Plot Against America

Harlow Giles Unger

Plot Against America:

The Plot Against America Philip Roth, 2005-09-27 NATIONAL BESTSELLER The chilling bestselling alternate history novel of what happens to one family when America elects a charismatic isolationist president whose government embraces anti-Semitism from the Pulitzer Prize winning author of American Pastoral A terrific political novel Sinister vivid dreamlike You turn the pages astonished and frightened The New York Times Book Review One of the New York Times's 100 Best Books of the 21st Century In an extraordinary feat of narrative invention Philip Roth imagines an alternate history where Franklin D Roosevelt loses the 1940 presidential election to heroic aviator and rabid isolationist Charles A Lindbergh Shortly thereafter Lindbergh negotiates a cordial understanding with Adolf Hitler while the new government embarks on a program of folksy anti-Semitism

The Plot Against America Philip Roth, 2004-10-05 Philip Roth's bestselling alternate history the chilling story of what happens to one family when America elects a charismatic isolationist president is soon to be an HBO limited series In an extraordinary feat of narrative invention Philip Roth imagines an alternate history where Franklin D Roosevelt loses the 1940 presidential election to heroic aviator and rabid isolationist Charles A Lindbergh Shortly thereafter Lindbergh negotiates a cordial understanding with Adolf Hitler while the new government embarks on a program of folksy anti-Semitism For one boy growing up in Newark Lindbergh's election is the first in a series of ruptures that threaten to destroy his small safe corner of America and with it his mother his father and his older brother A terrific political novel Sinister vivid dreamlike creepily plausible You turn the pages astonished and frightened The New York Times Book Review

The Plot Against America Philip Roth, 2010-12-23 He captures better than anyone the collision of public and private the intrusion of history into the skin the pores of every individual alive Guardian Though on the morning after the election disbelief prevailed especially among the pollsters by the next everybody seemed to understand everything When celebrity aviator Charles A Lindbergh wins the 1940 presidential election on the slogan of America First fear invades every Jewish household Not only has Lindbergh blamed the Jews for pushing America towards war with Germany he has negotiated an understanding with the Nazis promising peace between the two nations Growing up in the ghetto of Newark Philip Roth recounts his childhood caught in the stranglehold of this counterfactual nightmare As America sinks into its own dark metamorphosis and Jewish families are torn apart fear and uncertainty spread Who really is President Lindbergh And to what end has he hijacked America _____

Many passages in The Plot Against America echo feelings voiced today by vulnerable Americans immigrants and minorities as alarmed by Trump's election as the Jews of Newark are frightened by Lindbergh's New Yorker ONE OF THE GUARDIAN'S 100 BEST BOOKS OF THE 21st CENTURY

The Plot Against America David George Plotkin, 1946 **Plots against Russia** Eliot Borenstein, 2019-04-15 In this original and timely assessment of cultural expressions of paranoia in contemporary Russia Eliot Borenstein samples popular fiction movies television shows public political pronouncements internet discussions blogs and religious tracts to build a sense of the

deep historical and cultural roots of konspiologiia that run through Russian life Plots against Russia reveals through dramatic and exciting storytelling that conspiracy and melodrama are entirely equal opportunity in modern Russia manifesting themselves among both pro Putin elites and his political opposition As Borenstein shows this paranoid fantasy until recently characterized only the marginal and the irrelevant Now through its embodiment in pop culture the expressions of a conspiratorial worldview are seen everywhere Plots against Russia is an important contribution to the fields of Russian literary and cultural studies from one of its preeminent voices **The French War Against America** Harlow Giles Unger, 2005-03-01 Acclaim for The French War Against America A very readable and provocative tale of early Franco American relations that will please some and infuriate others John Buchanan author of The Road to Valley Forge How Washington Built the Army That Won the Revolution Harlow Unger has written an amazing tour de force revealing France's two faced role in the American Revolution and the early Republic The book also has enormous relevance for contemporary politics Don't miss it Thomas Fleming author of Liberty The American Revolution Philip Roth's Rude Truth Ross Posnock, 2008-07-28 Has anyone ever worked harder and longer at being immature than Philip Roth The novelist himself pointed out the paradox saying that after establishing a reputation for maturity with two earnest novels he worked hard and long and diligently to be frivolous an effort that resulted in the notoriously immature Portnoy's Complaint 1969 Three and a half decades and more than twenty books later Roth is still at his serious pursuit of the unserious But his art of immaturity has itself matured developing surprising links with two traditions of immaturity an American one that includes Emerson Melville and Henry James and a late twentieth century Eastern European one that developed in reaction to totalitarianism In Philip Roth's Rude Truth one of the first major studies of Roth's career as a whole Ross Posnock examines Roth's mature immaturity in all its depth and richness Philip Roth's Rude Truth will force readers to reconsider the narrow categories into which Roth has often been slotted laureate of Newark New Jersey junior partner in the firm Salinger Bellow Mailer and Malamud Jewish American regionalist In dramatic contrast to these caricatures the Roth who emerges from Posnock's readable and intellectually vibrant study is a great cosmopolitan in the tradition of Henry James and Milan Kundera

