Russias Provinces Authoritarian Transformation Vs Local Autonomy

James B. Minahan

Russias Provinces Authoritarian Transformation Vs Local Autonomy:

Russia's Provinces P. Kirkow, 1998-01-12 This book focuses on the evolution of federalism and intragovernmental relations in Russia for the period 1992-95 following the dissolution of the Soviet Union. Its main question is whether under conditions of democratisation and marketisation in Russia an authoritarian approach of transformation from above is more favourable to one of granting more autonomy to local governments. The author suggests a scale of various reform implementation policies based on two pioneering case studies of Russian provinces.

The Legacy Structure of Russia's One Hundred Year Transformation David Foley, 2018-11-16 Research and analysis of the post-Soviet Russian experience of political, economic and social change have generally focused attention on the complications and influences of the Soviet legacy on the transition process, with most early main stream studies emphasizing the difficulties of the adoption of the institutions of democracy and a free market economy to the centralized command and control legacy structures carried over from that adjacent system to the more recent analyses that have attempted to explain why the Putinist hybrid authoritarian democracy emerged to take control of the Russian state. The complex nature of the Russian experience of political, social and economic change had yet to be explained as a long term legacy analysis until now, with the linkages presented in this study of the legacies and structures that have defied attempts at reform by the Bolsheviks, the Soviets and the modern Republicans. The political geography of Russia represents a districting system that defines the people and places and represents an influential legacy structure that has had a long reach from the Russia of Imperialism to the Russia of Putinism and the twenty-first century. A clearer understanding of the influences the Imperial legacy brings to the Russian transformation enables the student of post-Soviet Russian transition an opportunity to contextualize the strong linkages of historical governance structures with the one hundred years of Bolshevik and Soviet system capture and the struggles of transformation faced by the government and people of Russia today.

Russia's Regions and Comparative Subnational Politics William Mark Reisinger, 2013 Subnational political units are growing in influence in national and international affairs, drawing increasing scholarly attention to politics beyond national capitals. In this book, leading Russian and Western political scientists contribute to debates in comparative politics by examining Russia's subnational politics. Beginning with a chapter that reviews major debates in theory and method, this book continues to examine Russia's 83 regions, exploring a wide range of topics including the nature and stability of authoritarian regimes, federal politics, political parties, ethnic conflict, governance and inequality in a comparative perspective. Providing both qualitative and quantitative data from 20 years of original research, the book draws on elite interaction, public opinion and the role of institutions regionally in the post-Soviet years. The regions vary on a number of theoretically interesting dimensions, while their federal membership provides control for other dimensions that are challenging for globally comparative studies. The authors demonstrate the utility of subnational analyses and show how regional research can help answer a variety of political questions, providing evidence from Russia that can be used by

specialists on other large countries or world regions in cross national scholarship Situated within broader theoretical and methodological political science debates this book will be of interest to students and scholars of Russian politics comparative politics regionalism and subnational politics **The Regional Roots of Russia's Political Regime** William M.

Reisinger, Bryon J Moraski, 2017-01-09 Insightful analysis of how regional politics shaped the executive branch's ability to retain power and govern under Yeltsin and Putin *Sowing Market Reforms* M. Crumley, 2013-09-18 By examining a sector of the economy that was exposed to increased imports more than four decades ago Crumley illuminates the economic pressures resistance and reform that help to shape Russia's agrarian sector today Political Elites and the New Russia

Anton Steen, 2004-06-01 Political Elite and the New Russia convincingly argues that although reforms in Russia have been initiated by those close to the President in fact local and national elites have been the crucial strategic actors in reshaping Russia's economy democratising its political system and decentralising its administration This book analyses the role of elites under Yeltsin and Putin discussing the extent to which they form a coherent political culture and how far this culture has been in step with or at odds with the reform policies of the Kremlin leadership **Resolving the Russo-Japanese**

