that would drastically alter the course of his life By sheer accident Mazuko becomes a primary target for the wrath of a powerfully connected local syndicate figure When the wealthy and egomaniacal Martin DeValdez sends out wise guys to teach this upstart a lesson Mazuko's foster son and a young student are caught up the maelstrom of uncontrolled chaos As the level of violence escalates Mazuko realizes that he has become the target of vengeance of a man who will stop at nothing to right what he perceives as personal wrongs With the body count rising and the lives of his ten-year-old daughter and

two aEURyear aEURold son as well as the lives of friends new and old hanging in the balance Mazuko must set aside his plans for a quiet retirement and return to the skills of his past in order to fight for his life and the lives of his children Ethics Louis Wolcher, 2020-12-29 This book examines ethics at the intersection of law and justice If law and justice are concerned with collectively establishing the general terms on which the plurality called we share the earth as social beings then ethics concerns the individual Self's particular moral relationship with the Other Law the acknowledged offspring of politics represents the kind of might that most people accept as legitimate at least most of the time Justice on the other hand is supposed to vigilantly stand guard over law to protect us against its biases and excesses or at the very least to rise up and reproach the law whenever it permits or encourages injustice But what if the belief that a particular legally authorized state of affairs is just a common enough feeling especially amongst the privileged or even unjust and in need of correction were itself in need of a vigilant guardian This book argues that ethics can and should stand guard over whatever image of justice and or just law one happens to believe in The book thus attempts to steer a perilous course between two looming moral hazards ethics interpreted as the rational production of ethically correct behavior as in Kant and ethics interpreted as the spontaneous eruption of pre rational compassion for the suffering of the Other come what may as in Levinas In the end the book characterizes ethical life in the law as the more or less constant experience of the paradoxical nature of this choice a feeling of inescapable personal responsibility for the fate of the Other Based on the author's well established expertise in the area this book will appeal to students scholars and others with interests in legal theory and moral and political philosophy

Little Dark Deeds Cheryl Bradshaw, 2025-08-18 It's Georgiana Germaine's wedding day But when one of her closest friends is noticeably absent from the ceremony Georgiana worries something sinister is to blame She soon learns she's right after she stops by Tiffany's home and finds her lifeless body sprawled out on the bathroom floor Left with more questions than answers Georgiana sets off on a dangerous pursuit for Tiffany's killer a heart pounding journey that will keep you on the edge of your seat until the bitter end What Readers are Saying about the Series Makes you want to keep reading the story into the night A strong lead character and plenty of drama it keeps the reader engaged Leaving you wanting to read more I will definitely read more from this author Kept me on the edge of my seat **Martial Deeds of Pennsylvania** Samuel Penniman Bates, 1876 A history of Pennsylvania during the Civil War

Women in God's Service, WINGS Marlys Taege, 1991 **Broken Deeds MC: Second Generation #11** Esther E. Schmidt, 2024-05-28 Veloz Switching from Blennies Hitch Motorcycle Club to Broken Deeds allows me to reinstate my career in law enforcement When my new partner offers me something she never offered anyone else we quickly escalate to more than a work relationship Leontine crossed my path for a reason and I'll happily break rules and bones to protect her Leontine The echoes of my past are still loud inside my head The scars littering my body are a vivid visual reminder from what I went through when a serial killer kidnapped me A new case causes the past to collide with the here and now making the whole brotherhood shake on its foundation Broken Deeds

MC handles cases the government can't close they take charge and won't stop until justice is served This second generation is a series where each book is a new couple handling a new case and can each be read as a complete standalone with a happily ever after

Exploring Ecclesiology Brad Harper, Paul Louis Metzger, 2009-03 This evangelical and ecumenical ecclesiology survey text provides a comprehensive biblical historical and cultural perspective and addresses contemporary issues in church life

The Drama of Language Sigurd Burckhardt, 2019-12-01 Originally published in 1970 For Sigurd Burckhardt literary interpretation began with the discovery of an inconsistency in a text Minimizing the possibility that the writer has unconsciously fallen into an inconsistency in the use of material the true interpreter Burckhardt believes abandons a tendency to correct the writer and seeks instead a new formulation by which the inconsistency can be seen as a part of a work's essential unity Whether I search for the meaning of a word or for the meaning of my life he wrote I am looking for something under which I can subsume the otherwise unrelated and meaningless particular so as to place it in a larger order That method so characteristic of Burckhardt's criticism underlies his studies of Goethe and Kleist and unifies the essays of this volume Prior to his death in December 1966 Professor Burckhardt had considered the possibility of collecting his writings on Goethe and Kleist One essay had never been published others had appeared only in German or were available in scattered sources The preparation of the essays for publication a service of professors Bernhard Blume and Roy Harvey Pearce makes possible this impressive demonstration of their late colleague's interest in German literature The seven critical studies are introduced by an essay that makes explicit the concern for language implicit throughout the volume Burckhardt proceeds by close adherence to the text and by analysis of its writer's use of language and structure He interprets Goethe's Prometheus Pandora Iphigenie Tasso Die natürliche Tochter and Egmont and Kleist's Prinz Friedrich von Homburg and Die Hermannsschlacht He provides original and challenging interpretations shaping each into a self-contained entity