American Television During a Television Presidency Karen McNally, 2022-04-12 Undergraduate and graduate students and scholars of film and television studies comedy studies and cultural studies will value this strong collection **A Political Companion to Philip Roth** Claudia Franziska Brühwiler, Lee Trepanier, 2017-06-23 Demonstrates powerfully the manifold ways in which Roth's writing often helped to shape and was in turn shaped by the larger political climate David Brauner author of Contemporary American Fiction Widely acknowledged as one of the twentieth century's most prolific and acclaimed writers Philip Roth received the National Book Award for his first novel Goodbye Columbus and followed this stunning debut with more than thirty books earning another National Book Award two National Book Critics Circle awards three PEN Faulkner Awards and the Pulitzer Prize Throughout his career Roth delighted in controversy yet often denied that

he sought a role as a public intellectual His statements and vigorous support of suppressed writers in communist Czechoslovakia however tell a different story In *A Political Companion to Philip Roth* established and rising scholars explore the myriad political themes in the author's work Several of the contributors examine Roth's writings on Jewish identity Zionism and American attitudes toward Israel as well as the influence of his work in other countries Others investigate Roth's articulation of the roles of gender and sexuality in US culture This interdisciplinary examination offers a more complete portrait of Roth as a public intellectual and cultural icon It not only fills a gap in scholarship but also provides a broader perspective on the nature and purpose of the acclaimed writer's political thought Addresses a void in discussions of Roth's work by looking at his thinking on political matters particularly as they involve identity the American Jewish experience Israel and Cold War fears of communism Choice

Alternate History Kathleen Singles, 2013-10-14 While strictly speaking Alternate Histories are not Future Narratives their analysis can shed a clear light on why Future Narratives are so different from past narratives Trying to have it both ways most Alternate Histories subscribe to a conflicting set of beliefs concerning determinism and freedom of choice contingency and necessity For the very first time Alternate Histories are here discussed against the backdrop of their Other Future Narratives The volume contains in depth analyses of the classics of the genre such as Philip K Dick's *The Man in the High Castle* and Philip Roth's *The Plot against America* as well as less widely discussed manifestations of the genre such as Dieter K hn's *N* Christian Kracht's *Ich werde hier sein im Sonnenschein und im Schatten* and Quentin Tarantino's film *Inglourious Basterds*

The Bloomsbury Handbook to Philip Roth Aimee Pozorski, Maren Scheurer, 2023-12-14 The Bloomsbury Handbook to Philip Roth provides a comprehensive must have survey of interdisciplinary scholarship on one of the major American novelists of the 20th and 21st centuries The Bloomsbury Handbook to Philip Roth presents state of the art scholarship on new research methods current debates and future directions in Philip Roth studies It illuminates how Roth one of the most influential American writers of the 20th and 21st centuries not only reflected American history and culture in his important novels but uncannily anticipated our American future Divided into six main sections this Handbook considers such topics The full range of Roth's writing from his novels and short stories to essays and life writing Major interdisciplinary scholarly perspectives across literary studies politics gender studies critical race theory and ecocriticism Roth's literary legacy across contemporary fiction Jewish literature the arts and culture studies Key contexts including American political movements since the 1950s the American Jewish experience and intertextual relationships Uniting scholars and artists who have built the field of Philip Roth studies from the ground up along with emergent scholars from around the world this Handbook includes chapter summaries study questions and an author biography and timeline that includes key dates in Roth's life and publication history It also contains a bibliography of secondary sources for further reading as well as an overview of film and television adaptations

