[The Times of Their Lives](#) James Deetz, Patricia Scott Deetz, 2001-10-16 The utterly absorbing real story of the lives of the Pilgrims whose desires and foibles may be more recognizable to us than they first appear Americans have been schooled to believe that their forefathers the Pilgrims were somber dark clad pure of heart figures who conceived their country on the foundation of piety hard work and the desire to live simply and honestly But the truth is far from the portrait painted by decades of historians They wore brightly colored clothing often drank heavily believed in witches had premarital sex and adulterous affairs and committed petty and serious crimes against their neighbors in surprisingly high numbers Beginning by debunking the numerous myths that surround the landing of the Mayflower and the first Thanksgiving James Deetz and Patricia Scott Deetz lead us through court transcripts wills probate listings and rare firsthand accounts as well as archaeological finds to reveal the true story of life in colonial America

**The English Empire in America, 1602-1658** L H Roper, 2015-10-06 This study situates the colonization of Virginia the centrepiece of early English overseas settlement activity in the social and political landscape of the early seventeenth century

*Spirited Encounters* Karen Coody Cooper, 2008 During the twentieth century American Indians across North America organized protests against traditional museum treatment of Native materials and the Native community In response museums began to change their methods *Spirited Encounters* provides a foundation for understanding museums examines how museums collect Native materials and explores protest as a fully American process of addressing grievances Now that museums and American Indians are working together in the processes of repatriation this book can help each side understand the other more fully

*The Last Puritans* Margaret Bendroth, 2015-08-12 Congregationalists the oldest group of American Protestants are the heirs of New England s first founders While they were key characters in the story of early American history from Plymouth Rock and the founding of Harvard and Yale to the Revolutionary War their luster and numbers have faded But Margaret Bendroth s critical history of Congregationalism over

the past two centuries reveals how the denomination is essential for understanding mainline Protestantism in the making Bendroth chronicles how the New England Puritans known for their moral and doctrinal rigor came to be the antecedents of the United Church of Christ one of the most liberal of all Protestant denominations today The demands of competition in the American religious marketplace spurred Congregationalists Bendroth argues to face their distinctive history By engaging deeply with their denomination s storied past they recast their modern identity The soul searching took diverse forms from letter writing and eloquent sermonizing to Pilgrim celebrating Thanksgiving pageants as Congregationalists renegotiated old obligations to their seventeenth century spiritual ancestors The result was a modern piety that stood a respectful but ironic distance from the past and made a crucial contribution to the American ethos of religious tolerance

*Connecting Your Students with the Virtual World* Billy Krakower, Jerry Blumengarten, 2020-12-28 Make the most of today s technology to give your students a more interactive authentic global learning experience *Connecting Your Students with the Virtual World* shows you how to plan themed projects for every season embark on virtual field trips and get students in touch with other classrooms worldwide This updated edition includes a key new chapter on taking video conferencing to the next level for optimal student engagement and collaboration as well as new chapters on connecting through games and esports and connecting with parents The book includes a wide variety of standards based step by step activities you can implement immediately

*Reinventing Eden* Carolyn Merchant, 2013 Visionary quests to return to the Garden of Eden have shaped Western culture from Columbus voyages to today s tropical island retreats Few narratives are so powerful and as Carolyn Merchant shows so misguided and destructive as the dream of recapturing a lost paradise A sweeping account of these quixotic endeavors by one of America s leading environmentalists *Reinventing Eden* traces the idea of rebuilding the primeval garden from its origins to its latest incarnations in shopping malls theme parks and gated communities With eloquence and insight Merchant shows how the drive to conquer nature and to explore and settle the globe springs from this utopian pastoral impulse throughout Western history Time and again human manipulation of the environment is our downfall Eden is achieved by fencing off pristine beauty in national parks and wildlife preserves while leaving the majority of the earth in ruins Challenging both narratives Merchant argues that the green veneer of city park conservation has become a cover for the corruption of the earth and the neglect of its environment *Reinventing Eden* is a bold new way to think about the earth that includes green political parties sustainable development and a partnership between humans and earth that is nothing short of an ecological revolution

*Fed, White, and Blue* Simon Majumdar, 2016-05-10 Food writer and Food Network personality Simon Majumdar sets out across the United States to discover what it means to be American one bite at a time Before deciding whether to trade in his green card for a U S citizenship Simon Majumdar knew he needed to find out what it really means to be an American So he set out on a journey to discover America through the thing he knows best food Over the course of a year Simon crisscrossed the United States stopping in locales such as Plymouth Massachusetts to learn about

what the pilgrims ate Kansas for a Shabbat dinner Wisconsin to make cheese Alaska to fish for salmon alongside a grizzly bear and Los Angeles to cook at a Filipino restaurant in the hopes of making his in laws proud Along the way he makes some friends and digs in to the food cultures that make up America brewing beer farming working at a food bank and even tailgating Full of heart humor history and of course food Fed White and Blue is a warm funny and inspiring portrait of becoming an American in the twenty first century Living History Museums Scott Magelssen,2007-02-01 Living history museums are cultural institutions that merge historical exhibits with live costumed performance While unique and vitally important they often compromise historical accuracy and authenticity for the sake of tourism and entertainment value Many also pursue methods of performance and historiography that are becoming increasingly outdated Living History Museums Undoing History Through Performance examines the performance practices used by institutions such as Plimoth Plantation and Colonial Williamsburg and offers a new genealogy of living history museum performance in the U S and Europe Currently existing scholarship on living history museums addresses the subject from a museum studies or anthropology perspective Author Scott Magelssen however approaches the material from a background in theatre history and theory analyzing living history museums using postmodern methodology Considering performance as a method for the study of history and exploring emergent non traditional theatrical practices the book offers suggestions for performance in an increasingly postmodern landscape Concluding with an international listing of living history institutions and a complete list of sources Living History Museums is a valuable resource for students and teachers of theatre and performance studies cultural studies folklore popular culture American studies and museum studies Miraculous Plagues Cristobal Silva,2015-12 This title examines the forms and conventions of colonial epidemiology in order to re imagine New England s early literary history as a function of the narrative legal and theological responses to regional and generational patterns of illness in the 17th and early 18th centuries
