**Red Card to Racism** Harry Harris,2021-04-15 It s not banter It s racist Is football doing enough to give racism the boot The global Black Lives Matter campaign has given greater exposure to the extent of the structural and systemic racism that exists in all strata of our society It has provided renewed impetus to the urgent need to challenge and eradicate racism in all its forms and wherever it is found Sadly sport has not been immune from this especially so in the case of football For too long there were attempts to hide and mitigate racist attitudes and actions within the game but thanks to the growing profile and visibility of black and minority ethnic BAME players both past and present Viv Anderson Cyrille Regis

Jimmy Carter Les Ferdinand Pat Nevin and Ruud Gullit to name just a few and almost three decades of education and campaigning led by Kick It Out attitudes have changed However there s still a great deal left to do Throughout his entire journalistic career leading sportswriter Harry Harris has championed the fight against racism in football Now within these pages he shines a timely spotlight on the Beautiful Game revealing the forces within football that have both helped expose and challenge racism and at times sadly hinder more rapid positive change Includes exclusive commentary from Greg Dyke Glenn Hoddle Ivor Baddiel Mek Stein and Jermain Defoe Highly commendable and will keep the debate raging John Barnes
