## **Reading Desire In Pursuit Of Ernest Hemingway:**

Reading Desire Debra A. Modellmog,1999      Reading Desire Debra Modellmog,1999 Whether revered for his masculinity condemned as an icon of machismo or perceived as possessing complex androgynous characteristics Ernest Hemingway is acknowledged to be one of the most important twentieth century American novelists For Debra A Modellmog the intense debate about the nature of his identity reveals how critics desires give shape to an author s many guises In her provocative book Modellmog interrogates Hemingway s persona and work to show how our perception of the writer is influenced by society s views on knowledge power and sexuality She believes that recent attempts to reinvent Hemingway as man and as artist have been circumscribed by their authors investment in heterosexist ideology she seeks instead to situate Hemingway s sexual identity in the interface between homosexuality and heterosexuality Modellmog looks at how sexual orientation gender race nationality able bodiedness and the intersections of these elements contribute to the formation of desire Ultimately she makes a far reaching and suggestive argument about multiculturalism and the canons of American letters asserting that those who teach literature must be aware of the politics and ethics of the authorial constructions they promote      **Reading Desire** Debra A. Modellmog,2018-09-05 Whether revered for his masculinity condemned as an icon of machismo or perceived as possessing complex androgynous characteristics Ernest Hemingway is acknowledged to be one of the most important twentieth century American novelists For Debra A Modellmog the intense debate about the nature of his identity reveals how critics desires give shape to an author s many guises In her provocative book Modellmog interrogates Hemingway s persona and work to show how our perception of the writer is influenced by society s views on knowledge power and sexuality She believes that recent attempts to reinvent Hemingway as man and as artist have been circumscribed by their authors investment in heterosexist ideology she seeks instead to situate Hemingway s sexual identity in the interface between homosexuality and heterosexuality Modellmog looks at how sexual orientation gender race nationality able bodiedness and the intersections of these elements contribute to the formation of desire Ultimately she makes a far reaching and suggestive argument about multiculturalism and the canons of American letters asserting that those who teach literature must be aware of the politics and ethics of the authorial constructions they promote      Ernest Hemingway in Context Debra A. Modellmog,Suzanne del Gizzo,2013 This book Provides the fullest introduction to Hemingway and his world found in a single volume Offers contextual essays written on a range of topics by experts in Hemingway studies Provides a highly useful reference work for scholarship as well as teaching excellent for classes on Hemingway modernism and American literature Publisher s website      Ernest Hemingway's The Sun Also Rises Harold Bloom,2007 Contains critical analyses of Ernest Hemingway s The Sun Also Rises and includes an introduction by Harold Bloom author biographical sketch thematic and structural analysis of the work a list of characters and an annotated bibliography      Anachronism and Its Others Valerie Rohy,2009-01-01      **Hemingway's Theaters of Masculinity** Thomas Strychacz,2003-11-11 In this provocative book

Thomas Strychacz pursues an entirely new approach to the question of masculinity in Ernest Hemingway's work. He begins with a close reading of Hemingway's famous story *The Short Happy Life of Francis Macomber* and continues through the story cycle *In Our Time*, the short story *The Undefeated*, the novels *The Sun Also Rises*, *A Farewell to Arms*, *For Whom the Bell Tolls*, and *The Old Man and the Sea*, and the nonfiction books *Death in the Afternoon* and *Green Hills of Africa*. Challenging the traditional wisdom that Hemingway fashions a quintessentially masculine style and promotes an ideal of stoic independent manhood, Strychacz argues that Hemingway's fiction poses masculinity as a theatrical performance. Masculinity emerges from a series of complex negotiations between male characters, readers, and cultural codes of manhood. Hemingway's masculine style should be seen as deeply rhetorical, inviting the audience to think of masculinity as a contention to be debated rather than a fact that demands acquiescence. Drawing on feminism, gender studies, and the New Men's Studies, this book casts brilliant interpretive light on Hemingway's artistry. It contributes significantly to the larger cultural discussions about the nature of masculinity while offering an analysis and critique of masculinity in Hemingway's work that greatly extends recent scholarly debates about masculine modernism. It raises the compelling question: What is modernism if masculinity is exposed as more problematic and elusive than previously suspected.

**Beards and Masculinity in American Literature** Peter Ferry, 2020-05-14 *Beards and Masculinity in American Literature* is a pioneering study of the symbolic power of the beard in the history of American writing. This book covers the entire breadth of American writing from 18th-century American newspapers and periodicals through the 19th and 20th centuries to recent contemporary engagements with the beard and masculinity. With chapters focused on the barber and the barbershop in American writing, the need for a shave in Ernest Hemingway's fiction, Whitman's beard as a sanctuary for poets reaching out to the bearded bard, and the contemporary re-engagement with the beard as a symbol of Otherness in post-9/11 fiction, *Beards and Masculinity in American Literature* underlines the symbolic power of facial hair in key works of American writing.

