Marcia A. Weigle

State-Society Relations in the Transition from Communism

Marcia A. Weigle

Russia's Liberal Project Marcia A. Weigle, 2010-11-01 A study of contemporary politics in Russia assessing the attempted transition from totalitarianism to liberal democracy It shows that although liberal institutions have been tentatively established the weak social and cultural supports threaten the success of Russia's liberal project The Weakness of Civil **Society in Post-Communist Europe** Marc Morjé Howard, 2003-03-27 Over a decade has passed since the collapse of communism yet post communist citizens are still far less likely to join voluntary organizations than people from other countries Why do post communist citizens mistrust public organizations What explains this pattern of weak civil society And what does this mean for democracy in the region This engaging study addresses these guestions with a provocative argument about the enduring impact of the communist experience on its countries and citizens Howard argues that the experience of mandatory participation in state controlled organizations and vibrant private networks during the communist period combined with the disappointment with post communist developments have left most citizens with a lasting aversion to public activities Howard analyzes the findings from over 30 democratic countries on the World Values Survey and also presents extensive and original evidence from his own research focused on Eastern Germany and Russia Crisis around the World Saliba Sarsar, Rekha Datta, 2020-11-05 In the twenty first century democracies across the globe are in crisis The strength of basic democratic institutions and core enduring political principles and values are eroding in key regions and countries Authoritarian regimes are rising and populist leaders are emerging Democracy in Crisis across the World weaves threads of history and politics in two parts to analyze how long this trend may last and what the future may bring By first examining the state of democracy in Sub Saharan Africa Eastern Europe Western Europe Latin America and the Middle East and North Africa the second part of the collection highlights to democratic trajectory of India China Russia and the United States Ending with a look at how the world's governments have responded to the coronavirus pandemic contributors argue that unless democracy is defended with resolution and nurtured with resilience it will fall Political and Social Thought in Post-Communist Russia Axel Kaehne, 2007-11-13 This is the first comprehensive study of Russian political and social thought in the post Communist era The book portrays and critically examines the conceptual and theoretical attempts by Russian scholars and political thinkers to make sense of the challenges of post communism and the trials of economic political and social transformation It brings together the various strands of political thought that have been formulated in the wake of the collapsed communist doctrine It engages constructively with the numerous attempts by Russian political theorists and social scientists to articulate a coherent model of liberal democracy in their country The book investigates critical as well as favourable voices in the Russian debate on liberal democracy a debate often marked by eclecticism and at times little conceptual discipline As such the book will be of great interest both to Russian specialists and to all those interested in political and social thought more widely Liberal Ideas in Tsarist Russia Vanessa

Rampton, 2020-02-20 Liberalism is a crucially important topic today this book adds the important yet neglected Russian aspect to its history Russian Westernizers and Change in International Relations Andrei P. Tsygankov, 2024-06-07 Russian Westernizers and Change in International Relations summarizes the Westernizing trend in Russian thought from the early nineteenth century to the present day This book looks at Russian thinkers and politicians who have considered Western European civilization to be superior to others and who have drawn the conclusion that Russia consequently ought to align itself with the West rather than preserving certain traditional Russian values and that not doing so is an impediment to political social and economic evolution Within this trend of thought the author identifies four schools Christian Westernizers Economic Liberals Political Liberals and Social State Supporters and explores examples of each The author compares Russian thinkers from different periods finding contrasts and similarities within their political and historical settings and assessing their responses to their unique circumstances He analyzes Russian Westernizers self definition and ideas of national freedom relative to those of Western nations exploring how the West's definition of values and institutions has changed over time He shows how Western historical developments affected waves of Westernization and pro Western thinking inside Russia arguing the importance of this being grounded in national state building priorities The growing complexity of global relations the declining global influence of the West and the war in Ukraine present Russian Westernizers with new questions and challenges and this book assesses the resulting implications This book will appeal to students and scholars of Russian foreign policy Russia West relations IR theory diplomatic studies political science and European history including the history of ideas Small-Town Russia Anne White, 2004-08-12 This book examines a number of key questions about social change in contemporary Russia issues such as how people survive when they are not paid for months on end the New Poor the falling birth rate why so many Russian men die in middle age whether regional identities are becoming stronger and how people s sense of Russianness has developed since the creation of the Russian Federation in 1992 It examines these issues by looking at actual experiences in three small Russian towns It includes a great deal of original ethnographic research and by looking at real places overall provides a good sense of how different aspects of social change are interlinked and how they actually affect real people's lives Russian Liberalism Paul Robinson, 2023-09-15 Russian Liberalism charts the development of liberal ideas and political organizations in Russia as well as the implementation of liberal reforms by the Russian and Soviet governments at various points in time Paul Robinson's comprehensive survey covers the entire period from the late eighteenth century to the present day Robinson demonstrates that liberalism has always lacked strong roots in the Russian population being largely espoused by a narrow group of intellectuals whose culture it has reflected and has tended toward a form of historical determinism that sees Russia as destined to become like the West Many see the current political struggle between Russia and the West as being in part a conflict between the liberal West and an illiberal Russia By explaining the historical causes of liberalism's failure in that country Russian Liberalism offers an