Territorial Dispute Brad Williams, 2007-06-11 The unresolved territorial dispute between Japan and Russia over the South Kuril Islands Northern Territories remains the largest obstacle to concluding a peace treaty and fully normalising bilateral relations between the two nations This book traces the evolution of transnational relations between subnational public authorities in Hokkaido and Sakhalin examining the interrelationship between these ties and the Russo Japanese territorial dispute The book investigates why the development of Hokkaido Sakhalin relations has failed to create at the subnational level an environment conducive to resolving kankyo seibi the South Kuril Islands Northern Territories dispute Brad Williams suggests that kankyo seibi has not worked primarily because Russia's troubled transition to a liberal democratic market economy has manifested itself in ways that have ultimately increased the South Kuril Islands intrinsic and instrumental value for the Sakhalin public and regional elite This in turn has limited the impact from the twin transnational processes of cultural and economic exchange in alleviating opposition to the transferral of these disputed islands to Japan Drawing upon a wealth of primary and secondary sources from both countries this book utilises levels of analysis and an analytical framework that incorporates national and subnational as well as governmental and non governmental forces to discuss a relatively unexplored aspect of Russo Japanese relations As such *Resolving the Russo Japanese Territorial Dispute* will appeal to students and scholars of Asian politics international relations and post communist states The Decline of Regionalism in

Putin's Russia J. Paul Goode, 2011-05-11 This book reassesses Putin's attempt to reverse the decentralization of power that characterised centre regional relations in the 1990s focusing on regional responses to Putin's federal reforms It explains the decline of regionalism after 2000 in terms of the dynamics of regional boundaries understood as the juridical boundaries which demarcate a region's territorial extent and its resources institutional boundaries that sustain regional differences and

cultural boundaries that define the ethnic or technocratic principles on which a region could claim legitimate existence The book questions the conventional wisdom regarding the success of Putin's regime It shows how regional governors responded not by attempting to deflect the reforms with outright resistance but by mimicking Putin's centralisation of power at the regional level In turn this facilitated the homogenisation of regional political regimes and regional mergers The book demonstrates how the reordering of regions advanced sporadically how pockets of resistance persist and how the potential for the revival of regionalism continues

Federalism and democratisation in Russia Cameron Ross, 2013-07-19 This electronic version has been made available under a Creative Commons BY NC ND open access license Building on earlier work this text combines theoretical perspectives with empirical work to provide a comparative analysis of the electoral systems party systems and governmental systems in the ethnic republics and regions of Russia It also assesses the impact of these different institutional arrangements on democratization and federalism moving the focus of research from the national level to the vitally important processes of institution building and democratization at the local level and to the study of federalism in Russia

Local Government in Central and Eastern Europe Andrew Coulson, Adrian Campbell, 2007-08-02 Advocates of democratization in Central and Eastern Europe before 1989 placed great emphasis on community self government as the basis of civil society and democracy After the Velvet Revolutions of 1989 and the break up of the Soviet Union in 1991 the new states created an elected local government whereby cities towns and villages elected the

The Russian Far East Susan F. Davis, 2003-08-29 This book is a comprehensive introduction to the contemporary Russian Far East RFE and offers an argument about federal relations and power in the state It is the only easily available single volume book to examine the RFE in such depth

Modernisation in Russia since 1900 Markku Kangaspuro, Jeremy Smith, 2006-12-27 Modernisation has been a constant theme in Russian history at least since Peter the Great launched a series of initiatives aimed at closing the economic technical and cultural gap between Russia and the more advanced countries of Europe All of the leaders of the Soviet Union and post Soviet Russia have been intensely aware of this gap and have pursued a number of strategies some more successful than others in order to modernise the country But it would be wrong to view modernisation as a unilinear process which was the exclusive preserve of the state Modernisation has had profound effects on Russian society and the attitudes of different social groups have been crucial to the success and failure of modernisation This volume examines the broad theme of modernisation in late imperial Soviet and post Soviet Russia both through general overviews of particular topics and specific case studies of modernisation projects and their impact Modernisation is seen not just as an economic policy but as a cultural and social phenomenon reflected through such diverse themes as ideology welfare education gender relations transport political reform and the Internet The result is the most up to date and comprehensive survey of modernisation in Russia available which highlights both one of the perennial problems and the challenges and prospects for contemporary Russia