*Appropriating Hemingway* Ron McFarland, 2014-12-15 In more than 30 novels, several short stories, graphic novels, movies, plays, and poems, Ernest Hemingway has been introduced or appropriated as an important fictional character. This book is an inquiry into that phenomenon from various perspectives, including that of fan fiction, and deals with such questions as: what, if anything, this biographical fiction adds to the dialogue about America's best-known and most-talked-about writer. Ernest Hemingway's *The Sun Also Rises* Linda Wagner-Martin, 2002 Still the most popular of Hemingway's books, *The Sun Also Rises* captures the quintessential romance of the expatriate Americans and Britons in Paris after World War I. The text provides a way for discussions of war, sexuality, personal angst, and national identity to be linked inextricably with the stylistic traits of modern writing. This Casebook, edited by one of Hemingway's most eminent scholars, presents the best critical essays on the novel to be published in the last half-century. These essays address topics as diverse as sexuality, religion, alcoholism, gender, Spanish culture, economics, and humor. The volume also includes an interview with Hemingway conducted by George Plimpton.

**Disability and/in Prose** Brenda Jo Brueggemann, Marian E. Lupo, 2013-09-13 Through a series of critical essays this book concerns the relationships and possibilities in and between prose and disability It covers a diverse range from the role of the disability memoir the effect of disablement on soldiers phantom limb syndrome and the suspicion of faking it that sometimes surrounds

**A Companion to Hemingway's Death in the Afternoon** Miriam B. Mandel, 2009 New carefully focused essays providing a thorough examination of Hemingway's groundbreaking non-fictional work Published in 1932 *Death in the Afternoon* reveals its author at the height of his intellectual and stylistic powers By that time Hemingway had already won critical and popular acclaim for his short stories and novels of the late twenties A mature and self-confident artist he now risked his career by switching from fiction to nonfiction from American characters to Spanish bullfighters from exotic and romantic settings to the tough world of the Spanish bullring a world that might seem frightening and even repellant to those who do not understand it Hemingway's nonfiction has been denied the attention that his novels and short stories have enjoyed a state of affairs this Companion seeks to remedy breaking new ground by applying theoretical and critical approaches to a work of nonfiction It does so in original essays that offer a thorough balanced examination of a complex boundary-breaking and hitherto neglected text The volume is broken into sections dealing with the composition reception and sources of *Death in the Afternoon* cultural translation cultural criticism semiotics and paratextual matters and the issues of art authorship audience and the literary legacy of *Death in the Afternoon* The contributors to the volume four men and seven women lay to rest the stereotype of Hemingway as a macho writer whom women do not read and their nationalities British Spanish American and Israeli indicate that *Death in the Afternoon* even as it focuses on a particular national art discusses matters of universal concern Contributors Miriam B Mandel Robert W Trogdon Lisa Tyler Linda Wagner Martin Peter Messent Beatriz Penas Ib ez Anthony Brand Nancy Bredendick Hilary Justice Amy Vondrak and Kenneth Kinnamon Miriam B Mandel teaches in the English Department of Tel Aviv University

**Soldiers Once and Still** Alex Vernon, 2007-08-15 As the world enters a new century as it embarks on new wars and sees new developments in the waging of war reconsiderations of the last century's legacy of warfare are necessary to our understanding of the current world order In *Soldiers Once and Still* Alex Vernon looks back through the twentieth century in order to confront issues of self and community in veterans literature exploring how war and the military have shaped the identities of Ernest Hemingway James Salter and Tim O'Brien three of the twentieth century's most respected authors Vernon specifically explores the various ways war and the military through both cultural and personal experience have affected social and gender identities and dynamics in each author's work Hemingway Salter and O'Brien form the core of *Soldiers Once and Still* because each represents a different warring generation of twentieth-century America World War I with Hemingway World War II and Korea with Salter and Vietnam with O'Brien Each author also represents a different literary voice of the twentieth century from modern to mid-century to postmodern and each presents a different battlefield experience Hemingway as noncombatant Salter as air force

