From Tragedy to Apocalypse in American Literature Lin Atnip, 2024-06-15 From Tragedy to Apocalypse in American Literature Reading to Make Sense of Our Endings argues that imaginative literature is essential to comprehending contemporary threats to the survival of the human species and the preservation of our humanity Atnip outlines a theory of reading which directs us to realities and imperatives that are ignored denied or distorted by dominant social conventions and habits of cognition She then puts this theory into practice through readings of postwar American works by Robert Lowell Wallace Stevens Cormac McCarthy and Norman Maclean This book argues that these texts collectively educate us to a new ground of sense the apocalyptic sublime and the need for an unending effort to comprehend what it means to live a human life against this inhuman background

Encyclopedia of American Poetry: The Twentieth Century Eric L. Haralson, 2014-01-21 The

Encyclopedia of American Poetry The Twentieth Century contains over 400 entries that treat a broad range of individual poets and poems along with many articles devoted to topics schools or periods of American verse in the century Entries fall into three main categories poet entries which provide biographical and cultural contexts for the author s career entries on individual works which offer closer explication of the most resonant poems in the 20th century canon and topical entries which offer analyses of a given period of literary production school thematically constructed category or other verse tradition that historically has been in dialogue with the poetry of the United States *THE GUIDE TO READING* ,1924 **The Great War in Irish Poetry** Fran Brearton,2003 The Great War in Irish Poetry explores the impact of the First World War on the work of W B Yeats Robert Graves and Louis MacNeice in the period 1914 45 and on three contemporary Northern Irish poets Derek Mahon Seamus Heaney and Michael Longley Its concern is to place their work and memory of the Great War in the context of Irish politics and culture in the twentieth century The historical background to Irish involvement in the Great War is explained as are the ways in which issues raised in 1912 20 still reverberate in the politics of remembrance in Northern Ireland particularly through such events as the Home Rule cause the loss of the Titanic the Battle of the Somme the Easter Rising While the Great War is perceived as central to English culture and its literature holds a privileged position in the English literary canon the centrality of the Great War to Irish writing has seldom been recognised This book shows first that despite complications in Irish domestic politics which led to the repression of memory of the Great War Irish poets have been drawn throughout the century to the events and images of 1914 18 This engagement is particularly true of those writing in the troubled Northern Ireland of the last thirty years The second main concern is the extent to which recognition of the importance of the Great War in Irish writing has itself become a casualty of competing versions of the literary canon

Scotland in Europe ,2006-01-01 If there is ocht in Scotland that s worth ha en There is nae distance to which it s unattached Hugh MacDiarmid A realignment of Scottish literary studies is long overdue The present volume counters the relative neglect of comparative literature in Scotland by exploring the fortunes of Scottish writing in mainland Europe and conversely the engagement of Scottish literary intellectuals with European texts Most of the contributions draw on the online Bibliography of Scottish Literature in Translation Together they demonstrate the richness of the creative dialogue not only between writers but also between musicians and visual artists when they turn their attention to literature The contributors to this volume cover most of Europe including the German speaking countries Scandinavia France Catalonia Portugal Italy the Balkans Hungary the Czech Republic and Russia All Scotland s major literary languages Gaelic Scots English and Latin are featured in a continent wide labyrinth that will repay further exploration *The Oxford Encyclopedia of American Literature* Jay Parini,2004 The Encyclopedia of American Literature gathers together 350 essays from over 190 leading scholars on the whole of American literature from European discovery to the present At the core of the Encyclopedia lie 250 essays on poets playwrights essayists and novelists Figures such as Whitman Melville Faulkner Frost and Morrison are discussed in detail

with each examined in the context of his or her times an assessment of the writer's current reputation a bibliography of major works and a list of major critical and biographical works about the writer Fifty entries on major works such as Moby Dick Song of Myself Walden The Great Gatsby The Waste Land Their Eyes Were Watching God Death of a Salesman and Beloved place the work in its historical context and offer a range of possibilities with regard to critical approach The Encyclopedia also contains essays on literary movements periods and themes pulling together a broad range of information and making connections between them Each entry has its own primary and annotated secondary bibliography and a system of cross references helps readers locate information with ease The Encyclopedia of American Literature is an outstanding reference source for students studying authors or particular pieces of literature libraries looking for one comprehensive source and readers interested in American literature its authors and its connection with various areas of study
