served as a much needed release valve as I found that expressing my pain in this way provided good therapy for a wounded heart I call it my 11 day Therapeutic Wonder I write for all my children Andrew Zoe Destiny and the yet unborn Danielle born 2002 I do not want my son to become the kind of men expressed in these pages Neither do I want my daughters to experience this kind of pain at the hands of emotionally crippled men So if I can help them to make good choices from an early age then my labor would not have been in vain Also I hope to influence other fathers and mothers to commit to raising emotionally healthy sons and daughters After all it may be one of their children who has a relationship with one of mine I write for the next generation The women of the generation before me are not talking No one ever told me about the hurts and pain And no one ever told me how to get over Many of them have not gotten over themselves living lives of bitterness and anger denying the existence of pain buried and suppressed for years on end And until they are willing to confront their own issues and deal with the bad choices of the past they will continue on in their emotionally crippled state They need healing too I write because I want to be a stepping stone and not a stumbling block to the generation of younger women who are hurting today and in need of answers Sometimes just knowing that you are not alone is the first in the step towards healing I write because raw naked emotions like love and pain scare people We cannot run away from who we really are Our ability to love and experience emotions like joy and pain is what separates us from the lower animal order They make us human And when we deny and suppress these feelings we become inhumane I write because I want to open wounds unmask pain and confront issues that we do not want to address And until we women and men begin to look at ourselves and this pattern of destructive behavior constantly being played out in our adult lives we will never heal and experience the joy of happy relationships rich in positive emotions Healthy relationships we can model for our children I write because I want to end the Cycle of Abuse This book is more than a book of poetry The book is deliberately designed as a help tool and is divided into two sections Poetic Expressions and Private Journal Poetic Expressions is where I took the time I needed to express myself Private Journey is to give you an opportunity to express yourself in response to each

Copyright Office, 1948 **Poetry By Chance** Taylor Mali, 2023-07-11 Writers of all ages and levels of experience have been using Taylor Mali's Metaphor Dice for years to explore and revel in the formulaic nature of metaphors. The game gives you a collection of three different concepts or language tools that create a metaphor and it is up to the poet to fill in the rest of the poem based on their roll. Some metaphors work and some don't. Some are immediately hilarious while others slowly reveal themselves to be astonishingly insightful. *Poetry By Chance* is the first collection of poems that were all prompted by different rolls of Metaphor Dice, featuring submitters from the inaugural Golden Die Contest. After reading through this collection, you can't help but see the power of metaphor in understanding the world around us. In this anthology, there is no singular poetic style or voice, but rather a collection of unique voices and perspectives for each roll. With some deeply personal and some widely universalizing, one thing is clear: these poems are the brainchild of an ingenious yet simple writing tool. **Selected Poetry** John Hollander, 1995-07-18 Perfection is a rare accomplishment, particularly in American poetry, and the perfection of much of Hollander's work makes it essential reading for anyone who genuinely cares for the craft of poetry. But in our fallen world, we seem fated to value power over perfection, and John Hollander's poetry has shown a visionary power just often enough to secure him a place as one of the major figures of our moment.
