Resources in Education, 2000-04 **The Workshop Approach** Elinor Parry Ross, 1996 Using the Workshop Approach in the High School English Classroom Cynthia D. Urbanski, 2005-10-07 Everybody wins when you practice the workshop approach in high school English Do you find that preparing for standardized tests interferes with teaching advanced thinking reading and writing skills in a meaningful way Do you want to balance test preparation with more creative activities Success in school and beyond depends on one's ability to read fluently write coherently and think critically This handbook uses the workshop model for exponentially increasing adolescents' abilities in these three key areas This practical guide addresses the daily running and practice of a workshop based classroom using research and the author's own experiences to illustrate how to establish a workshop that fosters lasting learning while reinforcing the skills needed for standardized tests Teaches audience and purpose as a vehicle to style and structure Provides a supportive and lively environment in which students are comfortable enough to take risks and share original ideas Try Urbanski's approach to teaching literacy analysis and mentoring student writers and discover just how rewarding the workshop experience can be

Action Research S. Michael Putman, Tracy Rock, 2016-12-29 Action Research Using Strategic Inquiry to Improve Teaching and Learning helps educators use research to guide decision making and determine the effectiveness of various instructional strategies The book leads the reader through the action research process using a model of self-regulation which focuses on task definition goal setting and planning enacting research and adaptation Written specifically for educators who may not feel prepared to measure the impact of interventions on student learning outcomes the book provides very practical and useful tools containing specific examples that are relevant to teachers' everyday reality The text also reinforces how action research can improve the teaching and learning process by reinforcing or changing perceptions about the use of informal data including anecdotal notes or observations in the research process **Curriculum, Instruction, and**
