India is written in a style that is quite Upanishadic and not easily comprehensible to the ordinary man. It also uplifts the imagination of the reader. This translation is an attempt to make Tat tvam asi reach a global audience unfamiliar with Upanishadic terms and concepts. It could not have been achieved without a background in Philosophy both Indian and Western. Nevertheless, it was an arduous exercise to find suitable words to convey the correct meaning intended by the author. I am grateful to the author for giving me freedom to accomplish it in my own way as well as for accepting the translation as authentic. Undertaking the work of translation was a highly satisfying and enriching experience. This translation, one hopes, will generate a renaissance in Upanishadic knowledge at an international level as Tat tvam asi did in Kerala when it was first published.