fighter pilot and O'Brien as army grunt. War's pervasive influence on the individual means that for veterans turned writers like Hemingway Salter and O'Brien the war experience infiltrates their entire body of writing; their works can be seen not only as war literature but also as veterans literature. As such, their entire postwar oeuvre, regardless of whether an individual work explicitly addresses the war or the military, is open to Vernon's exploration of war, society, gender, and literary history. Vernon's own experiences as a soldier, a veteran, a writer, and a critic inform this enlightening critique of American literature, offering students and scholars of American literature and war studies an invaluable tool for understanding war's effects on the veteran writer and his society. *The New Hemingway Studies* Suzanne del Gizzo, Kirk Curnutt, 2020-09-17. The subject of endless biographies, fictional depictions, and critical debate, Ernest Hemingway continues to command attention in popular culture and in literary studies. He remains both a definitive stylist of twentieth-century literature and a case study in what happens to an artist consumed by the spectacle of celebrity. *The New Hemingway Studies* examines how two decades of new millennium scholarship confirm his continued relevance to an era that, on the surface, appears so distinct from his one defined by digital realms, ecological anxiety, and globalization. It explores the various sources, print, archival, digital, and other, through which critics access Hemingway. Highlighting the latest critical trends, the contributors to this volume demonstrate how Hemingway's remarkably durable stories, novels, and essays have served as a lens for understanding preeminent concerns in our own time, including paranoia, trauma, iconicity, and racial, sexual, and national identities. *Hemingway and Women* Lawrence R. Broer, Gloria Holland, 2002-10-06. Moving from fiction to biography, the collection concludes with a group of essays about the real women in Hemingway's life: those who cared for him, competed with him, and ultimately helped to shape his art. *Hemingway's Widow* Timothy Christian, 2022-03-01. A stunning portrait of the complicated woman who becomes Ernest Hemingway's fourth wife, tracing her adventures before she meets Ernest, exploring the tumultuous years of their marriage, and evoking her merry widowhood as she shapes Hemingway's literary legacy. Mary Welsh, a celebrated wartime journalist during the London Blitz and the liberation of Paris, meets Ernest Hemingway in May 1944. He becomes so infatuated with Mary that he asks her to marry him the third time they meet, although they are married to other people. Eventually, she succumbs to Ernest's campaign, and in the last days of the war, she joins him at his estate in Cuba. Through Mary's eyes, we see Ernest Hemingway in a fresh light. Their turbulent marriage survives his cruelty and abuse, perhaps because of their sexual compatibility and her essential contribution to his writing. She reads and types his work each day and makes plot suggestions. She becomes crucial to his work, and he depends upon her critical reading of his work to know if he has it right. We watch the Hemingways as they travel to the ski country of the Dolomites, commute to Harry's Bar in Venice, attend bullfights in Pamplona and Madrid, go on safari in Kenya in the thick of the Mau Mau Rebellion, and fish the blue waters of the Gulf Stream off Cuba in Ernest's beloved boat, *Pilar*. We see Ernest fall in love with a teenaged Italian countess and wonder at Mary's tolerance of the affair. We witness Ernest's sad decline and Mary's efforts to avoid the stigma of suicide by claiming

his death was an accident In the years following Ernest s death Mary devotes herself to his literary legacy negotiating with Castro to reclaim Ernest s manuscripts from Cuba publishing one third of his work posthumously She supervises Carlos Baker s biography of Ernest sues A E Hotchner to try and prevent him from telling the story of Ernest s mental decline and spends years writing her memoir in her penthouse overlooking the New York skyline Her story is one of an opinionated woman who smokes Camels drinks gin swears like a man sings like Edith Piaf loves passionately and experiments with gender fluidity in her extraordinary life with Ernest This true story reads like a novel and the reader will be hard pressed not to fall for Mary *Hemingway, Style, and the Art of Emotion* David Wyatt,2015-09-15 Shows that Hemingway s work is marked more by vulnerability and deep feeling than by the stoic composure and ironic remove for which it is widely known

The Critical Reception of Hemingway's *The Sun Also Rises* Peter L. Hays,2011 This History of the criticism of *The Sun Also Rises* shows not only how Hemingway s first major novel was received over the decades but also how different critical modes have dominated different decades and what besides tenure critics of different eras looked for in it As such it shows what has interested critics how they have reinterpreted the novel and how they have seen the characters playing different roles Thus the novel becomes a mirror reflecting not only Paris and Spain in 1925 but us **Hemingway on Politics and Rebellion** Laretta Conklin Frederking,2010-06-10 This volume embraces the complexity of politics in Hemingway s novels and short stories Hemingway draws new perspectives on the meaning of politics in our own lives at the same time as his writings affirm boundaries of political thought and literary theory for explaining many of the themes we study Modernism on File C. Culleton,2008-02-04 Modernism on File Writers Artists and the FBI 1920 1950 brings together important new scholarship focused on J Edgar Hoover s FBI and its institutional presence in shaping and directing American print film and art culture From Harlem to Hollywood Hoover and his bureau workers were bent on decontaminating America s creativity and this collection looks at the writers and artists who were tagged tracked and in some cases trapped by the FBI Contributors detail the threatening aspects of political power and critique the very historiography of modernism acknowledging that modernism was on trial during those years
