Please...thanks...I'm Sorry! A Of Manners:

Please...thanks...I'm Sorry! Jane Belk Moncure,1985 An introduction to basic etiquette in rhymed text and illustrations

Oops, Sorry! Richard Morgan,2003 In this sweet humorous introduction to manners for little ones Richard Morgan's appealing characters learn to say please and thank you when they want something hello and goodbye when someone greets them sorry when things go wrong and pardon when they do a whoops oddlers will instantly recognize the scenarios in this book and giggle with delight as they repeat along with the simple rhythmical text

Sorry! Henry Hitchings,2013 Most of us know a bit about what passes for good manners holding doors open sending thank you notes no elbows on the table We certainly know bad manners when we see them But where has this patchwork of beliefs and behaviours come from How did manners develop How do they change And why do they matter so much to us In examining our manners Henry Hitchings delves into the English character and investigates our notions of Englishness Sorry presents an amusing illuminating and quirky audit of English manners From basic table manners to appropriate sexual conduct via hospitality chivalry faux pas and online etiquette Hitchings traces the history of our country's customs and courtesies Putting under the microscope some of our most astute observers of humanity including Jane Austen and Samuel Pepys he uses their lives and writings to pry open the often downright peculiar secrets of the English character Hitchings blend of history anthropology and personal journey helps us understand our bizarre and contested cultural baggage and ourselves
