Moran, 2012-05-19 My name is Daniel B Moran I am forty eight years old I am a self taught composer and musician and have written many classical and non classical works songs and a full scale music drama called *So I AM Born* My life has always lived by the expressions of my heart to seek the truth of me Wherever life has led me I have always believed that The Journey is the Destination This is a story of love that can't let go and the reason why A heart searching for purpose and identity The torment and torture of the reality of one's perception in search of Love Fear of new beginnings and cheated destiny locked in the grey mist of the mind Betrayal through fear and hope Painful truthful realities faced and the courage it sometimes takes to realize To thy self be true Always D B Moran Electrical Trades Journal, 1919