Russian Politics and Society Richard Sakwa,2008-04-10 Having been fully revised and updated to reflect the considerable changes in Russia over the last decade the fourth edition of this classic text builds on the strengths of the previous editions to provide a comprehensive and sophisticated analysis on Russian politics and society New to this edition extended coverage of electoral laws party development and regional politics new chapter on the phoney democracy period 1991 93 historical evaluation of Yeltsin's leadership full coverage of Putin's presidency discussion of the development of civil society and the problems of democratic consolidation latest developments in the Chechnya conflict more on foreign policy issues the re introduction of the Russian Constitution as an appendix an updated Select Bibliography more focus on the challenges facing Russia in the twenty first century Written in an accessible and lively style this book is packed with detailed information on the central debates and issues in Russia's difficult transformation This makes it the best available textbook on the subject and is essential reading for all those concerned with the fate of Russia and with the future of international society

Russia's Policy Challenges Stephen K. Wegren, 2016-07-08 Designed for use in courses on contemporary Russia this volume explores Russia s policy dilemmas in three realms international security socio political and socio economic In each of these categories Russia faces daunting problems none of which is likely to be resolved quickly or easily Yet over the longer term the extent to which policymakers are successful in dealing with these challenges will go far in determining Russia s future place in the world how Russians will live and what kind of country Russia becomes Each expertly authored chapter outlines the nature of one major issue traces it evolution and policy developments under the Yeltsin and Putin presidencies and evaluates the effectiveness and prospects of efforts to come to grips with the challenge **Mothers and Soldiers** Amv Caiazza, 2002-09-27 As the Soviet communist regime gave way to democracy the emergence of an entirely new political and social landscape had the potential to turn Russian society upside down In Mothers and Soldiers Organizing Men and Women in 1990s Russia Amy Caiazza looks at the effects of this seismic change on gender roles and specifically the role of women in a newly democratic Russia By observing through a gendered lens institutions like the military and the process of making public policy Caiazza finds that despite the institutional disruption the pattern of gender role ideologies maintained continuity from the former times while at the same time embracing aspects of Western feminism Building Democracy in Contemporary Russia Sarah Henderson, 2003 Can foreign donors help build new democracies In the 1990s public and private

organizations such as USAID and the Soros Foundation poured huge amounts of money and expertise into Russia to help build the dream of a vibrant democratic society Sarah L Henderson argues that despite the altruistic intentions of foreign assistance agencies and domestic activists foreign aid designed to spur civic growth has had unintended consequences Drawing on extensive field work survey research and work experience for several funding agencies in Moscow in the late 1990s Henderson focuses on donor efforts to support the emerging community of nongovernmental organizations and in particular on efforts to build a functioning women s movement in Russia Her intimate knowledge of Russia s growing NGO community informs a worrisome finding foreign aid has made a tremendous difference but not in altogether expected or positive ways New Russian civic groups serve either the needs of an indigenous clientele or the demands of the foreign aid bureaucracy but rarely both Henderson's research and experience show that while aid has kept a fledgling civic community alive it is a civic community that is disconnected from its own domestic audience The book suggests that large flows of foreign aid have in some ways damaged the long term prospects for democratization in Russia Russia Robert Service, 2003 The first history of modern Russia from 1991 to the present day by one of the leading historians of the 20th century USSR and Russia In 1991 in a huge experiment with a people and in a state of euphoria Boris Yeltsin abolished the USSR and recreated the Russian nation At the point of its declaration is was in a state of economic and social disarray and yet there were high hopes Hopes which have subsequently been dashed Robert Service brings to bear his vast knowledge of the people and the country to put the recent upheavals into context and he shows that not everything changed for the worst 1991 The Gorbachev years have allowed the Russian people to give a priority to living a private life and shutting the door on the state They could think what they liked The could enjoy intellectual and religious freedom and indulge in recreations their income would allow Gays and Lesbians could come out The Youth culture could finally be loosed from contraints This is a broad political social and cultural history of one of the newest nations ever to be formed **Politics in Russia** Thomas F Remington, 2015-07-22 Highly regarded for its comprehensive coverage up to date scholarship and comparative framework Politics in Russia is an authoritative overview of Russia's contemporary political system and its recent evolution Area specialist Thomas Remington focuses on four areas of change in this text state structure regime change economic transformation and identity to offer a dynamic context for analyzing the post Soviet era With a consistent emphasis on the intersection of politics and economics and the tension between authoritarian and democratic trends no other text guides students through the complexities and ambiguities of Russian politics today like Politics in Russia Russia's Road To Deeper Democracy Tom Bjorkman, 2004-05-13 Russia has embarked on a slow but steady path of foreign policy alignment with the West President Vladimir Putin s market oriented economic policies and structural reforms have added momentum But in the long run the decisive factor in Russia's relationship with the West will be the nature of the political order it builds on the ruins of communism There is a broad consensus among Western observers that Russia's effort to build Western style

