Please Release Me Rhoda Baxter, 2015-09-10 A deeper, more mature love story written with the deft characterization and emotional richness which are already a hallmark of Ms. Baxter's books. *Home on Deranged*, Sally Cummings has had it tougher than most, but if nothing else, it's taught her to grab opportunity with both hands. And when she stands looking into the eyes of her new husband Peter on her perfect wedding day, it seems her life is finally on the up. That is, until a car crash puts her in a coma and throws her entire future into question. In the following months, a small part of Sally's consciousness begins to return, allowing her to listen in on the world around her, although she has no way to communicate. But Sally was never going to let a little thing like a coma get in the way of her happily ever after. This story has twist and turns, lies and truth, reality and possibility all messed up in a delightful tale. A unique love story that will stay with you long after the final page. **Keeper Bookshelf**: Absolutely wonderful writing, highly readable, really enjoyable, and I was quite blown away by the story. **unmissable**. **Being Anne**: The story has just the right amount of conflict, love, and remorse, and these all come together to make a wonderful read. A richness of characters and plot which are seldom found in a contemporary romance. **Long and Short Reviews** *The Blame Game* Sandie Jones, 2022-08-16 In the vein of the Reese's Book Club x Hello Sunshine Book Club pick *The Other Woman*, Sandie Jones's heart-pounding new novel *The Blame Game* will keep readers on the edge of their seats. But after helping Jacob make the decision to leave his wife, Naomi worries that she's taken things too far. Then Jacob goes missing, and her files on him vanish. But as the police start asking questions about Jacob, Naomi's own dark past emerges. And as the truth comes to light, it seems that it's not just her clients who are in danger.

Please Say Kaddish for Me Rochelle Wisoff-Fields, 2022-10-11 First in the historical trilogy set in Czarist Russia. Filled with suspense, beauty, love, and true life horror, a riveting read. Diane Yates, author of *Pathways of the Heart*. Nineteenth-century Russia is not a safe place for those of Jewish faith. They are prisoners in their country, unable to own land and denied an education beyond their Hebrew schools. Pogroms rage, and it is one such massacre that rips Havah Cohen's family from her. Found wounded and barefoot on the steps of a nearby synagogue, clad in only a nightdress, Havah is taken to safety by a rabbi and his son Arel, who are shocked to hear the words of the Kaddish come from a mere girl. No woman should know the holy writings. Havah is welcomed into the house of the local midwife, where she becomes part of the family and close-knit community, though some eye her with suspicion as the rumor of her praying spreads. And while she now lives with the girl who is Arel's intended, his kind face is never far from her mind. With the pain of her family's death and the

threat of pogrom always hanging over her the fiercely intelligent and independent Havah knows that a bigger world awaits if she is brave enough to meet it This book will ignite the fire of indignation in your soul against all forms of intolerance as well as the fire of faith in the face of despair James C Washburn author of Touching Spirit The Letters of Minominike **Fryin' Pan Serenade** Karen Ganger,2022-05-04 Fryin Pan Serenade is the third book in the Welcome Home Arkansas series The Memorial Day Weekend in our favorite Ozark Mountains community begins the summer with wicked heat drought a severe storm causing widespread damage and a local fishing derby Is the change in barometric pressure the reason Pamela Winchester is acting strangely or something else Her home renovation opens up a can of worms where deep dark family secrets emerge causing plenty of drama Charley Simson unknowingly solves a crime providing a windfall to finance a backyard overhaul and a subsequent surprise birthday party for Francine When Chief Whiteside is struck down with a bad case of strep throat Francine is called into service to mother him back to health A community bake sale causes anxiety in several ways for Francine However she emerges from it with a new friend and a prized recipe There are plenty of characters to color and bring their story to life Fryin Pan Serenade paints a picture that makes you feel that you are there and offers that quirky humor and special feel good touch author Ganger is known for You ll learn the significance of the cast iron skillet and be pleased by the twenty hometown country recipes to try and enjoy **Don't Blame the Yeti** Tess
