

The READ WRITE LEARNER

Characteristics

1

Studies to learn

You learn by reading and writing and fit well into the traditional style of learning by using books and writing notes.

2

Likes to read

You prefer to read or write down something to learn it. You like essay questions and books and will look words up in dictionaries.

3

Big on notes

You are likely to take loads of notes in meetings, at presentations and in class. This helps you to remember what is being said.

4

Perfect student?

You tend to stay interested in traditional style presentations or classes, except if you don't have a pen and paper! Then you struggle to take it all in and get distracted.

5

Struggles with ...

You tend not to learn well through diagrams. You may also find disorganised presentations hard to follow.

Learning Tips

1

Read

Obviously! You will take in information better if you read it yourself. Hold on to your handouts and notes.

2

Take notes

This is so important for you as the act of writing notes makes you remember. Always carry a pen and paper and write everything down.

3

Re-write

Once you've taken notes, re-write them. This repetition is the best way to get information to stay in your brain.

4

Use your words

When re-writing your notes, try to put things in your own words. This will help you remember concepts and facts better.

5

Translate

If you are struggling with a diagram, try adding notes to explain it or even translating it into your own words.
