Michael Hoelscher

Pleasures And Pains A Theory Of Qualitative Hedonism:

Pleasures and Pains Rem Blanchard Edwards, 1979

Utilitarianism, Hedonism, and Desert Fred

Feldman, 1997-08-13 Fred Feldman is an important philosopher who has made a substantial contribution to utilitarian moral philosophy. This collection of ten previously published essays plus a new introductory essay reveal the striking originality and unity of his views. Feldman's version of utilitarianism differs from traditional forms in that it evaluates behaviour by appeal to the values of accessible worlds. These worlds are in turn evaluated in terms of the amounts of pleasure they contain but the conception of pleasure involved is a novel one and the formulation of hedonism improved. In Feldman's view pleasure is not a feeling but a propositional attitude. He also deals with problems of justice that affect standard forms of utilitarianism. The collection is ideally suited for courses on contemporary utilitarian theory.

John Stuart Mill's Social and Political Thought: Social ethics John Stuart Mill, 1998

Cultural Studies and the Symbolic: Theory Studies, Presented at the University of Glasgow's Centre for Intercultural Studies: v. 1: Occasional papers in Cassirer and cultural Paul

Bishop, 2017-12-02 Given the growing disenchantment on all sides with the high theory of the 1970s and 1980s and with the dominant master trope of literary and cultural reflexion of the 1980s and 1990s the extended metaphor or allegory this volume offers a timely re-examination of what according to Goethe is a deeper mode of understanding the symbol. Via the life-long preoccupation of Ernst Cassirer with the problems of symbolic form as he christened it the papers collected here try to come to terms with the thinking of Goethe and Schiller on the symbol and on related issues. Taken together they attempt to elucidate the filiation of German classicism down through the nineteenth century to the present in the belief that some of Cassirer's ideas have fed often unacknowledged into the mainstream of contemporary cultural theory and that the rigour of his thought can help clear up much of the confusion in that theory.

Pleasure and the Good Life Paul van Riel, 2016-06-21 This volume deals with the general theory of pleasure of Plato and his successors. The first part describes the two paradigms between which all theories of pleasure oscillate: Plato's definition of pleasure as the repletion of a lack and Aristotle's view that pleasure is the perfect performance of an activity. After an excursus on Epicureans and Stoics the book concentrates on Neoplatonism opposing the standard Neoplatonic view of Plotinus and Proclus to the original viewpoint of Damascius' commentary on Plato's *Philebus*. The volume sheds light on the discussion between hedonists and anti-hedonists by concentrating on the crucial point at which any philosophical analysis of the good life hedonistic or other ought to argue that the life of the philosopher is the most desirable and thus truly pleasurable life.

A Theory of Prudence Dale Dorsey, 2021-04-08 Much of knowing what to do is knowing what to do for ourselves but knowing how to act in our best interest is complex: we must know what benefits us, what burdens us, and how these facts present and constitute considerations in favor of action. Additionally, we must know how we should weigh our interests at different times: past, present, and future. Dale Dorsey argues that a theory of prudence is needed: a theory of how we ought to act when we are

acting for ourselves A Theory of Prudence provides a comprehensive account of prudence including the metaethics of prudential value the nature of the personal good the reasons of prudence and the structure of prudential normativity over time

The Repugnant Conclusion Jesper Ryberg,Torbjörn Tännsjö,2007-11-10 Most people including moral philosophers when faced with the fact that some of their cherished moral views lead up to the Repugnant Conclusion feel that they have to revise their moral outlook However it is a moot question as to how this should be done It is not an easy thing to say how one should avoid the Repugnant Conclusion without having to face even more serious implications from one s basic moral outlook Several such attempts are presented in this volume This is the first volume devoted entirely to the cardinal problem of modern population ethics known as The Repugnant Conclusion This book is a must for moral philosophers with an interest in population ethics

John Stuart Mill: Thought and Influence Georgios Varouxakis,Paul Kelly,2010-02-25 This book combines an assessment of the philosophical legacy of Mill s arguments with an assessment of Mill s complex and fecund version of liberalism and his account of the relationship between character and ethical and political commitment

