Nikolis McQuaige NikkiMac is forty years old single female and a Christian Like many of us she has a colorful history but she knows that her sins were forgiven when she came to Christ ten years ago Although shes determined to live a faithful Christian life Nikolis experiences a tug of war between the flesh and the spirit Sometimes she doesnt measure up to what God expects of her but she gets right back up when she falls Over time she may realize that faithful Christian living is not achieved by willpower alone but by a dependence upon God Along the way youll meet some of the warm spirited and often humorous members of the church where she worships Its urban neighborhood provides soulsaving challenges to the church but the faithful members must press on Will Nikolis stay out of her own way and let God direct her steps Her account of what goes on Behind Church Doors is an intriguing look at how imperfect people travel the pathway to a perfect God Join the journey

The Book of Common Prayer and Administration of the Sacraments Church of England, 1679 Bulletin Missouri State Department of Agriculture, 1903 **Daughters of the American Revolution Magazine**, 1899 Dear Children, Please Read This Roanne Malm, 2025-07-02 A note from the author: This book is for anyone who wants to renew or enhance their relationship with Jesus Christ. The message about God's grace and goodness was written specifically to my own adult children in hopes they will return their hearts to Christian principals and strengthen their spiritual connection to Christ, hence the title Dear Children, Please Read This. With all the tragedy and injustice in the world, I want my loved ones to know there is hope, inner peace, guidance, and the promise of eternal life when they have God on their side. This book is not a scholarly work filled with research, theological notations, and answers to hard questions. It is a message from the heart, one that includes my own journal notes, references to the New International Version (NIV) Bible, and other credible sources. It is intentionally simplistic in form and content so it can be read and understood in a short period of time. Enjoy! Comments from Readers: This is like a basic primer on Christianity. I love it, simple and full. Thank you for writing this. I read a lot, and this brought me to tears, which says something. The way the world is going today, this book is timely and may change many lives. This message is full of God's wisdom and truth, beautiful. I thought the message was heartfelt and inspirational. **Pillar of Fire**, 1926 Oh God, Please: Teach Me to Pray Leighann McCoy, 2012-08-14 Readers of these books will learn to approach God in honesty through prayer, how to hear His voice through scripture, and be encouraged by examples from the Bible so that she can deal with her own voices. **Young People's Illustrated Bible History** Alvan Bond, 1878 **The Prayer Book Interleaved** W.M. Darrell Trigg P.E., 2012-06-26 For most people, being able to reach their senator by telephone is a trying ordeal. Trying to reach their governor can be just as bad. And if you want to call the President, forget about it. And yet the One who created them all, the God of heaven and earth, is waiting by the phone. Darrell Trigg reminds us of this profound truth in this simple, step-by-step manual on how to find a joyful life of prayer. Prayer isn't just about wishes; it's about honesty and action.
