John Wesley

Narrow Is The Way:

Narrow Gate, Narrow Way Paul Washer, 2018-06-15 Talk is cheap and so is a profession of faith apart from repentance But we live in a day when people put more stock in a once said prayer than a life reflective of a renewed heart Taking Matthew 7 13 27 as his text Paul Washer reminds us of Jesus s insistence that His way is narrow and that its travelers will bear good fruit and rest on the solid foundation of God s Word Neglecting these warnings from Christ have left many on the broad road to destruction Don t think you are heading to heaven if you are not following the way of the Master Table of Contents Author s Prayer Matthew 7 13 27 1 Test Yourself 2 Go Through the Narrow Gate 3 Walk in the Narrow Way 4 You Will Know Them by Their Fruit 5 Fruitless Professions of Faith 6 Does Jesus Know You 7 Two Kinds of People 8 Real Holiness 9 What Is Your Response A Closing Prayer

[For Self-Examination / Judge For Yourself!](#) Søren Kierkegaard, 2015-06-29 For Self Examination and its companion piece Judge for Yourself are the culmination of S ren Kierkegaard s second authorship which followed his Concluding Unscientific Postscript Among the simplest and most readily comprehended of Kierkegaard s books the two works are part of the signed direct communications as distinguished from his earlier pseudonymous writings The lucidity and pithiness and the earnestness and power of For Self Examination and Judge for Yourself are enhanced when as Kierkegaard requested they are

read aloud They contain the well known passages on Socrates defense speech how to read the lover s letter the royal coachman and the carriage team and the painter s relation to his painting The aim of awakening and inward deepening is signaled by the opening section on Socrates in For Self Examination and is pursued in the context of the relations of Christian ideality grace and response The secondary aim a critique of the established order links the works to the final polemical writings that appear later after a four year period of silence

Village Sermons ... A new edition George Burder,1837 The Spirit of Love; A Short Confutation of Dr. Warburton's Defence; Of Justification by Faith and Works, Volume 8 William Law,2001-03-12 Dutch Calvinistic Pietism in the Middle Colonies James Robert Tanis,2012-12-06 The word pietism usually conjures up a host of ambivalent impressions It has seemed to me increasingly clear that many of the strengths of pietism have been swept aside by reactions against the excesses of the movement To properly assess the structures of pietism it is important to comprehend its matrix and to understand its exponents In preparing this study therefore I have sought to recapture something of the person of Theodorus Jacobus Frelinghuysen as well as the gist of his thought something of his environment as well as the institutions of his day To achieve this I have traveled many by paths and knocked on many doors But the past has not always yielded its secrets much is lost forever Hagen in Westphalia Frelinghuysen s birthplace is now a modern city and only in a few isolated particulars is it reminiscent of Hagen in 1693 In the nearby village of Schwerte however the ancestral church of his forebears remains as it was nearly three hundred years ago The gymnasium he attended in Hamm was destroyed in the bombings of World War II though the library he used during his study at Lingen is still largely intact In the tiny East Frisian village of Loegumer Voorwerk Frelinghuysen s first parish one can still stand in the pulpit where he first preached his awakening gospel Yet oddly enough in America where his name is most remembered most physical traces of his life have disappeared

Enemies of the Human Soul Fritz Bazin,2000-07-20 Universally Foreign is a collection of writings from my experiences

Growing up with parents that experienced the civil rights movement and understanding the phrase it takes an entire village to raise a child I have to step back and see that our society has changed quite a bit I grew up in the south with all of the prejudices that it has along with the beauty of community I've tried to capture the innocence of that and the moral transformation along with the truly indecent proposals and my struggles I hope no one is offended by my expressions but are able to see life through another set of eyes

Jesus Said It, But We Ignore It Donald Werner, 2020-02-17 The Christian Church adopts its name from Jesus the Christ They are called Christians because they follow Jesus teachings and examples or do they One would think that Jesus words would be held in high esteem within the Christian Church and they would do what they could to obey Jesus But that's not the case Strangely enough I can quote dozens of verses commands and warnings that the church completely ignores And they are not insignificant verses For example Jesus told us to keep the Law and the Prophets until heaven and earth pass away What Christian does that What church teaches that What preacher preaches that I know of none There are many such serious commands by Jesus that are completely ignored placing all in the Christian Church on the Broad way headed for destruction Why I address that in this book and much more