The Limits of Utilitarianism Harlan B. Miller,William Hatton Williams, The Limits of Utilitarianism was first published in 1982 Minnesota Archive Editions uses digital technology to make long unavailable books once again accessible and are published unaltered from the original University of Minnesota Press editions Many philosophers have argued that utilitarianism is an unacceptable moral theory and that promoting the general welfare is at best only one of the legitimate goals of public policy Utilitarian principles seem to place no limits on the extent to which society may legitimately interfere with a person s liberties provided that such actions can be shown to promote the long term welfare of its members These issues have played a central role in discussions of utilitarianism since the time of Bentham and Mill Despite criticisms utilitarianism remains the most influential and widely accepted moral theory of recent times In this volume contemporary philosophers address four aspects of utilitarianism the principle of utility utilitarianism vis vis contractarianism welfare and voluntary cooperation and helping others The editors provide an introduction and a comprehensive bibliography that covers all books and articles published in utilitarianism since 1930

Beyond the Stars: Themes and ideologies in American popular film Paul Loukides,Linda K. Fuller,1990 The third of five volumes of new scholarship on American movie conventions The 19 essays explore cinematic representations of such material items as food weapons clothing tools technology and art and literature Not illustrated No index Paper edition unseen 13 95 Annotation copyright by Book News Inc Portland OR

Pain Murat Aydede,2005-12-02 Leading philosophers and scientists examine the puzzles of pain and consider how the study of pain might help us to have a better understanding of the larger issues of consciousness and psychological research

The Liberal Self Wendy Donner,2018-08-06 Wendy Donner contends here that recent commentators on John Stuart Mill s thought have focused on his notions of right and obligation and have not paid as much attention to his notion of the good Mill she maintains rejects the quantitative hedonism of Bentham s philosophy in favor of an expanded qualitative version In this book

she provides an account of his complex views of the good and the ways in which these views unify his moral and political thought

John Stuart Mill and the Ethic of Human Growth D.A. Habibi, 2013-03-14 In this well researched comprehensive study of J S Mill Professor Habibi argues that the persistent dominant theme of Mill s life and work was his passionate belief in human improvement and progress Several Mill scholars recognize this however numerous writers overlook his growth ethic and this has led to misunderstandings about his value system This study defines and establishes the importance of Mill s growth ethic and clears up misinterpretations surrounding his notions of higher and lower pleasures positive and negative freedom the status of children the legitimacy of authority and support for British colonialism Drawing from the entire corpus of Mill s writings as well as the extensive secondary literature Habibi has written the most focused sustained analysis of Mill s grand leading principle This book will be useful to college students in philosophy and intellectual history as well as specialists in these fields

The Oxford Handbook of Value Theory Iwao Hirose, Jonas Olson (College teacher), 2015 Value theory or axiology looks at what things are good or bad how good or bad they are and most fundamentally what it is for a thing to be good or bad Questions about value and about what is valuable are important to moral philosophers since most moral theories hold that we ought to promote the good even if this is not the only thing we ought to do This Handbook focuses on value theory as it pertains to ethics broadly construed and provides a comprehensive overview of contemporary debates pertaining not only to philosophy but also to other disciplines most notably political theory and economics The Handbook s twenty two newly commissioned chapters are divided into three parts Part I Foundations concerns fundamental and interrelated issues about the nature of value and distinctions between kinds of value Part II Structure concerns formal properties of value that bear on the possibilities of measuring and comparing value Part III Extensions finally considers specific topics ranging from health to freedom where questions of value figure prominently

The Blackwell Guide to Mill's Utilitarianism Henry West, 2008-04-15 The Blackwell Guide to Mill s Utilitarianism volume is an ideal commentary for students on Mill s classic essay Contains the complete text of Utilitarianism and twelve related essays Essays cover the background to Mill s classic essay analyses of the arguments and contemporary debates within the utilitarian tradition Also includes a case study demonstrating the application of utilitarian theory to military or non violent responses to terrorism Each contribution is an original essay written by a specialist at the cutting edge of philosophical scholarship

Pleasure and the Good Life Gerd Van Riel, 2000 This volume concentrates on a hedonistic argument that enters the philosophical debate when philosophers argue that what they present as the good life is the truly pleasurable life The book investigates more precisely how this point was made by Plato and his successors

