Reaching Your Maximum Potential-- in Christ Bill Rudge, 1998 *The Road to Purity* T. Charles Stephen, 2012-04-13 Imagine if you will a life free from pornography, a bulletproof life filled with purity and the virtue God intended for you to have. A life filled with His presence, joy, and splendor of God. Visualize yourself free from the addictive vices of sin. Envision the pleasure of knowing God out of a pure heart and mind. Before his deliverance from pornography, he heard countless stories of miraculous turnarounds of desperate circumstances. He was skeptical and sure it wasn't true. He was equally sure it would never happen for him. But it did. And it can happen for you. You too can understand the fullness of spiritual joy as it relates to worshipping God clean and free from the impurities of sin. When we live tainted lives as men of God, it's akin to bringing flowers home to our wives after just having sex with our girlfriends across town. He has written this book to help others become free from the power that soils their lives so that they can become the bride the Lord is coming back to claim as His own. This book will help you see yourself the way God sees you, full of faith and glory. So that you can open your heart to

What you may not have discovered is that for every one of those there is a promise from God to help you overcome the fear. With each devotional, you will find a fear, not and a promise from Scripture. As you discover and appropriate those promises, your fears should begin to subside. You will find yourself identifying with the stories that illustrate Bible truths about fear, be encouraged as you discover a blend of the spiritual and the therapeutic in coping with fear, and confront your personal fears and discover God's overcoming promises through each Scripture-rich life applied devotional.

Where is God?: A Theology for the Here and Now, Volume One Andy Ross, 2018-10-19. We are experiencing God always. The experience of God, however, transcends our capacity to comprehend it. We will never fully grasp what God is, but this does not mean we should stop trying. Our ideas about God set the tone for our spiritual development. The further we are willing to journey into the mystery of God, the more we will be transformed by it. The bigger the ideas, the bigger the God, and the more our lives will reflect God. When I set out to write *Where is God?*, it was my intention to entertain the biggest ideas possible. I wanted to understand the God of all things, the God of religion and science, the God of music and beauty, the God of life and death, the God of love. This is a book of ideas, big ideas.
