**Personal Odysseys** Moira Roth, 1989 *I Can Read It All by Myself* Paul V. Allen, 2021-05-28 In the late 1950s Ted Geisel took on the challenge of creating a book using only 250 unique first grade words something that aspiring readers would have both the ability and the desire to read The result was an unlikely children's classic The Cat in the Hat But Geisel didn't stop there Using The Cat in the Hat as a template he teamed with Helen Geisel and Phyllis Cerf to create Beginner Books a whole new category of readers that combined research based literacy practices with the logical insanity of Dr Seuss The books were an enormous success giving the world such authors and illustrators as P D Eastman Roy McKie and Stan and Jan Berenstain and beloved bestsellers such

as Are You My Mother Go Dog Go Put Me in the Zoo and Green Eggs and Ham The story of Beginner Books and Ted Geisel's role as president, policymaker and editor of the line for thirty years has been told briefly in various biographies of Dr Seuss but I Can Read It All by Myself The Beginner Books Story presents it in full detail for the first time Drawn from archival research and dozens of brand new interviews I Can Read It All by Myself explores the origins, philosophies and operations of Beginner Books from The Cat in the Hat in 1957 to 2019's A Skunk in My Bunk and reveals the often fascinating lives of the writers and illustrators who created them Dick and Jane Fun with Our Family Grosset & Dunlap, 2004-08-03 Dick Jane Sally Mother and Father are not the only family having fun This time meet Mike twin sisters Pam and Penny and their parents Two families mean twice the laughs and twice the fun Beginning readers will love the way each chapter is an individual story and parents and educators will appreciate the way this format encourages young readers' progression **My Youth** Bryan De Vouge, 2010-03-29 This book describes the author's childhood growing up on a farm living with four generations of family including his sister, parents, grandparents and great grandparents The author describes many varied experiences from helping his 90 year old great grandmother churn butter the old fashioned way to helping his grandfather feed the pigs and other animals on the farm He writes about his interactions with many of the other people who lived in the same community and some of the naughty things he and his friends did such as raiding apple orchards This book gives the reader a clear idea of how life was on a farm in rural Quebec in the 1950s *Feed Sack Fashion* Jim S. Powell, 2006-07

**Sometimes Being the Queen is All We Have to Hold Onto** , *Cuba: Another Side of the Story* Iris M. Diaz, 2010-01-27 Cuba Another Side of the Story is a memoir of how life changed for many children growing up in a country slowly dying under constant political conflict The story is told in three parts Part I Before Castro Part II Life under Castro Part III Life in Exile This book creates a vivid sense of time and place through childhood memories of pre and post Castro Cuba from 1945 to 1967 The forty two stories told through the voice of a child highlight moments of injustice in the eyes of a young girl who does not understand why the world around her is so strange Her nanny a poor black woman shaped her soul and showed her the other side of the story the story of the poor who are voiceless in a world where only those who can afford to pay for elite private schools can get ahead in life This nanny becomes the spiritual guide who enables a very sensitive young child to navigate in a confusing world Every one of the 42 stories focuses on a moment where the child relives memories of what she witnessed growing up The first story is dedicated to Nana the person whose memory guides her to write her life story The title of the stories clearly describe how Nana influenced the author and helped her see the other side of the story El Barrio describes a neighborhood where the rich middle class and the poor lived in close proximity a reflection of what Cuban society was in the 1950's Everyone lived under the same sun moon and stars but our worlds were very different The chapter about Sunday Mass describes the well dressed parishioners who every Sunday walked through the park next to the Church and ignored the beggars who held their arms out palms up hoping to get a nickel or dime I don't think the

beggars got any of the money the priests collected every Sunday because they came back every Sunday I never understood why God didn't take care of everybody the same way Religious conflict plus the rich versus poor struggles are present throughout the book Castro started his revolution claiming he wanted to help the poor In the end everyone including the poor were deceived by a charismatic man who understood what the poor wanted to hear a promise of equality for all His communist doctrine doomed the possibility of ever achieving equality for all During Sunday Mass the priests would often remind poor parishioners how much God loved the needy by quoting verses like Blessed are the poor for they shall inherit the Kingdom of God or For it is easier for a camel to go through the eye of a needle than for a rich person to enter the kingdom of God Religion and poverty seem to be two themes that prevail throughout this book expressed clearly by the voice of the author who puts into words her thoughts by writing I never understood why God didn't take care of everybody the same way The stories The Day the Old Cuba Died and The Bay of Pigs Invasion describe the days leading to the failed attempt by Cuban exiles to get rid of the Castro regime All hope and dreams died The only dream left was to find a way to leave the island The chapter Adios Cuba is a vivid memory of what it means to become a political exile Exile is more than a change of address it is a spiritual displacement This book is not a research study about Cuban maids family religion or politics it is a story about a young child and the life of her nanny and maids who allowed her to enter their world a world that many don't dare to acknowledge

**Activating Democracy** Sheryl Oring, 2016-09-02 Driven by a powerful belief in the value of free expression Sheryl Oring has for more than a decade been helping people across the United States voice concerns about public affairs through her I Wish to Say project This book uses that project as the starting point for an exploration of a series of issues of public interest being addressed by artists today It features essays by contributors ranging from art historians and practicing artists to scholars and creators working in literature political science and architecture All the contributors offer a different approach but they share a primary goal of sparking a dialogue not just among makers of art but among viewers readers and the concerned public at large The resulting volume will be an essential resource for politically engaged contemporary artists searching for innovative cross disciplinary ways of making and sharing art
