A Study of the Movement of Spiritual Awareness D. Tumminia,J. Lewis,2013-11-18 MSIA the Movement of Spiritual Inner Awareness has been called the Cadillac of cults Those interested in new religions may only know of MSIA from these kinds of labels However when looked at from a qualitative sociological perspective a more complex story of religious innovation and cultural change can be told **Among the Scientologists** Donald A. Westbrook,2019 The Church of Scientology is one of the most recognizable American born new religions but perhaps the least understood With academic and popular interest on the rise many books have been written about Scientology and surely more will follow Although academics have begun to pay more attention to Scientology the subject has received remarkably little qualitative attention Indeed no work has systematically addressed such questions as what do Scientologists themselves have to say about their religion s history theology and practices How does Scientology act as a religion for them What does lived religion look like for a Scientologist This is not so much a book about the Church of Scientology its leaders or its controversies as it is a compilation of narratives and histories based on the largely unheard or ignored perspectives of Scientologists themselves Drawing on six years of

interviews fieldwork and research conducted among members of the Church of Scientology this groundbreaking work examines features of the new religion s history theology and praxis in ways that move discussion beyond apostate driven and expos accounts     Palestine Pocket Guide-books ,1918     *The Kingdom of the Cults* Walter Martin,Ravi Zacharias,2003-10  
Newly updated this definitive reference work on major cult systems is the gold standard text on cults with nearly a million copies sold     The Complete Guide to Christian Denominations Ron Rhodes,2015-03-01 Do you ever wonder what the difference is between one denomination and another Why are there so many kinds of Baptist or Presbyterian or Lutheran churches Where do those names come from anyway You can find answers in this concise but comprehensive guide Learn about the leaders teachings and history of most of the church families in America In addition to membership statistics you ll find a brief explanation of how the denomination began a short summary of its teaching on God the Bible the church and other important topics a quick overview of some of its distinctive characteristics Whether you re looking for a new church or enriching your fellowship with believers from other traditions you ll be much better prepared with this revised and expanded edition of *The Complete Guide to Christian Denominations*     *International Journal of Religious Education* ,1929     *A Cumulated Index to the Books* ,1900