Putin Richard Sakwa, 2007-11-13 The new edition of this extremely well received

political biography of Vladimir Putin builds on the strengths of the first edition to provide the most detailed and nuanced account of the man his politics and his profound influence on Russian politics foreign policy and society New to this edition analysis of Putin s second term as President more biographical information in the light of recent research detailed discussion of changes to the policy process and the lites around Putin developments in state society relations including the conflicts with oligarchs such as Khodorkovsky review of changes affecting the party system and electoral legislation including the development of federalism in Russia details on economic performance under Putin including more discussion of the energy sector and pipeline politics Russia s relationship with NATO after the big bang enlargement EU Russian relations after enlargement and Russia s relations with other post Soviet states the conclusion brings us up to date with debates over the question of democracy in Russia today and the nature of Putin s leadership and his place in the world Putin is essential reading for all scholars and students of Russian politics One Europe, Many Nations James B. Minahan,2000-07-30

Dominating world politics since 1945 the Cold War created a fragile peace while suppressing national groups in the Cold War s most dangerous theater Europe Today with the collapse of Communism the European Continent is again overshadowed by the specter of radical nationalism as it was at the beginning of the century Focusing on the many possible conflicts that dot the European landscape this book is the first to address the Europeans as distinct national groups not as nation states and national minorities It is an essential guide to the national groups populating the so called Old World groups that continue to dominate world headlines and present the world community with some of its most intractable conflicts While other recent reference books on Europe approach the subject of nations and nationalism from the perspective of the European Union and the nation state this book addresses the post Cold War nationalist resurgence by focusing on the most basic element of any nationalism the nation It includes entries on nearly 150 groups surveying these groups from the earliest period of their national histories to the dawn of the 21st century In short essays highlighting the political social economic and historical evolution of peoples claiming a distinct identity in an increasingly integrated continent the book provides both up to date information and historical background on the European national groups that are currently making the news and those that will produce future headlines

Democracy Derailed in Russia M. Steven Fish,2005-08-29 Why has democracy failed to take root in Russia After shedding the shackles of Soviet rule some countries in the postcommunist region undertook lasting democratization Yet Russia did not Russia experienced dramatic political breakthroughs in the late 1980s and early 1990s but it subsequently failed to maintain progress toward democracy In this book M Steven Fish offers an explanation for the direction of regime change in post Soviet Russia Relying on cross national comparative analysis as well as on in depth field research in Russia Fish shows that Russia s failure to democratize has three causes too much economic reliance on oil too little economic liberalization and too weak a national legislature Fish s explanation challenges others that have attributed Russia s political travails to history political culture or to shock therapy in economic policy The book offers a theoretically

original and empirically rigorous explanation for one of the most pressing political problems of our time **Re-emerging**

Russia Anuradha M. Chenoy, Rajan Kumar, 2017-09-06 This book examines the evolution contexts and politics of the structures and institutions that shape contemporary Russia It analyses the Soviet dissolution revealing the combination of structural and agency factors It traces the re emergence of Russia from a unique perspective that is neither Western nor Eurasian but specifically Indian located in the global South The book looks at key theoretical concepts and practices like democratic centralism that produced an overly centralised and rigid hierarchy within the Communist Party This book assesses the continuities and changes with the Soviet past and the way the Russian regimes of the past two decades have reinvented and reshaped them This book provides a multifaceted interpretation of contemporary Russia for general readers and specialists **Social Sustainability of Forestry in Northern Europe** Marjatta Hytönen, 2001 S 113 404 Papers

presented at the workshop Socio economic sustainability of forestry in Petrozavodsk Russia June 2000 *The Chechen Wars*

