Ruth and Daniel Penelope Stokes,1986-01-01 Great People of the Bible Carol Plueddemann,2013-01-23 The great people highlighted in these studies can give us encouragement and hope for our lives today because we have the same resource they had faith in a great God *Ruth and Daniel* Penelope J. Stokes,1995-04-01 The Curriculum and Small Group Resource Guide Judy Hamlin,1991 **Let's Pray Together** Margaret Fromer,Sharrel Keyes,1974-12-12 *Power Through Prayer* Edward McKendree Bounds,1989 In a penetrating and forthright style Edward M Bounds offers stimulating advice to Christian servants The preaching that kills may have insight and grasp of principles may be scholarly and critical in taste may have every minutia of the derivation and grammar of the letter may be able to trim the letter into its perfect pattern and illumine it as Plato and Cicero may be illumined may study it as a lawyer studies his text books to form his brief or to defend his case and yet be like a frost a killing frost Preaching which kills is prayerless preaching Without prayer the preacher creates death and not life This audio book nourishes the heart and mind with Bounds message about the role of prayer in the life of the Christian servant **Relationships** Gladys M. Hunt,1983-06 **Galatians, Titus & Philemon** Whitney Kuniholm,2000-03-07 Paul wrote Galatians to defend the gospel the Good News that we are saved by faith alone Titus enforces this truth we have been saved not because of good deeds but to do good deeds And Philemon continues the freedom theme with the account of a slave whose story is a parable of our redemption As you study these letters rejoice in the freedom Christ gives It is Good News indeed Fisherman Bible Studyguides offer Penetrating questions that generate discussion Flexible format for groups or individual needs Helpful leader s notes Emphasis on daily application of Bible truth

Daniel Carroll R.,2020-05-19 With so many people around the globe migrating how should Christians and the church respond Leading Latino American biblical scholar M Daniel Carroll R Rodas helps readers understand what the Bible says about immigration offering accessible nuanced and

sympathetic guidance for the church After two successful editions of *Christians at the Border* and having talked and written about immigration over the past decade Carroll has sharpened his focus and refined his argument to make sure we hear clearly what the Bible says about one of the most pressing issues of our day He has reworked the biblical material adding insights and broadening the frame of reference beyond the US As Carroll explores the surprising amount of material in the Old and New Testaments that deals with migration he shows how this topic is fundamental to the message of the Bible and how it affects our understanding of God and the mission of the church

Subject Guide to Books in Print ,1997 Identity and Ethics in the Book of Ruth Peter H. W. Lau,2011 This study demonstrates the importance of including narrative ethics in a construction of Old Testament ethics as a correction for the current state of marginalisation of narrative in this discipline To this end the concept of identity is used as a lens through which to understand and derive ethics Since self conception in ancient Israel is generally held to be predominantly collectivist in orientation social identity theory is used to understand ancient Israelite identity Although collectivist sensitivities are important a social identity approach also incorporates an understanding of individuality This approach highlights the social emphases of a biblical text and consequently assists in understanding a text s original ethical message The book of Ruth is used as a test case employing a social identity approach for understanding the narrative but also to model the approach so that it can be implemented more widely in study of the Old Testament and narrative ethics Each of the protagonists in the book of Ruth is examined in regards to their personal and social self components This study reveals that the narrative functions to shape or reinforce the identity of an ancient Israelite implied reader Since behavioural norms are an aspect of identity narrative also influences behaviour A social identity approach can also highlight the social processes within a society The social processes taking place in the two most commonly proposed provenances for the book of Ruth are discussed the Monarchic and Persian Periods It is found that the social emphases of the book of Ruth most closely correspond to the social undercurrents of the Persian Period On this basis a composition for the book of Ruth in the Restoration period is proposed