Moral Theory Mark Timmons, 2022-01-17 Moral Theory An Introduction explores some of the historically most important and currently debated moral theories about the nature of the right and the good including divine command theory relativism natural law theory consequentialism egoism Kant s ethics ethics of prima facie duties contractualism virtue ethics and care ethics Providing an

introduction to moral theory that explains and critically examines the theories of such classical philosophers as Aristotle Aquinas Bentham Kant Mill and Ross this book acquaints students with the work of contemporary moral philosophers Each chapter has been revised and updated The third edition includes a new chapter on moral contractualism and an extensively revised chapter on virtue ethics and care ethics Additionally the book discusses recent work by moral psychologists making an impact on moral theory

The Modern Liberal Theory of Man Gerald F. Gaus, 2019-11-19 First published in 1983 The primary argument of this book is that there is a coherent tradition of liberal thinking that extends from L S Mill through liberals like T H Green Bernard Bosanquet L T Hobhouse and John Dewey to John Rawls The author places Rawls within a longstanding tradition of liberal thinking while also arguing that Green and Hobhouse are not simply of historical interest but represent genuine and interesting attempts to develop a modern liberal theory It is argued that modern liberal theory centres on a conception of human nature that modern liberals have sought to harmonise the pursuit of individuality with participation in social and communal life Although the book focuses on six modern liberals the discussion proceeds topically rather than according to author thus highlighting similarities and disagreements and providing a comprehensive study of modern liberalism

Philosophical Analysis D.S. Austin, 2012-12-06 Analytic philosophy is alive and in good health as this collection of twenty previously unpublished essays most ably demonstrates The reader will find here assembled some of the finest writings of modern analytic philosophers at the top of their form Matthews discusses Plato's attempt to deal with the problem of false belief about identities Parson evaluates Russell's early theory of denoting phrases Chisholm exhibits the utility of thirteen epistemic categories Plantinga criticizes Chisholm's account of justification Conee argues that solving the Gettier Problem is important and Ginet proposes a solution to it Lehrer criticizes an argument based on the simplicity of our belief in material objects and other minds R Feldman defends an account of having evidence F Feldman defends a propositional account of pleasure Van Fraassen criticizes Garber's solution to the problem of old evidence Casta eda investigates the nature of negation McKay argues that de se analyses of belief do not account for belief de re Richard argues that no Fregean semantics for belief attribution will succeed Ryckman suggests that the Millian theory of names has little to do with the theory of belief is no threat to God's omniscience Dunn investigates constraints imposed on non classical modal logics by extensionality Fitch argues that singular propositions perform important functions in modal logic Jubien evaluates arguments for and against possible worlds Ratzsch argues that there must be a deeper source of nomicality than ordinary subjunctives and Stalnaker argues that there is room for determinacy of identity and indeterminacy in reference

Utilitarianism, Institutions, and Justice James Wood Bailey, 1997 Far from recommending cruel acts utilitarianism understood this way actually runs congruent to our basic moral intuitions

Pleasures And Pains A Theory Of Qualitative Hedonism Introduction

In the digital age, access to information has become easier than ever before. The ability to download Pleasures And Pains A Theory Of Qualitative Hedonism has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Pleasures And Pains A Theory Of Qualitative Hedonism has opened up a world of possibilities.

Downloading Pleasures And Pains A Theory Of Qualitative Hedonism provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Pleasures And Pains A Theory Of Qualitative Hedonism has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Pleasures And Pains A Theory Of Qualitative Hedonism. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Pleasures And Pains A Theory Of Qualitative Hedonism. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Pleasures And Pains A Theory Of Qualitative Hedonism, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Pleasures And Pains A Theory Of Qualitative Hedonism has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a

popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Pleasures And Pains A Theory Of Qualitative Hedonism Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Pleasures And Pains A Theory Of Qualitative Hedonism is one of the best book in our library for free trial. We provide copy of Pleasures And Pains A Theory Of Qualitative Hedonism in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Pleasures And Pains A Theory Of Qualitative Hedonism. Where to download Pleasures And Pains A Theory Of Qualitative Hedonism online for free? Are you looking for Pleasures And Pains A Theory Of Qualitative Hedonism PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Pleasures And Pains A Theory Of Qualitative Hedonism. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Pleasures And Pains A Theory Of Qualitative Hedonism are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials.