Matthew Evangelista, 2004-05-13 Following the breakup of the Soviet Union Boris Yeltsin improvised a system of asymmetric federalism to help maintain its successor state the Russian Federation However when sparks of independence flared up in Chechnya Yeltsin and later Vladimir Putin chose military action to deal with a brushfire that they feared would spread to other regions and eventually destroy the federation Matthew Evangelista examines the causes of the Chechen Wars of 1994 and 1999 and challenges Moscow's claims that the Russian Federation was too fragile to withstand the potential loss of one rebellious republic He suggests that the danger for Russia lies less in a Soviet style disintegration than in a misguided attempt at authoritarian recentralization something that would jeopardize Russia's fledgling democratic institutions He also contends that well documented acts of terrorism by some Chechen fighters should not serve as an excuse for Russia to commit war crimes and atrocities Evangelista urges emerging democracies like Russia to deal with violent internal conflict and terrorism without undermining the fundamental rights and freedoms of their citizens He recommends that the United States and other democracies be more attentive to Moscow's violations of human rights and in their own struggle against terrorism provide a kind of role model **Agrarian Reform in Russia** Carol S. Leonard, 2010-12-06 This book examines the

history of reforms and major state interventions affecting Russian agriculture the abolition of serfdom in 1861 the Stolypin reforms the NEP the Collectivization Khrushchev reforms and finally farm enterprise privatization in the early 1990s It shows a pattern emerging from a political imperative in imperial Soviet and post Soviet regimes and it describes how these reforms were justified in the name of the national interest during severe crises rapid inflation military defeat mass strikes rural unrest and or political turmoil It looks at the consequences of adversity in the economic environment for rural behavior after reform and at long run trends It has chapters on property rights rural organization and technological change It provides a new database for measuring agricultural productivity from 1861 to 1913 and updates these estimates to the present This book is a study of the policies aimed at reorganizing rural production and their effectiveness in transforming institutions

Shadow Separatism Matthew Crosston, 2019-06-04 Originally published in 2004 Examining autonomy in the Russian Federation Matthew Crosston ascertains how the regional use of bilateral autonomy treaties has influenced the long term stability legitimacy and efficacy of the state The study challenges some long accepted conclusions about democratization and the devolution of power advancing into new international arenas Riker and Dahl s relatively ignored theoretical concerns that decentralized federations are ineffective and disintegrative while centralized federations are consolidating Scholars of Russian politics democratization ethnic conflict comparative intergovernmental relations and development will find this book particularly stimulating

Russias Provinces Authoritarian Transformation Vs Local Autonomy Introduction

In the digital age, access to information has become easier than ever before. The ability to download Russias Provinces Authoritarian Transformation Vs Local Autonomy has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Russias Provinces Authoritarian Transformation Vs Local Autonomy has opened up a world of possibilities. Downloading Russias Provinces Authoritarian Transformation Vs Local Autonomy provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Russias Provinces Authoritarian Transformation Vs Local Autonomy has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Russias Provinces Authoritarian Transformation Vs Local Autonomy. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Russias Provinces Authoritarian Transformation Vs Local Autonomy. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Russias Provinces Authoritarian Transformation Vs Local Autonomy, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Russias Provinces Authoritarian Transformation Vs Local Autonomy has transformed the way we access information. With the convenience,

cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Russias Provinces Authoritarian Transformation Vs Local Autonomy Books

What is a Russias Provinces Authoritarian Transformation Vs Local Autonomy PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Russias Provinces Authoritarian Transformation Vs Local Autonomy PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Russias Provinces Authoritarian Transformation Vs Local Autonomy PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Russias Provinces Authoritarian Transformation Vs Local Autonomy PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Russias Provinces Authoritarian Transformation Vs Local Autonomy PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection,

editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
