Ellwanger,2020-09-30 Cookery is naturally the most ancient of the arts as of all arts it is the most important Whether one should live to eat is a question concerning which the epicure and the ascetic will hold widely varying opinions but that one must eat to live will scarcely admit of controversy The man who is wise in his generation will be inclined to choose a happy

medium Or perchance the French axiom that we only eat to live when we do not understand how to live to eat may somewhat simplify the matter As it is largely through food and drink that man derives his highest mental efficiency and physical well being as equally through improper diet accrue countless bodily disorders it would appear that the proper choice and preparation of aliments and the selection of beverages should receive the profound consideration of every one Pleasures of the Table; an Account of Gastronomy from Ancient Days to Present Times - Primary Source Edition George H.
