Possessing the Land Edward James Murray, Jr., 2005-01-01 This book was written to help millions of believers to obey what the Lord commanded in Deut 1:8 which is to go and possess the land that He has already given to them It is intended to give the reader some understanding about modern day real estate and how it relates to the Word of God It will help you develop your faith in God in order to get to your Promised Land or the territory that God has called you to possess and occupy This book will also expose the subtle ways of the spirit of Baal and how it operates in the real estate business today This spirit tries to control intimidate and manipulate the real estate business world today This spirit is also known as the spirit of witchcraft Just like in the past when there was a showdown between the Prophet Elijah and the prophets of Baal we must confront and defeat this spirit Nevertheless God used this man of God Elijah that was outnumbered 900 to 1 to bring down the spirit of Baal The children of Israel chose to watch him instead of being on his side and help him to destroy the prophets of Baal As we saw in 1 Kings 18:24 only the God who answers by fire was on the side of this one man God used him to consume the gods of his time Just like today when the odds seem overwhelming and no one is standing with you our God who answers by fire will show up for you today just like He did for the Prophet Elijah The Word of God says in James 5:17 that Elijah was a man just like us He prayed earnestly that it would not rain and it did not rain for three and half years Again he prayed and the heavens gave rain and the earth produced its crops You and I have the same power available to us if we believe God in order to get into home ownership to take new territories title deeds to see our cities and surrounding communities transformed and overflowing with every good thing This book will help you gain more knowledge in buying a house and going even further into investment properties I believe this is one area of transformation of wealth that the believer is coming into and it has already started We must be a part of the tidal wave of transformation of wealth just as in the book of Acts when believers were homeowners landowners They sold off land from time to time in order to bring the proceeds to the apostles and they placed the proceeds at the apostle's feet as we saw demonstrated in Acts 4:34-35 Today we are to possess our land and effectively occupy the real estate industry so that we have more than enough to give to a local pastor ministry leader mission and other organizations so that they can produce fruit in their ministries You should read this entire chapter of Acts of the Apostles so that you can see the great power of God that was released in the city when they were giving outrageously This book will help enable you to go and possess the land or home that God wants to give you because He has promised many times that it is your inheritance from Him If you read Isaiah 61:7 God said instead of shame my people will receive a double portion and instead of disgrace They will rejoice in their inheritance and so they will inherit a double portion in their land This is just one scripture that tells us that God will not only give you a double portion in the natural things but will also give you a double portions in the land in which you are living Yes
