Rupert Brooke In Canada:

Rupert Brooke in Canada Rupert Brooke, 1978 **Letters from America** Rupert Brooke, 2007 In May 1913 Rupert Brooke embarked on a year long expedition of North America visiting the United States Canada and finally the South Seas He sent his impressions home in a series of letters written for publication in the Westminster Gazette describing all his various experiences and reflections the beauty of arriving by boat at night in New York the novelties of a baseball game the awesome grandeur of Niagara Falls and the Canadian wilderness and the full deliciousness of traveling in an American train by night through new scenery He is blunt in his judgments on society business and cities playful in his accounts of Anglo American relations and finally humbled by the vastness of the landscape in which he finds himself Henry James's foreword to the collection on its publication in 1916 is included here as an afterword **Letters from America** Rupert Brooke, 1916

Fashioning the Canadian Landscape John Irvine Little, 2018-04-13 Interpretations of Canada's emerging identity have been largely based on a relatively small corpus of literary writing and landscape paintings overlooking the influence of the British and American travel writers who published hundreds of books and articles that did much to fix the image of Canada in the popular imagination In *Fashioning the Canadian Landscape* J I Little examines how Canada much like the United States came to be identified with its natural landscape Little argues that in contrast to the American identification with the wilderness sublime however Canada's image was strongly influenced by the picturesque convention favoured by British travel writers This amply illustrated volume includes chapters ranging from Labrador to British Columbia some of which focus on such notable British authors as Rupert Brooke and Rudyard Kipling and others on talented American writers such as Charles Dudley Warner Based not only on the views of the landscape but on the racist descriptions of the Indigenous peoples and the romanticization of the Canadian folk Little argues that the national image that emerged was colonialist as well as colonial in nature *Rupert Brooke; A Canadian Memory, by R.H. Fleming, 2007-10-01 During the first two decades of this century Sir William Mackenzie was one of Canada's best known entrepreneurs He Spearheading some of the largest and most technologically advanced projects undertaken in Canada he built a business empire that stretched from Montreal to British Columbia and to Rio de Janeiro and Sao Paulo in Brazil It included gas electric telephone and transit utilities railroads hotels and steamships as well as substantial coal mining whaling and timber interests But when he died in 1923 his estate was virtually bankrupt as a result of the dramatic collapse of his Canadian Northern Railway during the First World War In a business biography intended as much for general readers as for a scholarly audience Fleming offers a revisionist perspective on Mackenzie He dispels the simplistic approach of those

historians and journalists who have depicted Mackenzie and his partner Sir Donald Mann as melodramatic crooks who could have stepped out of the pages of Huckleberry Finn **Canadian Bookman** ,1927 The Culture of Male Beauty in Britain Paul R. Orkin,2015-06-26 What do English speaking Canadians sound like and why Can you tell the difference between a Canadian and an American A Canadian and an Englishman If so how Linguistically speaking is Canada a colony of Britain or a satellite of the United States Is there a Canadian language Speaking Canadian English first published in 1971 in a non technical way describes English as it is spoken in Canada its vocabulary pronunciation syntax grammar spelling slang This title comments on the history of Canadian English how it came to sound the way it does and attempts to predict what will happen to it in the future This book will be of interest to students of linguistics **The Canadian Magazine** J. Gordon Mowat,John Alexander Cooper,Newton MacTavish,1914 *CANADA INSIDE OUT* David Olive,2012-11-13 Why are we so hard on ourselves when everyone else thinks we re wonderful Walt Whitman Marlene Dietrich and Bill Clinton all have had admiring things to say about Canada At the same time some of our patriots including Northrop Frye Margaret Atwood and Pierre Trudeau are harsh critics David Olive has collected a witty and whimsical book of 600 quotations that show how critical Canadians are and always have been of themselves and how foreigners are usually unstinting in their praise of Canada Canada Inside Out is a browser s delight and a feast of canny Canadiana Perhaps we ll never figure ourselves out but David Olive lets us revel in the sheer joy of our contradictions The Cornhill Magazine William Makepeace Thackeray,1921 Canadian Churches and the First World War Gordon L. Heath,2014-01-13 Most accounts of Canada and the First World War either ignore or merely mention in passing the churches experience Such neglect does not do justice to the remarkable influence of the wartime churches nor to the religious identity of the young Dominion The churches support for the war was often wholehearted but just as often nuanced and critical shaped by either the classic just war paradigm or pacifism s outright rejection of violence The war heightened issues of Canadianization attitudes to violence and ministry to the bereaved and the disillusioned It also exacerbated ethnic tensions within and between denominations and challenged notions of national and imperial identity The authors of this volume provide a detailed summary of various Christian traditions and the war both synthesizing and furthering previous research In addition to examining the experience of Roman Catholics English and French speaking Anglicans Presbyterians Methodists Baptists Lutherans Mennonites and Quakers there are chapters on precedents formed during the South African War the work of military chaplains and the roles of church women on the home front Geography: Discipline, Profession and Subject since

1870 Gary S. Dunbar, 2013-03-14 Gary S Dunbar Professional i zay shun professional i ZAY shun! I do not think I like that word I am quite certain I do not like that word! said A F Martin of Oxford University in 1980 when I mentioned to him that I was making a study of the professionalization of geography in Europe and North America from about 1870 to 1930 I should not have been surprised by his reply because Mr Martin a highly regarded lecturer tutor and university man was in some ways a typical example of his generation of British geographers in that he did not have an advanced degree and his publication record was meager Except for a single remarkable essay Martin 1951 he was not well known in the field of geography at least not outside the United Kingdom Was he then a professional geographer Yes indeed because he was a full time scholar in a distinguished university even though he lacked the sort of credentials that have been demanded of subsequent generations of scholars at Oxford and elsewhere I certainly do not mean to denigrate Martin or his ilk I am simply using this anecdote to launch a book on the emergence of modern geography
