Reading Between The Lines Integrated Language And Literature Activities:

Reading Between the Lines John McRae, 1984 *Reading between the lines : integrated language and literature activities. Teacher's book* , 1991 «**Reading between the lines: understanding social, political and cultural aspects through language in twentieth century literature in english**» María SANZ CASARES, 2014-05-19 In Didactic Approaches for Teachers of English in an Internacional Context the editors have selected articles that provide an overview of the current methodology of integrated language and culture instruction with the understanding that the English language is completely embedded within a broader cultural framework The papers further define this topic into creative inter cultural approaches to teaching including content based instruction in English through CLIL holistic language learning for children the parallel development of linguistic and cultural competence and a study of language structures and discourse *Reading between the lines : integrated language and literature activities. Student's book* John McRae, 1995 *Reading between the Lines Student's book* McRae/Boardman, 1984 *Studying Language through Literature* Emilia Di Martino, Bruna Di Sabato, 2014-11-10 Studying Language through Literature invites readers to reconsider the opportunity represented by literary texts for language related purposes Despite the close relationship between literature and language in educational contexts literature is frequently associated with teaching practices which have been judged to be unsuccessful Subsequently texts of the non literary type are preferred on the basis that they are authentic and closer to real language The everlasting relationship between language and literature is here reassessed starting from two assumptions literature is the expression of an emphasized perception of reality be it private collective or pertaining to a certain temporal spatial context and literary language is language in its utmost form Following an outline of the philosophy that governs the book each chapter presents specific insights on the use of the various different literary genres namely fiction poetry and drama The opportunities offered by translation in the foreign language classroom constitute a recurrent theme throughout the book although Chapter 5 is entirely devoted to translation criticism The closing pages put forward a few reflections on assessment While offering some food for thought in order to reassess the role of literature in the language class this book puts together ideas considerations and suggestions from which the reader is free to pick mix and adjust exploiting them to her his greatest benefit