Post-9/11 Historical Fiction and Alternate History Fiction Pei-chen Liao, 2020-09-19 Drawing on theories of historiography memory and diaspora

as well as from existing genre studies this book explores why contemporary writers are so fascinated with history Pei chen Liao considers how fiction contributes to the making and remaking of the transnational history of the U S by thinking beyond and before 9 11 investigating how the dynamics of memory as well as the emergent present influences readers reception of historical fiction and alternate history fiction and their interpretation of the past Set against the historical backdrop of WWII the Vietnam War and the War on Terror the novels under discussion tell Jewish Japanese white American African Muslim and Native Americans stories of trauma and survival As a means to transmit memories of past events these novels demonstrate how multidirectional memory can be not only collective but connective as exemplified by the echoes that post 9 11 readers hear between different histories of violence that the novels chronicle as well as between the past and the present

Boys' Secrets and Men's Loves: David A.J. Richards, 2019-06-04 Boys Secrets and Men s Loves is the memoir of a law professor who has written over twenty books on the basic rights of American constitutionalism He has been a prominent advocate of gay rights and feminism which joins men and women in resistance A gay man born into an Italian American family in New Jersey he relates in this book his own experience on how the initiation of boys into patriarchy inflicts trauma leading them to mindlessly accept patriarchal codes of masculinity and how through art philosophy and experience including mutual love he and others straight and gay men come to join women in resisting patriarchy through the discovery of how deeply it harms men as well as women

If God Meant to Interfere Christopher Douglas, 2016-05-12 The rise of the Christian Right took many writers and literary critics by surprise trained as we were to think that religions waned as societies became modern In If God Meant to Interfere Christopher Douglas shows that American writers struggled to understand and respond to this new social and political force Religiously inflected literature since the 1970s must be understood in the context of this unforeseen resurgence of conservative Christianity he argues a resurgence that realigned the literary and cultural fields Among the writers Douglas considers are Marilynne Robinson Barbara Kingsolver Cormac McCarthy Thomas Pynchon Ishmael Reed N Scott Momaday Gloria Anzald a Philip Roth Carl Sagan and Dan Brown Their fictions engaged a wide range of topics religious conspiracies faith and wonder slavery and imperialism evolution and extraterrestrial contact alternate histories and ancestral spiritualities But this is only part of the story Liberal leaning literary writers responding to the resurgence were sometimes confused by the Christian Right s strange entanglement with the contemporary paradigms of multiculturalism and postmodernism leading to complex emergent phenomena that Douglas terms Christian multiculturalism and Christian postmodernism Ultimately If God Meant to Interfere shows the value of listening to our literature for its sometimes subterranean attention to the religious and social upheavals going on around it

Twain's Brand Judith Yaross Lee, 2012-12 A study of what made Mark Twain a pioneer of American comedy today

Philip Roth Patrick Hayes, 2014 Philip Roth is widely acknowledged as one of the defining authors in the literature and culture of post war America Yet he has long been a polarising figure and throughout his long career he has won the disapproval of an extremely diverse range of

public moralists including it would seem the Nobel Prize committee Far from seeking to make Roth a more palatable writer Patrick Hayes argues that Roth's interest in transgressing against the virtue racket as one of his characters put it defines his importance Placing the vehemence and unruliness of human passions at the heart of his writing Roth is the most subtle exponent of a line of thinking that descends from Nietzsche and which values the arts for their capacity to scrutinise life in an extra moral way Philip Roth Fiction and Power explores the depth and richness of insight that Roth's fiction thereby generates and defines what is at stake in his challenge to widely held assumptions about the ethical value of literature As well as examining how Roth emerged as a writer and his main lines of influence it considers his impact on questions about the nature and value of tragedy the relevance of art to life the relationship between art and the unconscious the concept of the author the idea of a literary canon and how fiction can illuminate America's complex post war history It will appeal not only to readers of American literature but to anyone interested in why literature matters

