

7 STEPS TO BETTER READING

Finding time for reading in a busy schedule can be tricky. And even if you do manage to free up an hour of your day, remembering what you learned can be just as difficult. Follow these 7 steps to read faster, learn more, and better retain new knowledge.

1

PERSONALIZE

Ask yourself what you want to learn from the content, how it might change your life and why you should read it. When you link things to your life, you will remember what you're reading better!

2

ZOOM OUT

Find out what the book is about and its main takeaway by spending 20 minutes skimming it or reading online summaries.

3

GET CURIOUS

When you have an idea about the book, prepare some questions to answer as you read. This will help you to retain more ideas from the book.

4

RE-STRUCTURE

Flip through the book to ID its key points, separate them into elemental chunks, and write them down. Don't forget to leave space for notes!

5

TAKE NOTES

As you read, pop your key insights into the structure you created, using your own words to make the ideas stick.

6

REVIEW

Now that you have your own summary, review it and try to recall details from the book that pertain to each key insight.

7

SHARE

Tell what you've learned to others to reinforce your learning.

Intensifying Classroom Routines in Reading and Writing Programs Michael P. Ford, 2017 Three common routines are seen in almost every primary language arts programs morning messages shared readings and word walls These routines should be integrated to support the total language arts program but are teachers of grades K 2 getting the most bang for their buck out of these activities Morning messages can become very routinized and repeat the same experiences over and over again Shared readings are sometimes conducted with little variation in spite of changing demands from the texts being used and changing needs in the learners with whom they are being used Word walls might be put up with some attention early in the year and remain virtually unchanged as the year moves forward Intensifying Classroom Routines in Reading and Writing Programs focuses on how teachers can get more instructional mileage out of these three common classroom routines Author Michael P Ford lays out step by step day by day plans to put those three key routines on a cycle that changes as students move through developmental phases This resource helps teachers plan for emergent and early readers and writers It also looks at how teachers can assist students as they move through critical areas including concepts of print alphabetic knowledge phonological awareness sound symbol relationships high frequency words structural analysis context clues comprehension strategies and composition strategies With these intensified routines in place students will clearly see connections between reading and writing