democratic institutions in the eleven years since the Soviet collapse has stalled somewhere between democracy as understood in the West and the highly authoritarian order Russia inherited from the USSR Some would say that Russia is doomed by its history and political culture to a lengthy period of semi authoritarianism In Russia's Road to Deeper Democracy Tom Bjorkman presents evidence that this assessment is too pessimistic and underestimates the forces for political change that lie beneath the surface of what seems to be an era of political somnolence Bjorkman arques that it is not the weight of history or the antidemocratic attitudes of the Russian population that restrain Russia from making progress toward stronger democratic institutions but specific leadership policies and elements of Russia's political elite who have a self interest in maintaining the status quo Putin and other senior leaders support for proposals for democratic change now under discussion in Russia can create the kind of competitive political marketplace that the country needs to avoid political stagnation and begin to build the strong and prosperous state that all Russians want America exerts a large influence on Russia's debate about its political future by demonstrating that Russia's progress toward a stronger democratic order matters to the United States and by treating Russia as a part of the West the United States can buttress internal forces pushing for a deeper Russian democracy Islam in Russia: The Politics of Identity and Security Shireen Hunter, 2016-09-16 This richly detailed study traces the shared history of Russia and Islam in expanding compass from the Tatar civilization within the Russian heartland to the conquered territories of the Caucasus and Central Asia to the larger geopolitical and security context of contemporary Russia on the civilizational divide The study s distinctive analytical drive stresses political and geopolitical relationships over time and into the very complicated present Rich with insight the book is also an incomparable source of factual information about Russia's Muslim populations religious institutions political organizations and ideological movements Business, Politics and Public Policy J. Marques, P. Utting, 2010-05-13 This is the second volume on the changing nature of state business relations This book examines how the dynamics of business have influenced public policy in the context of economic liberalization and democratization It identifies the circumstances under which business might support progressive policies in developing countries **Putin's Russia** Stephen K. Wegren, 2015-07-16 Now in a thoroughly revised expanded and updated sixth edition this classic text provides the most authoritative and current analysis available of the challenges facing Russia today Leading scholars explore the daunting domestic and international problems confronting Putin Evaluating the regime's continued efforts to rebuild a country once on the verge of collapse they consider a comprehensive array of economic political foreign policy and social issues Putin has his own approach for dealing with the myriad problems facing Russia emphasizing recentralization of power and a strong state He has returned to power amid unresolved policy issues both domestically and from the international community Only by understanding these concerns and previous efforts to deal with them will it be possible to understand the country's trajectory Well written and clearly organized this text is an indispensable guide for anyone wanting to understand contemporary Russia Contributions by Alfred

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Russias Liberal Project State Society Relations In The Transition From Communism free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by

uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Russias Liberal Project State Society Relations In The Transition From Communism free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Russias Liberal Project State Society Relations In The Transition From Communism free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Russias Liberal Project State Society Relations In The Transition From Communism. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Russias Liberal Project State Society Relations In The Transition From Communism any PDF files. With these platforms, the world of PDF downloads is just a click away.

# FAQs About Russias Liberal Project State Society Relations In The Transition From Communism Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital

eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Russias Liberal Project State Society Relations In The Transition From Communism is one of the best book in our library for free trial. We provide copy of Russias Liberal Project State Society Relations In The Transition From Communism in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Russias Liberal Project State Society Relations In The Transition From Communism. Where to download Russias Liberal Project State Society Relations In The Transition From Communism online for free? Are you looking for Russias Liberal Project State Society Relations In The Transition From Communism PDF? This is definitely going to save you time and cash in something you should think about.