Political Initiation in the Novels of Philip Roth Claudia Franziska Brühwiler, 2013-04-25 Political Initiation in the Novels of Philip Roth exemplifies how literature and specifically the work of Philip Roth can help readers understand the ways in which individuals develop their political identity learn to comprehend political ideas and define their role in society Combining political science literary theory and anthropology the book describes an individual's political coming of age as a political initiation story which is crafted as much by the individual himself as by the circumstances influencing him such as political events or the political attitude of the parents Philip Roth's characters constantly re-write their own stories and experiment with their identities Accordingly Philip Roth's works enable the reader to explore for instance how individuals construct their identity against the backdrop of political transformations or contested territories and thereby become initiands or fail to do so Contrary to what one might expect initiations are not only defining moments in childhood and early adulthood instead Roth shows how initiation processes recur throughout an individual's life

Philip Roth Ira Nadel, 2021-02-01 This new biography of famed American novelist Philip Roth offers a full account of his development as a writer Philip Roth was much more than a Jewish writer from Newark as this new biography reveals His life encompassed writing some of the most original novels in American literature publishing censored writers from Eastern Europe surviving less than satisfactory marriages and developing friendships with a number of the most important writers of his time from Primo Levi and Milan Kundera to Isaac Bashevis Singer Saul Bellow and Edna O'Brien The winner of a Pulitzer Prize National Book Award and the Man Booker International Prize Roth maintained a remarkable productivity throughout a career that spanned almost fifty years creating 31 works But beneath the success was illness angst and anxiety often masked from his readers This biography drawing on archives interviews and his books delves into the shaded world of Philip Roth to identify the ghosts the character and even identity of the man

Fascism, Vulnerability, and the Escape from Freedom C. Jon Delogu, 2022 A worldwide struggle between democracy and authoritarianism set against a backdrop of global surveillance capitalism is unmistakable Examples range

from Myanmar China and the Philippines to Hungary Turkey Russia and the United States Fascism Vulnerability and the Escape from Freedom offers a multidisciplinary analysis drawing on psychology and literature to provide readers with a deeper understanding of the mechanisms that drive people to abandon democracy in favor of vertically organized authoritarianism and even fascism In a comparative study of texts selected for their insights and occasional blind spots regarding fascist experiments of the past 100 years Delogu examines fascism s exploitation of fear of change loss and death disruption and extreme inequality The book offers an accessible and persuasive argument linking fascist authoritarianism also called right wing populism to certain underlying conditions such as a rise in us versus them thinking distrust or simple apathy regarding democratic institutions norms and results the vulnerabilities that result from extreme inequality economic social racial and addictions and codependency Stressful events such as a pandemic an environmental disaster or deep recession aggravate these harmful factors and make the fascist temptation including the use of violence almost irresistible Delogu s distinctive examination of texts that plumb the unconscious reveal linkages between actions and unavowable motives that purely historical and theoretical studies of fascism leave out Erich Fromm s neglected 1941 classic Escape from Freedom serves as a key reference in Delogu s study as does Robert Paxton s authoritative history The Anatomy of Fascism 2004 After underscoring the argument and urgent context around these two studies Hitler s Germany and George W Bush s post 9 11 America Delogu examines novels a diary memoirs and manifestos to show how vulnerability forces individuals to choose between exclusionary fascist authoritarianism and inclusive collaborative democracy

First of the Year: 2009

Benj DeMott, 2017-07-05 This is the second volume in the First of the Year Series Contributors like Armond White Philip Levine Donna Gaines Lawrence Goodwyn Irving Louis Horowitz Charles O Brien Fredric Smoler Paul Berman and Amiri Baraka are back and blazing And there are important new voices in the First mix such as Vincent Harding Roxane Johnson and Bob Levin If there is a leitmotif to this edition it is the election and inauguration of Barack Obama as the first African American president First aims to be up to the minute of this moment As Benj DeMott notes a glance at this volume confirms the margin is still the center for us And that margin stretches from Harlem to the world There are tales of edgy sojourns in Afghanistan Thailand and South Africa The volume also has a Question direct unafraid urban and entirely contemporary
