Painful Pleasure Kate Bridges, 2024-12-18 A little girl no more than six her pink fluffy frock swaying with each step approached two identical boys covered in mud She cocked her head and with all the curiosity of youth asked Why are you both sad The boys no older than twelve exchanged a glance before offering sweet resigned smiles Because we're dirty they said in unison and no one wants to play with us Her brows furrowed in sympathy but before they could say more the girl took their hands with surprising strength for someone so small Don't worry she said her voice as bright as a sunbeam I'll play with you Without waiting for an answer she led them to the park her small hand gripping theirs with determination Once they arrived she stopped and looked up at them her eyes wide with excitement Let's play volleyball She tossed a ball to one twin and stood next to the other her smile contagious The twins exchanged a glance then nodded in unison The elder twin smiled warmly Alright let's begin She shook her head suddenly her expression turning thoughtful But wait There are only three of us One of you would be alone Her face scrunched into a small pout as she kicked the ground trying to come up with a solution After a moment her face lit up with inspiration She quickly handed the ball to the boy in front of her You throw it and I'll run to the other side she declared her eyes gleaming with determination The elder twin raised an eyebrow amused but concerned The younger one more cautious watched her as she darted across the grass struggling to keep up with the pace of the game Her legs were tiny compared to theirs and yet she didn't give up After a few moments both twins stopped their concerned gazes following her frantic movements You'll get tired if you keep playing like this the elder twin said his voice soft but firm a protective edge to his tone The younger twin equally worried added You can't play with both teams at once It's too much for you But the little girl wasn't listening Out of breath but still grinning widely she shook her head and panted Yes I can I'll play with both of you Her cheeks flushed with the exertion but there was an

unmistakable joy in her eyes A pure innocent determination that melted their hearts Despite their worries both brothers exchanged a silent agreement and continued the game their hearts swelling with affection for this tiny determined girl As they played they never imagined that years later that same little girl would grow into a beautiful woman unknowingly stirring feelings in them that they never expected What once began as a simple game would soon become something neither of them could escape

Pamboukian, 2022-11-12 *Agatha Christie and the Guilty Pleasure of Poison* examines Christie's female poisoners in the context of Christie's own experience in pharmacy and of detective fiction In doing so it uncovers an overlooked dynamic in which female poisoners deliver well deserved comeuppance for gendered and classed wrongdoing ordinarily accepted in everyday life While critics have long recognized male outlaws like Robin Hood who use crime to oppose a corrupt system this book contends that female outlaws witches and poisoners offer a similar heritage of empowered femininity Far from cozy and formulaic Agatha Christie's outlaw poisoners offer readers the surprising pleasures of comeuppance and they set the stage for contemporary detective fiction writers more recent films depicting poisoning as empowering and even poison gardens which are tourist destinations that offer visitors the guilty pleasure of poison
